Lorca Plays Three:

Three Plays Federico García Lorca, Michael Dewell, Carmen Zapata, 1992 This is a translation of Lorca's trilogy and includes the plays Blood Wedding, Yerma and The House of Bernarda Alba

Three Plays Federico García Lorca, Michael Dewell, Carmen Zapata, 1993-09 Newly repackaged three plays by Federico García Lorca In these three plays Federico García Lorca's acknowledged masterpieces he searched for a contemporary mode of tragedy and reminded his audience that dramatic poetry or poetic drama depends less on formal convention than on an elemental radical outlook on human life His images are beautiful and exact but until now no translator had ever been able to make his characters speak unaffectedly on the American stage Michael Dewell of the National Repertory Theatre and Carmen Zapata of the Bilingual Foundation of the Arts have created these versions expressly for the stage The results both performable and readable have been thoroughly revised for this edition which has an introduction by Christopher Maurer the general editor of the Complete Poetical Works of García Lorca

Three Lorca Plays Federico García Lorca, 1994-12-05

Lorca Plays: 3 Federico García Lorca, 2014-03-20 Lorca is one of the few indisputably great dramatists of the twentieth century Observer Mariana Pineda achieved immediate critical success on its first performance in Barcelona in 1927 The Public is a powerful and uncompromising demand for sexual and specifically homosexual freedom as predicted it was never performed in Lorca's time it was first performed in this country by Theatre Royal Stratford East in the 80s Play Without a Title an unfinished Lorca rarity realises his wish to do something different including modern plays on the age we live in

Lorca: Three Plays Federico García Lorca, 2017 Three of Lorca's most famous plays in a single volume translated from the Spanish and introduced by Jo Clifford

Lorca Plays: 1 Federico García Lorca, 2014-03-10 These three tragedies were written at the height of Lorca's powers and display his innovative mix of Spanish popular tradition and modern dramatic technique Blood Wedding tells the story of a couple drawn irresistibly together in the face of an arranged marriage Doña Rosita the Spinster follows the appalling fate of a young woman beguiled into the expectation of marriage and left stranded for a lifetime whilst Yerma is possibly Lorca's harshest play following a woman's Herculean struggle against the curse of infertility Set in and around his home territory Granada the plays return again and again to the lives of passionate individuals particularly women trapped by the social conventions of narrow peasant communities The plays appear here in new playable translations

The Public and Play Without a Title Federico García Lorca, 1983 The public explores the relationship between the audience the theater and those who breathe life into the theater He draws connections between the theater life and love playing between showing and telling hiding and revealing

Lorca's Experimental Theater Andrew A. Anderson, 2024-11-25 Critical and historical discussions of the life and work of Federico García Lorca Spain's foremost poet and playwright of the twentieth century often obscure the author's more avant garde dramatic works In Lorca's Experimental Theater Andrew A. Anderson focuses on four of Lorca's most challenging plays Amor de don Perlimplín con Belisa en su jardín

El público As que pasen cinco años and El sueño de la vida previously known as Comedia sin título and on the surrounding context in which they came to be written and in only one case performed during his lifetime While none of Lorca's plays can be considered conventional these four works stand out in his corpus for challenging theatrical conventions most forcefully both thematically and technically With discussions of stagecraft artistic modernism and the historical avant garde Lorca's Experimental Theater provides detailed interpretive readings of the four plays surveys their textual and performative history and examines the most important contemporary influences on Lorca's creation of these expressive innovative works
