Life Stories Maureen O'Connor, 2011-08-23 Memoirs autobiographies and diaries represent the most personal and most intimate of genres as well as one of the most abundant and popular. Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2,800 read-alike and other related titles. The popularity of this body of literature has grown in recent years and it has also diversified in terms of the types of stories being told and persons telling them. In the past, readers' advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy. This guide offers an alternative organizing the literature according to popular genres, subgenres, and themes that reflect common reading interests. Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads. **Life Stories: A Guide to Reading Interests in Memoirs, Autobiographies, and Diaries** presents a unique overview of the genre that specifically addresses the needs of readers' advisors and others who work with readers in finding books. **Sports in the Pulp Magazines** John Dinan, 2015-06-14 From the late 1800s through the first half of the 1900s, pulp magazines costing a dime and filled with both fiction and nonfiction were a staple of American life. Though often overlooked by popular culturalists, sports were one of the staples of the pulp scene. Such standards as the *National Police Gazette* and *All Story* carried some sports stories, and several publications such as *Sport Story Magazine* were entirely devoted to them. An overview of the pulps is followed by an examination of those devoted to sports, how they came into being, the development of the genre, the popularity of its heroes, and coverage of real-life events. The roles of editors, writers, artists, and publishers are then fully covered. A chapter on Street Smith, the foremost publisher of sports pulps, follows, while a concluding chapter discusses the reasons for the demise of the pulps in the early 1950s. **Louis L'Amour on Film and Television** Ed Andreychuk, 2010-03-08 This reference work presents useful information for every known film and television episode drawn from a Louis L. Amour work. Chronologically arranged entries include production information, cast credits, a synopsis, a description of the L. Amour source used, and the author's commentary. A brief biography of L. Congress, 1982 The *Congressional Record* is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The *Congressional Record* began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States* 1789-1824, the *Register of Debates in Congress* 1824-1837, and the *Congressional Globe* 1833-1873. **The Role of Reading in Nine Famous Lives** Donald E. Howard, 2015-09-11 According to the end of millennium Arts and Entertainment Television Network survey, the single most influential person of the last thousand years was Johann Gutenberg, the inventor of the printing press. The revolutionary advent of moveable metal type made possible the diffusion of books to people around the world, profoundly influencing the lives of many famous historical figures thereafter. This book

attempts to demonstrate the role that reading has played throughout the course of history. It documents the lives of nine individuals of outstanding achievement whose efforts were molded by the books they read. The subjects are presented in chronological order according to birth. Respective chapters contain brief biographies of the subjects and discuss the ways in which each used books as a principal aid in the development of his or her exceptional talents. Subjects include Benjamin Franklin who was in 1724 an active connoisseur in the rapidly growing printing trade, Thomas Jefferson, Abraham Lincoln, Frederick Douglass, Susan B. Anthony, Booker T. Washington, Pearl S. Buck, Louis L. Amour, and Nelson Mandela. The book maintains that while these historical figures represent a wide range of talents and influences, to each is attributed invaluable contributions to society. Each was a dedicated reader inspired to greatness by the power of the written word. *Fair Blows the Wind* (Louis L'Amour's Lost Treasures) Louis L'Amour, 2018-07-03. As part of the Louis L.
