Louisiana Tort Law:

Louisiana Tort Law Frank L. Maraist, Thomas C. Galligan, 2004 Louisiana Law of Torts Frank L. Maraist, 2010
Louisiana Law of Torts A Practical discussion discusses an understanding of the history and development of Louisiana's tort law that helps place the current state of the law in its proper context This book also touches on concepts such as intentional torts and negligence wrongful death immunity comparative negligence and strict and absolute liability These are not terms found in the Louisiana Civil Code they have been adopted from the common law But the concepts these terms embody have their foundations in Louisiana tort law either through the Code or other legislation or jurisprudence and from both the common law and civil law influences For more than 200 years Louisiana law has been developing under these two influences The eBook version of this title features a link to Lexis Advance for further legal research options **Cases on Louisiana Tort Law**, 1983 Studies in Louisiana Tort Law Malone, Guerry, 1970 **Tort Law - The American and Louisiana Perspectives, Third Revised Edition** Frank L. Maraist, John M. Church, William R. Corbett, 2017-07-31 Tort Law The American and Louisiana Perspectives Second Edition has as its primary objective a study of tort law in the United States and Louisiana It differs from most other torts casebooks however in that it has a secondary objective of providing an exercise in comparative law In the United States we often overlook the fact that the common law system that prevails in our nation is not the only legal system in the world Much of the world applies a civil law approach in which a civil code has a more prominent role than case law In a world in which trade and economics politics and law cross national borders it has become increasingly important to be aware of and conversant in other nations legal systems Louisiana the only state in the United States that can be described as a mixed jurisdiction using both civil law and common law provides an excellent model for examining and comparing and contrasting civil law and common law approaches to various legal issues This book invites the reader to both study tort law and consider the differences and similarities between the common law states and a state that has a civil code and views the role of the courts and the legislature somewhat differently **Selected Materials on Louisiana Tort Law**, 1985 **Cases and Materials on Louisiana Tort Law** Frank L.
