

PATRIARCHY

DEFINITION

In sociology, patriarchy is described as a form of social organization where cultural and institutional beliefs and values are dominated by men. This leads to male-oriented decision-making and social organization. Patriarchy literally means the "rule of the fathers" (the opposite, matriarchy, means "role of the mothers").

EXAMPLE

Patriarchal Legal system

In patriarchal societies, the laws and rules are biased towards males. Legal provisions and laws are in favor of men, which leaves women exposed. For example, a patriarchal legal system may require men to sign documents on behalf of their wives.

Patriarchal Theory

Ágost Pulszky

Patriarchal Theory:

The Patriarchal Theory John Ferguson McLennan, 1885 *Patriarchal Theory Reconsidered* Filiz Akgul, 2017-05-11 This study analyses male female violence in comparison to state citizen violence The author argues that norms and values in Turkey are a reflection of processes that accommodate oppression the intersection of which develops the argument that women are to men what the citizen is for the state in the context of Turkey Gender theory and patriarchal theory in particular are explored in this book to describe the logic and design of gender based violence and its relationship with political sociology **Feminist Theory and Literary Practice** Deborah L. Madsen, 2000-08-20 An accessible account of the varieties of feminist thought within the context of the key American texts including Kate Chopin Alice Walker and Ann Beattie

The Biblical Politics of John Locke Kim Ian Parker, 2006-01-01 John Locke is often thought of as one of the founders of the Enlightenment a movement that sought to do away with the Bible and religion and replace them with scientific realism But Locke was extremely interested in the Bible and he was engaged by biblical theology and religion throughout his life In this new book K I Parker considers Locke s interest in Scripture and how that interest is articulated in the development of his political philosophy Parker shows that Locke s liberalism is inspired by his religious vision and particularly his distinctive understanding of the early chapters of the book of Genesis Unlike Sir Robert Filmer who understood the Bible to justify social hierarchies i e the divine right of the king the first born son s rights over other siblings and the natural subservience of women to men Locke understood from the Bible that humans are in a natural state of freedom and equality to each other The biblical debate between Filmer and Locke furnishes scholars with a better understanding of Lockes political views as presented in his Two Treatises The Biblical Politics of John Locke demonstrates the impact of the Bible on one of the most influential thinkers of the seventeenth century and provides an original context in which to situate the debate concerning the origins of early modern political thought *The Patriarchal Theory* John Ferguson McLennan, 1885 **Feminist**

Interpretations and Political Theory Carole Pateman, Mary Lyndon Shanley, 1991 This volume brings together exciting and provocative new feminist readings of famous classic and contemporary texts from Plato to Habermas The collection also includes examinations of the writings of Mary Wollstonecraft and Simone de Beauvoir that are usually excluded from the works conventionally held to comprise Western political thought The essays raise fundamentally important questions about the significance of sexual difference in the great works of political theory and draw attention to neglected arguments and silences in the texts No single feminist view of either the texts or the theoretical way forward informs these essays A wide diversity of feminist approaches and theoretical frameworks are represented forming a rich variety of interpretations and argument about such questions as the patriarchal construction of central political categories the relation between public and private life and the problem of equality and difference including differences among women This refreshing and stimulating collection will be indispensable for students of political thought and offers all those interested in the connection between the

classic writings and current political discussions as accessible introduction to feminist argument **Feminist Knowledge (RLE Feminist Theory)** Sneja Gunew, 2013-05-20 The minority feminist viewpoints have often been submerged in the interests of maintaining a mainstream universal model of feminism This anthology takes into account the various differences among women while looking at the important areas of feminist struggle While sisterhood is indeed global it certainly does not mean that all women are required to submerge their specific differences and assimilate to a universal model Consequently the collection includes essays by leaders in the field of post structuralist enquiry as well as by those immersed in the new spirituality and the social consequences of recent biological research Other essays reflect the political struggles which continue to be waged with different strategies by socialist and radical feminists and the self searching analyses undertaken by feminists uneasy about their inclusion within educational institutions and the radical new interpretations of sexuality within the cultural domain The collection begins with a critique of white mainstream feminism emanating from Aboriginal women in Australia The implications of the critique indicate that there is a pervasive racism within the feminist movement

