Patriarchalism In Political Thought:

Patriarchalism in Political Thought Gordon J. Schochet, 1975-01-01 **The Authoritarian Family and Political Attitudes in 17Th-Century England** Gordon J. Schochet, Available for the first time in paperback this classic study of the relationship between paternal and political authority identifies patriarchalism as a leitmotif of western social and political thought since the time of Plato and Aristotle Gordon Schochet shows that patriarchal doctrines can be found in the writings of all major political theorists from Plato to Bodin and that almost every significant political thinker in the seventeenth century England acknowledged and addressed patriarchalism In the Stuart period patriarchalism was the primary alternative to social contract and populist justifications of political authority Moreover patriarchal power was a major presupposition of those very doctrines that were offered in opposition to it The author demonstrates that the ideological social structural and philosophic roots of the patriarchal tradition are deeply embedded in the political consciousness and practices of Western Europe In earlier political thought familial doctrines provided anthropological accounts of the origins of political order whereas in the Stuart period patriarchalism was primarily a justification of political obligation Analyzing these essential differences Professor Schochet offers a number of sociological and virtual disappearance of patriarchal conceptions of obligations during the seventeenth century Untangling the patriarchal theory he shows that it comported well with the implicit ideology and everyday life of the masses and was fully consistent with the level of historical awareness of the early modern period The final chapter traces the ultimate demise of patriarchalism in the eighteenth century and its transformation back into a theory of political origins In addition the author discusses a number of important questions about the nature of political theory how its historical documents may be analyzed and the resort to symbols in political discourse

Patriarchalism Political Thgh Gordon J. Schochet, 1975-09-22 Literature and the Politics of Family in Seventeenth-Century England Su Fang Ng, 2007-01-25 A common literary language linked royal absolutism to radical religion and republicanism in seventeenth century England Authors from both sides of the Civil Wars including Milton Hobbes Margaret Cavendish and the Quakers adapted the analogy between family and state to support radically different visions of political community They used family metaphors to debate the limits of political authority rethink gender roles and imagine community in a period of social and political upheaval While critical attention has focused on how the common analogy linking father and king family and state bolstered royal and paternal claims to authority and obedience its meaning was in fact intensely contested In this wide ranging study Su Fang Ng analyses the language and metaphors used to describe the relationship between politics and the family in both literary and political writings and offers a fresh perspective on how seventeenth century literature reflected as well as influenced political thought **John Locke's Political Philosophy and the Hebrew Bible** Yechiel M. Leiter, 2018-06-28 John Locke whose ideas helped give birth to the United States predicated his political theory on the Hebrew Bible Why Feminist Interpretations of John Locke Nancy J. Hirschmann, Kirstie M.

McClure,2010-11-01 This collection considers one of the most important figures of the modern canon of political philosophy John Locke A physician by training and profession Locke not only wrote one of the most important and well known treatises of the modern canon but also made important contributions in the areas of seventeenth century law and public policy epistemology philosophy of language religion and economics There has been a long standing debate in feminist scholarship on Locke as to whether this early founder of modern liberal thought was a strong feminist or whether he ushered in a new and uniquely modern form of sexism The essays grapple with this controversy but also move beyond it to the meaning of gender the status of femininity and masculinity and how these affect Locke s construction of the state and law The volume opens with three of the early classic feminist essays on Locke and follows them with reflective essays by their original authors that engage Locke with issues of globalization and international justice Other essays examine Locke s midwifery notes his treatise on education his writings on Christianity his contributions to poor law policy his economic writings and his Essay Concerning Human Understanding In addition to essays by leading feminist theorists the volume also includes essays by some leading Locke scholars for whom gender is not normally a primary focus so that the volume should speak to a wide range of scholarly interests and concerns Besides the editors the contributors are Teresa Brennan Melissa Butler Terrell Carver Carole Pateman Carol Pech Gordon Schochet Mary Lyndon Shanley Jeremy Waldron Joanne Wright and Linda Zerilli

Contemporary Political Philosophy Robert E. Goodin,Philip Pettit,2005-09-23 This authoritative collection of the seminal texts in post war political philosophy has now been updated and expanded Reprints key articles mainly unabridged touching upon the nature of the state democracy justice rights liberty equality and oppression Includes work from politics law and economics as well as from continental and analytic philosophy Now includes thirteen additional texts taking account of recent developments in the field and reflecting the most pressing concerns in international affairs Can be used alongside A Companion to Contemporary Political Philosophy Blackwell Publishing 1993 second edition in preparation as the basis for a systematic introduction to the subject **Feminist Interpretations and Political Theory** Carole Pateman,Mary Lyndon Shanley,1991 This volume brings together exciting and provocative new feminist readings of famous classic and contemporary texts from Plato to Habermas The collection also includes examinations of the writings of Mary Wollstonecraft and Simone de Beauvoir that are usually excluded from the works conventionally held to comprise Western political thought The essays raise fundamentally important questions about the significance of sexual difference in the great works of political theory and draw attention to neglected arguments and silences in the texts No single feminist view of either the texts or the theoretical way forward informs these essays A wide diversity of feminist approaches and theoretical frameworks are represented forming a rich variety of interpretations and argument about such questions as the patriarchal construction of central political categories the relation between public and private life and the problem of equality and difference including differences among women This refreshing and stimulating collection will be indispensable for students of political thought

and offers all those interested in the connection between the classic writings and current political discussions as accessible introduction to feminist argument

