Louisiana Hayride The American Rehearsal:

Huey Long's Louisiana Hayride Harnett T. Kane, 1971-01-31 A lively free hitting narrative written with a proper appreciation of the grotesque humor of many of its episodes but also with the proper appreciation of the political significance for the rest of the United States New York Times Book Review This book deserves to be widely read Library Journal Nothing like the regime of Huey Long has ever been enacted on American soil before Only a patriot of the staunchest character could stand up to the power of Huey and the threats and reprisals which he used so freely Those who were willing to do so paralleled the acts of America s bravest patriots at any stage of American history Nearly all the books on this subject end with the death of Huey Long Louisiana Hayride continues through the years of scandals which ended in my election in 1940 Huey s prediction that his successors would never be able to wield his great power without going to jail was born out by events described in this book This is the story of the sowing of the wind but the major part of the book is devoted to the reaping of the whirlwind In this telling Louisiana Hayride is unsurpassed It is a story for all Americans From the forward by Sam Houston Jones Governor 1940 1944 *Louisiana Hayride* Harnett Thomas Kane, 1941 **Huey Long's Louisiana Hayride** Harnett Thomas Kane, 1971 **Louisiana Hayride** Harnett Thomas Kane, 1986 New Orleans T. R.

Johnson, 2023 This book traces the major writing of New Orleans through its five most famous streets as well as its outskirts

The Kingfish and His Realm William Ivy Hair, 1996 The best biography of Long written to date New Orleans Times Picayune A remarkable work Of all the biographies of Huey Long Hair s best captures the atmosphere of public life in the Pelican State Written with passion and mordant wit the book is literally hard to put down Reviews in American History Well proportioned and tartly written Hair s book is notable for its conceptualization and exhaustive research for its analysis of Long s extraordinary control of Louisiana and his role in national politics and for its interpretation of the Long phenomenon Journal of American History A masterly biography of the redneck messiah A consistently engrossing portrait Kirkus Reviews starred review A fascinating and highly readable look at the improbable rise and fortunate fall of one of the most dangerous politicians in American History San Francisco Chronicle **Kingfish** Richard D. White, Jr., 2009-03-25 From the moment he took office as governor in 1928 to the day an assassin s bullet cut him down in 1935 Huey Long wielded all but dictatorial control over the state of Louisiana A man of shameless ambition and ruthless vindictiveness Long orchestrated elections hired and fired thousands at will and deployed the state militia as his personal police force And yet paradoxically as governor and later as senator Long did more good for the state s poor and uneducated than any politician before or since Outrageous demagogue or charismatic visionary In this powerful biography Richard D White Jr brings Huey Long to life in all his blazing controversial glory White taps invaluable new source material to present a fresh vivid portrait of both the man and the Depression era that catapulted him to fame From his boyhood in dirt poor Winn Parish Long knew he was destined for power the problem was how to get it fast enough to satisfy his insatiable appetite With cunning and crudity unheard of in Louisiana

politics Long crushed his opponents in the 1928 gubernatorial race then immediately set about tightening his iron grip The press attacked him viciously the oil companies howled for his blood after he pushed through a controversial oil processing tax but Long had the adulation of the people In 1930 the Kingfish got himself elected senator and then there was no stopping him White s account of Long s heyday unfolds with the mesmerizing intensity of a movie Pegged by President Roosevelt as one of the two most dangerous men in the country Long organized a radical movement to redistribute money through his Share Our Wealth Society and his gospel of pensions for all a shorter workweek and free college spread like wildfire The Louisiana poor already worshiped him for building thousands of miles of roads and funding schools hospitals and universities his outrageous antics on the Senate floor gained him a growing national base By 1935 despite a barrage of corruption investigations Huey Long announced that he was running for president In the end Long was a tragic hero a power addict who squandered his genius and came close to destroying the very foundation of democratic rule Kingfish is a balanced lucid and absolutely spellbinding portrait of the life and times of the most incendiary figure in the history of American politics

Leadership and Crisis Bobby Jindal,2010-11-15 Piyush Bobby Jindal is an American politician who was the 55th Governor of Louisiana between 2008 and 2016 and previously served as a U S Congressman and as the vice chairman of the Republican Governors Association **Kingfish U** Robert Mann,2023-06-07 No political leader is more closely identified with Louisiana State University than the flamboyant governor and U S senator Huey P Long who devoted his last years to turning a small undistinguished state school into an academic and football powerhouse From 1931 when Long declared himself the official thief for LSU to his death in 1935 the school s budget mushroomed its physical plant burgeoned its faculty flourished and its enrollment tripled Along with improving LSU s academic reputation Long believed the school s football program and band were crucial to its success Taking an intense interest in the team Long delivered pregame and halftime pep talks devised plays stalked the sidelines during games and fired two coaches He poured money into a larger flashier band supervised the hiring of two directors and with the second one wrote a new fight song Touchdown for LSU While he rarely meddled in academic affairs Long insisted that no faculty member criticize him publicly When students or faculty from his school opposed him retribution was swift Long s support for LSU did not come without consequences His unrelenting involvement almost cost the university its accreditation And after his death several of his allies including his handpicked university president went to prison in a scandal that almost destroyed LSU Rollicking and revealing Robert Mann s Kingfish U is the definitive story of Long s embrace of LSU **America's Political Dynasties** Stephen Hess,2017-07-05 This is the 30th anniversary edition of a book that was hailed on publication in 1966 as fascinating by Margaret L Coit in the Saturday Review and as masterly by Henry F Graff in the New York Times Book Review The Constitution could not be more specific No title of nobility shall be granted by the United States Yet in over two centuries since these words were written the American people despite official disapproval have chosen a political nobility For generation after generation they have turned for

leadership to certain families They are America's political dynasties Now in the twentieth century surprisingly American political life seems to be largely peopled by those who qualify in Stewart Alsop's phrase as People's Dukes They are all around us Kennedys Longs Tafts Roosevelts Here is the panorama of America's political dynasties from colonial days to the present in fascinating profiles of sixteen of the leading families Some like the Roosevelts have shown remarkable staying power Others are all but forgotten such as the Washburns a family in which four sons of a bankrupt shopkeeper were elected to Congress from four different states America's Political Dynasties investigates the roles of these families in shaping the nation and traces the whole pattern of political inheritance which has been a little considered but unique and significant feature of American government and diplomacy And in doing so it also illuminates the lives and personalities of some two hundred often engaging usually ambitious sometimes brilliant occasionally unscrupulous individuals