The Rise of Anthropological Theory Marvin Harris, 2001-08-14 The best known most often cited history of anthropological theory is finally available in paperback First published in 1968 Harris s book has been cited in over 1 000 works and is one of the key documents explaining cultural materialism the theory associated with Harris s work This updated edition included the complete 1968 text plus a new introduction by Maxine Margolis which discusses the impact of the book and highlights some of the major trends in anthropological theory since its original publication RAT as it is affectionately known to three decades of graduate students comprehensively traces the history of anthropology and anthropological theory culminating in a strong argument for the use of a scientific behaviorally based etic approach to the understanding of human culture known as cultural materialism Despite its popularity and influence on anthropological thinking RAT has never been available in paperback_ until now It is an essential volume for the library of all anthropologists their graduate students and other theorists in the social sciences **The Theory of Law and Civil Society** Ágost Pulszky, 1888 **Political Theory**

Eddy Asirvatham | KK Misra, 1995 This text is a classic in Indian political literature as the original author belongs to the Idealist school of great political thinkers such as T H Green and Bosanquet It is a comprehensive treatise on basic structure of established political theories be it Bosanquet s idealistic theory of the State to liberal and anti idealist view as expressed by L T Hobhouse to the Marxian theory of the State The textbook follows an ideological approach where it rejects the attitude of those behaviouralists who place undue emphasis on methods techniques and skills rather than on first principles and value judgements it is developed for the undergraduate students of Political Science Pass and honours courses Aspirants of various competitive examinations such as Civil Services Examination and state public service commission examinations will also find the book extremely useful **The Roots of Patriarchy** Ilenia Ruggiu, 2024-10-28 By combining legal and genealogical methodologies this book describes the origin decline resurgence and metamorphosis of patriarchy in the West The book

provides the reader with a unified tool for understanding what patriarchy is its dynamics and its main features The reader will find a guide with which to navigate the dozens of definitions and theories of patriarchy and will better understand why despite the proclamations of formal Constitutions of the equality of the sexes the gender gap in the West is still high Approaching patriarchy both as a concept and as a social fact the book shows how patriarchy lay at the Jewish Greek Roman roots of Western civilization how for millennia it was perceived as a benevolent function for social and political life and how feminism reversed this benevolent narrative By reconstructing how patriarchy has been theorized in several disciplines and historical times the book reflects on what has been done and remains to be done to de patriarchalize the West It will be a valuable resource for academics researchers and students in Women s Studies Gender Studies Constitutional Law Cultural Studies Religious Studies and Anthropology

Routledge Library Editions: Feminist Theory Various,2021-04-28
Routledge Library Editions Feminist Theory brings together as one set or individual volumes a series of previously out of print classics from a variety of academic imprints With titles ranging from *The Liberation of Women* to *Feminists and State Welfare* from *Married to the Job* to *Julia Kristeva* this set provides in one place a wealth of important reference sources from the diverse field of gender studies

Developing Ecofeminist Theory E. Cudworth,2005-09-08 An original exploration of how the relationship between society and nature is conceptualized focusing on theories of social exclusion and difference A comprehensive overview of feminist and environmental theories of society environment relations considering the range of theoretical and political influences on such theorizing such as socialist and Marxist theory amongst others and the turn to post structuralism and postmodernism within the social sciences Cudworth also develops her own theoretical account for the interrelations between forms of social domination and contributes to important debates with sociology social theory feminist theory and environmentalism

