ThirdWay ,1991-07 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture **The Eloquence of Grace** James M. Childs,Richard A. Lischer,2012-10-12 Joseph A Sittler 1904 1987 was one of the most influential theologians of the twentieth century distinguished for his pioneering work in ecology and for his preeminence as a preacher He gave both the Beecher Lectures at Yale and the Noble Lectures at Harvard As the preacher s theologian Sittler approached the interpretation of Scripture with a clear understanding of current critical scholarship but also in the freedom of the gospel at the center of Scripture and with the humility of a theologian of the cross In following the trajectory of the text into the preaching situation he gave a lively timeless and eloquent expression to the fact that the interpretation of texts is in the service of proclamation This collection of readings from Sittler s rich legacy contains a great many presentations and sermons that have never before appeared in print Theologically serious preaching close attention to language engagement with the best of sacred and secular culture and a deep respect for the text all characteristics of Sittler s work are the sort of features that continue to edify They remain as benchmarks for good preaching even as styles and contexts evolve Homosexuality FAQs - A Christian Perspective eBook Daniel Lim & Ian Toh,□□□□□□□□

□,2022-07-22 Homosexuality is not a recent phenomenon or a newly emerged issue It exists since the ancient time despite the suppression by tradition and culture It started to surface in recent years as technology and media have developed in racing speed The society has become more open and acceptive to the topic people started to reflect on the traditional thinking on human relationship voices and discussions regarding homosexuality are getting common The word homosexuality which merely means same sex relationship in the past has evolved to LGBTQ which covers Lesbians Gays Bisexuals Transgenders and Queers nowadays Although there are more discussions do we truly understand LGBTQ How should we discern the right and wrong From Christian perspective how should see it and live with its community Does the Bible provide us the answer In the past when religions are confronted by issues of homosexuality and LGBTQ they would quickly jump into

a conclusion such as sin against the nature promiscuity unclean etc On one hand religious communities subconsciously hold different attitudes and mindsets toward LGBTQ community on the other hand media coverage and celebrity influence exalt the revolution and advocacy of LGBTQ so that people or religious bodies who hold different point of views may be labeled as conservative old fashioned traditional conventional etc Over time a gap has formed between LGBTQ and religious communities Nevertheless before we decide between the right and wrong or give people a label of unrighteousness could we jump out of the endless quarrel opposition or criticism Could we adjust our perspective to understand to observe and to contemplate the matter so that we can better serve this community and walk with them with the love of Christ while we hold on to the law and principle of God Homosexuality FAQs A Christian Perspective is a wonderful guide for Churches It helps readers to understand the issue more comprehensively find out the viewpoints of the Bible and learn how to reach out and serve LGBTQ community This book clears doubts and confusions on LGBTQ through 10 questions in the first section It tries to rebut general arguments from objective and scientific perspective In the second section it discusses LGBTQ from biblical perspective through 16 questions Lastly the editors laid out 6 questions to discuss the relation between Christians and the society on LGBTQ issue Each answer begins with quick response to give readers the key concept then followed by elaboration and more supplementary information This structure is clear and easy to follow What I appreciate the most is that it does not merely lay out a pile of data and evidence but also shares ministry tips at the end of some answers so that readers can break through the frame of merely knowledge thinking and critique and more important they can learn how to bridge the gap between the LGBTQ and us counsel and serve LGBTQ community Whether you want to know more the issue or feel the burden to serve the LGBTQ community this book is worth to read Bishop Dr Titus Chung Anglican Diocese of Singapore President National Council of Churches of Singapore Authentic Liturgical Renewal in Contemporary Perspective Uwe Michael Lang, 2017-07-27 The ongoing debates on the present state and the future of the Roman Catholic worship are not confined to specialists but are clearly of interest to a wider public as the responses to the Sacra Liturgia UK conference held in London in July 2016 have shown This volume contains the proceedings of the conference and raises the question of how to bring to fruition the insights and instructions of the Second Vatican Council and its key document on the liturgy Sacrosanctum Concilium in the life of the Church today The initial contribution from Robert Cardinal Sarah Prefect of the Congregation for Divine Worship and the Sacraments calls for a fuller implementation of Sacrosanctum Concilium Following on from this other leading figures and liturgical scholars such as Joris Geldhof David Fagerberg and Alcuin Reid examine Catholic worship from a variety of perspectives including historical pastoral social cultural and artistic themes Taken together these chapters present another crucial step along the route of authentic liturgical renewal in the contemporary world
