Living with Learning Disabilities, Dying with Cancer Irene Tuffrey-Wijne, 2010 Cancer *Moving On* Allison Orphan, 2016-11-25 First Published in 2004 In 1999 the Department of Health estimated that there were 549 800 children with special needs under the age of 18 in the UK Department of Health 1999 Each of those children will have been seen by various professionals assessed discussed and have reports written about them But at the end of the day when the reports are filed away most of the children go home to parents and carers This book is written with those parents and carers in mind Families in this situation face many issues that are way beyond what other parents have to deal with

BX-13: The Blood Game. Part 1-4. Joe KING, In part 1 of BX 13 The Blood Game When unsuspecting student Dylan goes on a study course to Russia little did he realise that he would become part of an experiment so powerful it would change him into a superhuman After Dylan manages to escape from the secure testing facility he suddenly wakes up with no memories of his past then soon realises that something is wrong very wrong It doesn't take long before he realises he is being hunted For now he has no idea why and must rely on his wits to keep himself safe because whatever these people are after he knows his life is at stake With the help of a surprising new friend his only hope is that he can hold on long enough to remember what has been done to him and figure a way out of this nightmare he has woken up in Behind the scenes an experiment has been playing out and unknowing to Dylan he is the star pupil Will he survive long enough to figure out what has been done to him or will his life ebb away as quickly as he was given his superhuman powers In part 2 of BX 13 The Blood Game Just when Frank and Sharon think their lives are now complete with

the arrival of their new born child Shannon All hell breaks loose when Shannon is taken They are now left with trying to find who and why their baby has been kidnapped As they investigate further into their daughter s disappearance they soon realise that those responsible will stop at nothing to keep what Shannon has locked inside her blood With the help of Billy a computer whiz kid and Liev Malik once again finding himself caught up in something big time is running out to find Shannon before she lets loose into a world full of people she will not stop killing Not until all those responsible for taking something so precious from her are dead With her abilities growing the surprises keep coming but no one had envisaged there could be more than just Shannon to wreak chaos on anyone foolish enough to get too close Will she finally be free or will she realise that her life was never going to be her own once her true potential is realised In part 3 of BX 13 The Blood Game Liev discovers he is being watched once more and when Frank and Sharon get back in touch they set out on a journey that will change everything they have come to believe Liev has a little help on the way from a usual source because his memories are vital to his survival and with enemies all around them and no one they can trust but each other Their time is running out to save the people they think need their help but all the time they are being dragged into a game they have no idea they are playing With time against everyone involved in the BX 13 project the outcome was always going to not be the one you expected In part 4 of BX 13 The Blood Game In the final part of BX 13 The Blood Game a deadly virus outbreak becomes more than just a flu epidemic reminiscent of an engineered virus as it is targeting the elderly Beverly Knight a prominent Doctor in the field of tropical disease soon discovers that this is way more than just a few people dying As she starts to uncover the truth a whole web of deceit has been blanketing the entire world from the truth A secret sect The Guardianship has been trying to cull the world s population and bring in a new era of super humans Can she stop the virus before it spreads or will Liev Malik be left once more to save not just Shannon s life but everyone else s on the planet With BX 13 being at the heart of so many projects planned by The Guardianship it is never more vital it is destroyed by the only man capable Liev Malik

Behind Closed Doors Erik de Haan,2016-06-30 Behind Closed Doors is a ground breaking exploration of executive coaching based on a wide range of real life case studies of coaching in action Despite the significant growth of executive coaching over the last 20 years very few case studies are available which can be used to guide practising coaches and those who retain their services and which reveal the reality of coaching in action Yet when the curtain is pulled back we can learn much about the impact of different interventions and different styles where change happens for the better and where potential pitfalls may occur Written by skilled and experienced practitioners and showing what happens inside coaching relationships this book provides just such guidance

Anxiety Rx Russell Kennedy,2024-09-17 From physician and neuroscientist Russell Kennedy MD comes an award winning book that offers a revolutionary life changing approach to healing anxiety Break the cycle of anxiety with the newly upgraded and expanded second edition After years of trying different therapies for his debilitating anxiety without success Dr Russell Kennedy had an epiphany anxiety does not start in

the brain Anxiety starts in the body where trauma is stored and physical and emotional perception begin Alarm bells originating in the body are what trigger those anxious thoughts that we call anxiety and Russ realized that true healing starts only when we learn not to conflate the two He understood that existing therapies focused only on the mind would never get to the root of the problem at best they could help manage symptoms but they d never truly heal anxiety Wanting to make a difference for the millions who suffer from anxiety disorder Russ created Anxiety Rx a book that blends his personal story with medical science neuroscience and developmental psychology Readers learn how to sever the connection between the somatic alarm and the flood of anxious thoughts in the process they begin to heal old trauma and gain a sense of control previously unknown Russ offers techniques not only for our thinking minds but for our feeling bodies changing not just our mindset but our body set Unraveling the intricate relationship between anxiety the body and the mind Anxiety Rx offers a profound path toward healing and growth

Stroke - it Couldn't Happen to Me Margaret Cromarty, Shoaib Siddiqui, 2018-04-19 Margaret Cromarty was a nurse who suffered a catastrophic stroke aged just 43 which left her with Locked In Syndrome Still paralysed even now with the aid of an on screen keyboard she has written this unflinching account of her treatment It describes the frustrations of being fully aware but ignored as a person by carers unable to communicate effectively and the painfully slow steps towards rehabilitation It contains vital lessons for health professionals caring for victims of stroke and for families and friends of patients I learned later that the doctors expected that I would die They made a poor attempt at concealing this expectation They discussed me over me I was dismayed at the negative vibes they exuded each time they came to see me I felt that they had written me off already Of course they can have had little idea of how their behaviour affected me I just lay there seemingly unresponsive just existing unable to enlighten them as to what was going on inside my head Margaret Cromarty
