Pathways To The Present America Illinois:

Lincoln, Inc. Jackie Hogan, 2011-10-16 From Lincoln themed cocktails and waffle parlors to high tech museums and steamy romance novels the image of Abraham Lincoln so permeates the national imagination that we now find him in the unlikelyst of places In *Lincoln Inc* Jackie Hogan examines the uses and abuses of the sixteenth president in the United States today The book takes readers on a journey through the little white lies of Lincoln tourism and offers a front row seat as the martyr president is invoked in heated political debates over such issues as homosexuality abortion and the war on terror Readers enter classrooms that use an idealized Honest Abe to Lincolnize American schoolchildren And readers step into the alternate universe of Lincoln fiction that transforms the Rail Splitter by turns into a hapless time traveler a sentimental cyborg an axe wielding zombie slayer or a frontier heart throb But *Lincoln Inc* is more than a tour through the thriving Lincoln industry today Whether in staid biographies blockbuster films school pageants or sleeping pill advertisements Hogan shows how the use of the Lincoln image reveals the nation s shared fears and fascinations The book analyzes the ways we employ Lincoln today in our political ideological personal and national struggles the ways we simultaneously deify and commercially exploit him the ways he is packaged and sold in the marketplace of American ideas In learning about *Lincoln Inc* we learn about ourselves about who we think we are and who we wish we could be *The Measure of Ya' Blackness* ,

Towns and Villages of the Lower Ohio Darrel E. Bigham, 2021-12-14 America Enterprise Metropolis Cairo Rome These are a few of the grandly named villages and towns along the lower Ohio River The optimism with which early settlers named these towns reveals much about the history of American expansion Though none became the next great American city it was not for lack of ambition or entrepreneurial spirit Why didn't a major city develop on the lower Ohio What geographic economic and cultural factors caused one place to prosper and another to wither How did Evansville become the largest and most influential city in the region How did smaller cities such as Owensboro and Paducah succeed Regardless of how appealing a locale looked on the map luck fate culture and leadership all helped determine success or failure The fate of Cairo Illinois on paper an ideal site for a metropolis emphasizes the extent to which human decisions rather than physical landscape affected a town's prosperity The location of a canal or railroad terminus the construction of a factory or the activities of local boosters all mattered greatly Darrel Bigham examines these towns and villages from the 1790s when the first settlements appeared to the 1920s when the modern pattern of life associated with automobiles economic upheaval and mass culture emerged Bigham's intimate knowledge of the area offers a true sense of the towns and villages and discloses fundamental truths about the workings of the American dream **The Real America in Romance** Edwin Markham, 1912