Ashgate Critical Essays on Women Writers in England, 1550-1700 Mihoko Suzuki,2020-07-24 Until recently Anne Clifford has been known primarily for her *Knole Diary* edited by Vita Sackville West which recounted her steadfast resistance to the most authoritative figures of her culture including James I as she insisted on her right to inherit her father s title and lands Lucy Hutchinson was known primarily as the biographer of her husband a Puritan leader during the English Civil Wars The essays collected here examine not only these texts but in Clifford s case her architectural restorations and both the *Great Book* which she had compiled and the *Great Picture* which she commissioned in order to explore the identity she fashioned for herself as a property owner matriarchal head of her family patron and historian In Hutchinson s case recent scholars have turned their attention to her poetry her translation of Lucretius and her biblical epic *Order and Disorder* to analyze her contributions to early modern scientific and political writing and to place her work in relation to Milton s *Paradise Lost*

Political Theory VD Mahajan,2006 This is new edition contains a comprehensive study of the subject with the latest thinking by the political scientists of thw world today

The Sexual Contract Carole Pateman,2018-06-05 Carole Pateman is one of the foremost political theorists writing in English today In

this outstanding new work she presents a major reinterpretation of modern political theory She shows how standard discussions of social contract theory tell only half the story The sexual contract which establishes modern patriarchy and the political right of men over women is never mentioned In a wide ranging and scholarly discussion Pateman examines the significance of the political fictions of the original contract and the slave contract She also offers a sweeping challenge to conventional understandings of both left and right of actual contracts in everyday life the marriage contract the employment contract the prostitution contract and the new surrogacy contract By bringing a feminist perspective to bear on the contradictions and paradoxes surrounding women and contract and the relation between the sexes she is able to shed new light on the fundamental problems of freedom and subordination The Sexual Contract will become a classic text in the politics of gender and will be of major interest to students of social and political theory and philosophy women s studies sociology and jurisprudence

POLITICAL SCIENCE-I, 2025-08-19 TP LAW SOLVED SERIES For LL B Bachelor of Law 5 Years Integrated Course First Semester Students of University of Lucknow

Feminism And Philosophy Nancy Tuana, Rosemarie Putnam Tong, 2018-02-06 The past twenty years have seen an explosion of work by feminist philosophers and several surveys of this work have documented the richness of the many different ways of doing feminist philosophy But this major new anthology is the first broad and inclusive selection of the most important work in this field There are many unanswered questions about the future of feminist philosophy Which of the many varieties of feminist philosophy will last and which will fade away What kinds of accommodations will be possible with mainstream non feminist philosophy Which will separate themselves and flourish on their own To what extent will feminists change the topics philosophers address To what extent will they change the very way in which philosophy is done However these questions are answered it is clear that feminist philosophy is having and will continue to have a major impact on the discipline of philosophy This volume is the first to allow the scholar the student and other interested readers to sample this diverse literature and to ponder these questions for themselves Organized around nine traditional types of feminist philosophy

Feminism and Philosophy is an imaginatively edited volume that will stimulate readers to explore many new pathways of understanding It marks a defining moment in feminist philosophy and it will be an essential text for philosophers and for feminist theorists in many other fields

The London and Westminster Review, 1883

Sourcebook on Feminist Jurisprudence Hilaire Barnett, 2012-10-02 This book is a comprehensive analysis of the relationship between feminist theories and the law and the way in which developments of the former have affected and been affected by the latter The book takes as its starting point a study of women and culture on an international level which demonstrates how religious and cultural influences have been fundamental in establishing contemporary legal and social mores This provides the setting for an investigation into legal and social discrimination and inequality and how this has been addressed by the emergence of feminism A number of critiques and developments are examined

Whispering the Strategies of Language: An Psychological Journey through **Patriarchal Theory**

In a digitally-driven world wherever displays reign supreme and immediate communication drowns out the subtleties of language, the profound techniques and emotional nuances concealed within phrases often move unheard. Yet, situated within the pages of **Patriarchal Theory** a charming fictional value sporting with organic thoughts, lies a fantastic journey waiting to be undertaken. Composed by an experienced wordsmith, that charming opus invites readers on an introspective journey, lightly unraveling the veiled truths and profound affect resonating within the very fabric of every word. Within the mental depths of the moving evaluation, we will embark upon a heartfelt exploration of the book is primary themes, dissect its captivating writing style, and yield to the effective resonance it evokes deep within the recesses of readers hearts.
