

LOVE & OTHER THINGS

CHELSEA GIRARD

A person with long blonde hair, wearing a light blue t-shirt and blue jeans, is lying on their back on a green lawn. Their arms are raised, and they are pointing their index fingers towards the sky. The background is a dark blue night sky filled with numerous small, bright stars. The overall mood is peaceful and contemplative.

Love as Common Ground Paul S. Fiddes,2021-09-23 This book explores the way in which the study and practice of love creates a common ground for different faiths and different traditions within the same faith For the contributors common

ground in this context is not a minimal core of belief or a lowest common denominator of faith but a space or area in which to live together consider together the meaning of the love to which various faiths witness and work together to enable human flourishing Such a space the contributors believe is possible because it is the place of encounter with the divine This book is the fruit of a Project for the Study of Love in Religion which aims to create this space in which different traditions of love converge from Islam Judaism and the Christianity of both East and West Tools employed by the contributors in exploring this space of love include exegesis of ancient texts theology accounts of mystical experience philosophy and evolutionary science of the human Insights about human and divine love that emerge include its nature as a form of knowing its sacrificial and erotic dimensions its inclination towards beauty its making of community and its importance for a just political and economic life
