New Reading Skilltext Series ,1961 *The Christian Work and the Evangelist* ,1908 **Our Virginia** Edward Ehrlich Smith,1923 *The Sunday at Home* ,1896 **The Lakeside Monthly** Francis Fisher Broune,1870 **Elementary Geography** D. Appleton and Company,1880 **New Theory of Beauty** Guy Sircello,2015-03-08 Ever since the eighteenth century when Kant opened the floodgates of subjectivism in aesthetics common men and philosophers alike have despaired of finding a basis for judgments about beauty This book provides a comprehensive theory that encompasses beauty in art and nature as well as intellectual utilitarian and moral beauty The author argues that the beauty of objects can be reduced to the beauty of properties of those objects which in turn can be understood in terms of properties of qualitative degree The theory developed first with respect to color is then extended to include all sensory and non sensory qualities The author shows how the theory explicates and resolves disagreements about what is beautiful and discusses its relevance to the traditional notions of harmony and sublimity His is an objectivist theory of beauty and it enables him in conclusion to demonstrate why we enjoy perceiving beauty Originally published in 1975 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **La Voz Latina** Elizabeth C. Ramírez,Catherine Casiano,2011 Surveying the Latina theatre movement in the United States since the 1980s this book brings together contemporary plays and performance pieces by various Latina playwrights The editors provide historical context as well as a short biography production history and artistic statement from each playwright **The Boy Scouts' Year Book** ,1925 **Bhasa** G.S.Iyer,2013-06-29 The rediscovery of the 13 plays of Bhasa Mahakavi and their publication in Thiruvananthapuram in 1912 by Mahamahopadhyaya T Ganapatisastri was as important an event in the recovery of India s cultural and literary history as was the deciphering of the Ashokan edicts in the 19th century in the recovery of India s political history Bhasa was known from allusions by other poets and fragments stretching from the time of Kalidasa all the way to the 12th century Inexplicably he vanished from India s collective memory since then At the same time the reverence in which he was held is amply evident from the regularity of references to him and the unanimity of critics and rasikas on the superb quality of his work The recovered Bhasa has now taken his rightful place in the stage and is presented again and again not only in Sanskrit but in most modern Indian languages too It is an eloquent demonstration of his enduring power to move an audience his undiminished relevance and most important of all the stunning stage worthiness of his works the quality that raises him far above every other ancient dramatist of India known to us California Harold Wellman Fairbanks,1921 Black's Picturesque Tourist of Scotland Adam and Charles Black (Firm),1856 **The New**
