Ordinary Sudan, 1504-2019 Elena Vezzadini, Iris Seri-Hersch, Lucie Revilla, Anael Poussier, Mahassin Abdul Jalil, 2023-07-24 This book starts from the premise that the study of exceptionally normal women and men as conceived by microhistory has radical implications for understanding history and politics and applies this notion to Sudan Against a historiography dominated by elite actors and international agents it examines both how ordinary people have brought about the most important political shifts in the country's history including the recent revolution in 2019 and how they have played a role in maintaining authoritarian regimes It also explores how men and women have led their daily lives through a web of ordinary worries desires and passions The book includes contributions by historians anthropologists and political scientists who often have a dual commitment to Middle Eastern and African studies While focusing on the complexity and nuances of Sudanese local lives in both the past and the present it also connects Sudan and South Sudan with broader regional global and imperial trends The book is divided into two volumes and six parts ordered thematically The first part tackles the entanglement between archives social history and power The second focuses on women's agency in history and politics from the Funj era to the recent 2018 2019 revolution Part 3 includes contributions on the history and global connections of the Sudanese armed forces In the second volume part 4 intersects the themes of urban life leisure and colonial attitudes with queerness In part 5 labour identities practices and institutions are discussed both in urban milieus and against the background of war and expropriation in rural areas Finally part 6 studies the construction of social consent under various self styled Islamic regimes as well as the emergence of alternative imaginaries and acts of citizenship in times of political openness

Secular Muslim Feminism Hind Elhinawy, 2024-12-26 For over a century Muslim women have championed their own brand of feminism rooted in human rights principles and a deep understanding of their diverse cultural contexts Yet secular Muslim feminism remains

shrouded in misunderstanding and contention This book boldly confronts the complexities and controversies surrounding this contested concept offering a nuanced exploration of its potential to bridge divides and empower women The book challenges the simplistic portrayals of Muslim women dismantling the harmful narratives of oppression and victimhood propagated by both Western and Islamist agendas It critiques the selective glorification of religious agency by some feminists recognizing how this can inadvertently reinforce patriarchal ideologies Additionally it exposes the hijacking of the secular Muslim feminist movement by the far right disguised as advocates for women's rights but fueled by anti Muslim sentiments Drawing on over two decades of personal observations and interactions with diverse organizations in the Middle East and Europe the book delves into the heart of secular Muslim feminism dissecting its nuances and potential to reconcile divergent perspectives It amplifies these voices challenging the misrepresentation and limitations imposed by external agendas Secular Muslim Feminism emerges as a bold and transformative force redefining the boundaries of equality and empowering women to shape their destinies It offers a nuanced and critical framework for understanding the complex realities of Muslim women's lives paving the way for a more just and equitable future

The Oxford Handbook of Islam and Women Asma Afsaruddin, 2023 The Oxford Handbook of Islam and Women offers authoritative contributions from well known scholars whose sophisticated and cutting edge research explores the diversity of Muslim women's lives and their accomplishments challenging common stereotypes that are particularly prevalent in the West

Forms of Fanonism Reiland Rabaka, 2010-03-08 When Frantz Fanon's critiques of racism sexism colonialism capitalism and humanism are brought into the ever widening orbit of Africana critical theory something unprecedented in the annals of Africana intellectual history happens five distinct forms of Fanonism emerge Forms of Fanonism Frantz Fanon's Critical Theory and the Dialectics of Decolonization is discursively distinguished from other engagements of Fanon's thought and texts insofar as it is the first study to consciously examine his contributions to Africana Studies and critical theory or rather the Africana tradition of critical theory Forms of Fanonism identifies and intensely analyzes Fanon's contributions to the deconstruction and reconstruction of Africana Studies radical politics and critical social theory In highlighting his unique solutions to the problems of racism sexism colonialism capitalism and humanism five distinct forms of Fanonism materialize These five forms of Fanonism allow contemporary critical theorists to innovatively explore the ways in which his thought and texts can be dialectically put to use in relieving the wretched experience of this generation's wretched of the earth Critics can also apply these forms to deconstruct and reconstruct Africana Studies radical politics and critical social theory using their anti imperialist interests Throughout Forms of Fanonism Reiland Rabaka critically dialogues with Fanon incessantly asking his corpus critical questions and seeking from it crucial answers This book in short solemnly keeps with Fanon's own predilection for connecting critical theory to revolutionary praxis by utilizing his thought and texts as paradigms and points of departure to deepen and develop the Africana tradition of critical theory

The Penguin Dictionary of Islam Azim

Nanji,2008-04-24 Islam today is a truly global faith yet it remains somewhat of an enigma to many of us Each and every day our newspapers are saturated with references to Islam Quran Taliban Hijab Fatwa Allah Sunni Jihad Shia the list goes on But how much do we really understand Are we in fact misunderstanding The Penguin Dictionary of Islam provides complete impartial answers It includes extensive coverage of the historical formations of the worldwide Muslim community and highlights key modern Muslim figures and events Understanding Islam is vital to understanding our world and this text is the definitive authority designed for both general and academic readers **A Concise History of the Middle East** Ibrahim

