Through engaging narratives and practical exercises, this book offers valuable insights into achieving a balanced, fulfilling relationship with both the self and the Divine. Throughout the book, I explore various spiritual principles and misconceptions that often hinder individuals from accessing the ever-present love and wisdom that is here for all of us. By debunking common myths, I equip readers with the tools and knowledge needed to break free from limiting beliefs and foster spiritual growth. Here's a sampling of what you will learn: The difference between getting and sharing love; The difference between self-responsibility and self-sacrifice; The difference between our true soul self and our ego-wounded self; A road map for healing loneliness by promoting self-awareness, inner healing, and personal responsibility; Healing other related conditions like anxiety, depression, shame, addictions, and relationship problems. The opposite of loneliness is not a never-ending blissful, happy, problem-free state. It is feeling alive and connected once again. The ability to feel deeply, to express the gamut of one's emotions in a healthy way, and to connect to yourself, others, and life overall to address challenges and triumphs in a way that says yes to life is the goal of this book. *The Spiritual Path to the Abundant Life- workbook* Henry Epps, 2012-09-03. *The spiritual path to the abundant life* is a book that is designed to help you make better decisions in life and to live a happier life.
