Love Ten Poems By Pablo Neruda:

Love Pablo Neruda,1995-06-16 Poems from the Film Il Postino The poems collected in this book are at the heart of the film Il Postino a cinematic fantasy spun from an apocryphal incident in the life of the Chilean poet and Nobel laureate Pablo Neruda Together they show why many consider Neruda to be the finest love poet of the century Few writers of any age have described the pleasures and torments of erotic love with such un sentimental directness and sensual precision Here too we find Neruda at his most accessible the language of his odes and lyrics refined to the point at which it achieves in critic Jean Franco s words the naturalness of song This short selection draws on work from throughout his writing life from the famous early collection Twenty Love Songs a Song of Despair 1924 to the key works of his maturity Residence on Earth 1935 Elemental Odes 1954 and the autobiographical Memorial de Isla Negra 1964 It offers an enticing glimpse of one of modern poetry s greatest masters

Reclaiming the Fire Clifford Mayes, Mark Grandstaff, Alexandra Fidyk, 2019-02-08

This book examines six psychological and spiritual giants that were working a half century ago whose insights are as powerful today as they were then perhaps even more so given the current corporate agenda to standardize education and thereby take the soul out of it. Indeed it is precisely because we are so aware of the impossible demands placed upon teachers these days which overtax already valiantly devoted and terribly overworked teachers and which also continue to ignore the fact that the problems children face are not a product of our schools but of our society at large that the authors have written this book. This book will help you renew your noble sense of mission so that even in these trying times for teachers you will feel more fulfilled in all that you accomplish will discover ways to renew your vision of yourself as a teacher despite all the grossly and unjustly negative things that are said about teachers and will find new ways of continue in your extremely important work.