Al-Marashi,Arthur Goldschmidt Jr.,2018-09-03 A Concise History of the Middle East provides a comprehensive introduction to the history of this turbulent region Spanning from pre Islam to the present day it explores the evolution of Islamic institutions and culture the influence of the West modernization efforts in the Middle East the struggle of various peoples for political independence the Arab Israel conflict the reassertion of Islamic values and power the issues surrounding the Palestinian Question and the Middle East post 9 11 and post Arab uprisings The twelfth edition has been fully revised to reflect the most recent events in and concerns of the region including the presence of ISIS and other non state actors the civil wars in Syria and Yemen and the refugee crisis New parts and part timelines will help students grasp and contextualize the long and complicated history of the region With updated biographical sketches and glossary and a new concluding chapter this book remains the quintessential text for students of Middle East history Literatures of Liberalization Regenia

Gagnier,2018-11-03 This book traces the global circulation of cultures and ideologies from the technological and democratic revolutions of the long nineteenth century to liberal and neoliberal modernity Focussing on moments of coerced colonial and postcolonial and voluntary contact rather than national boundaries the author draws attention to the global scope of literatures and geopolitical commodities as actants in world affairs as in processes of liberalization democratization and trade but also to the distinctiveness of each local environment at its moments of transculturation Based in extensive experience in collaborative multilingual interdisciplinary networks the book synthesizes existing theoretical scholarship provides original case studies of world historical Victorian and modern writers and articulates a new interdisciplinary methodology for literary studies in a global context It will be of interest to Victorianists modernists comparatists political theorists translators and scholars of world literatures world ecology and globalization **Political Silence** Sophia Dingli,Thomas N.

Cooke,2018-11-12 The notion of silence in Politics and International Relations has come to imply the absence of voice in political life and as such tends to be scholastically prescribed as the antithesis of political power and political agency However from Emma Gonz les s three minutes of silence as part of her address at the March for Our Lives to Trump s attempts to silence the investigation into his campaign s alleged collusion with Russia along with the continuing revelations articulated by silence breakers of sexual harassment it is apparent that there are multiple meanings and functions of political silence all of which intersect at the nexus of power and agency Dingli and Cooke present a complex constellation of

engagements that challenge the conceptual limitations of established approaches to silence by engaging with diverse cross disciplinary analytical perspectives on silence and its political implications in the realms of environmental politics diplomacy digital privacy radical politics the politics of piety commemoration international organization and international law among others Contributors to this edited collection chart their approaches to the relationship between silence power and agency thus positing silence as a productive modality of agency While this collection promotes intellectual and interdisciplinary synergy around critical thinking and research regarding the intersections of silence power and agency it is written for scholars in politics international relations theory international political theory critical theory and everything in between

British Women Writers and the Reception of Ancient Egypt, 1840-1910 Molly Youngkin, 2016-04-29 Focusing on British women writers knowledge of ancient Egypt Youngkin shows the oftentimes limited but pervasive representations of ancient Egyptian women in their written and visual works Images of Hathor Isis and Cleopatra influenced how British writers such as George Eliot and Edith Cooper came to represent female emancipation

Medicine and Morality in Egypt Sherry Sayed Gadelrab, 2016-01-22 In Middle Eastern and Islamic societies the politics of sexual knowledge is a delicate and often controversial subject Sherry Sayed Gadelrab focuses on nineteenth and early twentieth century Egypt claiming that during this period there was a perceptible shift in the medical discourse surrounding conceptualisations of sex differences and the construction of sexuality Medical authorities began to promote theories that suggested men s innate active sexuality as opposed to women s more passive characteristics interpreting the differences in female and male bodies to correspond to this hierarchy Through examining the interconnection of medical legal religious and moral discourses on sexual behaviour Gadelrab highlights the association between sex sexuality and the creation and recreation of the concept of gender at this crucial moment in the development of Egyptian society By analysing the debates at the time surrounding science medicine morality modernity and sexuality she paints a nuanced picture of the Egyptian understanding and manipulation of the concepts of sex and gender

The Islamic Enlightenment: The Struggle

Between Faith and Reason, 1798 to Modern Times Christopher de Bellaigue, 2017-04-04 The finest Orientalist of his generation Wall Street Journal rewrites everything we thought we knew about the modern history of the Islamic world In this stylishly written surprisingly moving chronicle Harper s Christopher de Bellaigue presents an absorbing account of the political and social reformations that transformed the lands of Islam in the nineteenth and twentieth centuries The best sort of book for our disordered days Pankaj Mishra The Islamic Enlightenment is at once new fascinating and extraordinarily important Wall Street Journal as it challenges ossified perceptions in Western culture that self righteously condemn the Muslim world as hopelessly benighted This false perception belies the fact that Islamic civilization has long been undergoing its own anguished transformation and that the violence of an infinitesimally small minority is the blowback from this process In reclaiming the stories of the fascinating individuals who would grapple with reform and modernization New York Times Book Review de Bellaigue s eye opening well written and very timely Yuval Harrari history shows the folly of Westerners demanding modernity from people whose lives are already drenched in it