The Disorder of Women Carole Pateman, 1989 Carole Pateman is one of the leading political theorists writing today This wide ranging volume brings together for the first time a selection of her work on democratic theory and feminist criticism of mainstream political theory The volume includes substantial discussions of problems of democracy citizenship and the welfare state including the largely unrecognized difficulties surrounding women's participation The inclusion of essays from both a mainstream and feminist perspective provides concrete examples of the differences between these two approaches to democracy to questions of consent and political obligation and to the relationship between the private and public spheres This scholarly and highly challenging work will be of interest to students and researchers in political theory political science women's studies and sociology

Gender, Sex and Subordination in England, 1500-1800 Anthony Fletcher, 1995-01-01 Fletcher's account draws from a vast range of sources literary medical religious and historical to investigate the mechanisms through which men and women interpreted and understood their social worlds He explores the early modern view of the body of sexual desire and appetites and of gender difference He looks at the nature of marital relationships and shows how subordination was implemented and consolidated through church school home and community And he exposes patriarchy's tragic consequences smothered opportunity crushed sexuality and a pall across many women's lives

Gendering the Renaissance Commonwealth Anna Becker, 2020-01-02 The civic and the domestic in Aristotelian thought Friendship concord and Machiavellian subversion Jean Bodin and the politics of the family Inclusions and exclusions Sovereign men and subjugated women The invention of a tradition Conclusion from wives to children from husbands to fathers

Living Texts Kristin A. Pruitt, Charles Durham, Charles W. Durham, 2000 The essays in this collection are a testimony to Milton's claim that books do contain a potency of life in them to be as active as that soul was whose progeny they are They are proof that Milton's progeny whether poetry or prose continue to inspire readers to investigate and interpret and that even the poet himself is at times the subject of scrutiny Although these essays examine issues as widely diverse as the reliability of Adam's narration to Raphael and the portrayal of chaos in *Paradise Lost* to the poet's role as an object of erotic attention in the nineteenth century all suggest that Milton's are still living texts

Feminist Interpretations of Thomas Hobbes Nancy J. Hirschmann, Joanne H. Wright, 2015-06-29 *Feminist Interpretations of Thomas Hobbes* features the work of feminist scholars who are centrally engaged with Hobbes's ideas and texts and who view Hobbes as an important touchstone in modern political thought Bringing together scholars from the disciplines of philosophy history political theory and English literature who embrace diverse theoretical and philosophical approaches and a range of feminist perspectives this interdisciplinary collection aims to appeal to an audience of Hobbes scholars and nonspecialists alike As a theorist whose trademark is a compelling argument for absolute sovereignty Hobbes may seem initially to have little to offer twenty first century feminist thought Yet as the contributors to this collection

demonstrate Hobbesian political thought provides fertile ground for feminist inquiry Indeed in engaging Hobbes feminist theory engages with what is perhaps the clearest and most influential articulation of the foundational concepts and ideas associated with modernity freedom equality human nature authority consent coercion political obligation and citizenship

Aside from the editors the contributors are Joanne Boucher Karen Detlefsen Karen Green Wendy Gunther Canada Jane S Jaquette S A Lloyd Su Fang Ng Carole Pateman Gordon Schochet Quentin Skinner and Susanne Sreedhar **The Politics**

of Opera in Handel's Britain Thomas McGeary,2013-04-25 Thomas McGeary s book explores the relationship between Italian opera and British partisan politics in the era of George Frideric Handel Feminism And Philosophy Nancy

Tuana,2018-02-06 The past twenty years have seen an explosion of work by feminist philosophers and several surveys of this work have documented the richness of the many different ways of doing feminist philosophy But this major new anthology is the first broad and inclusive selection of the most important work in this field There are many unanswered questions about the future of feminist philosophy Which of the many varieties of feminist philosophy will last and which will fade away What kinds of accommodations will be possible with mainstream non feminist philosophy Which will separate themselves and flourish on their own To what extent will feminists change the topics philosophers address To what extent will they change the very way in which philosophy is done However these questions are answered it is clear that feminist philosophy is having and will continue to have a major impact on the discipline of philosophy This volume is the first to allow the scholar the student and other interested readers to sample this diverse literature and to ponder these questions for themselves

Organized around nine traditional types of feminist philosophy Feminism and Philosophy is an imaginatively edited volume that will stimulate readers to explore many new pathways of understanding It marks a defining moment in feminist philosophy and it will be an essential text for philosophers and for feminist theorists in many other fields **Locke:**

Political Writings John Locke,2003-03-15 John Locke s Second Treatise of Government c 1681 is perhaps the key founding liberal text A Letter Concerning Toleration written in 1685 a year when a Catholic monarch came to the throne of England and Louis XVI unleashed a reign of terror against Protestants in France is a classic defense of religious freedom Yet many of Locke s other writings not least the Constitutions of Carolina which he helped draft are almost defiantly anti liberal in outlook This comprehensive collection brings together the main published works excluding polemical attacks on other people s views with the most important surviving evidence from among Locke s papers relating to his political philosophy David Wootton s wide ranging and scholarly Introduction sets the writings in the context of their time examines Locke s developing ideas and unorthodox Christianity and analyzes his main arguments The result is the first fully rounded picture of Locke s political thought in his own words George Washington and Political Fatherhood Heinz Tschachler,2020-02-20 More than

two hundred years after his death George Washington is still often considered the metaphorical father of the United States He was first known as the Father of His Country during his lifetime when the American people bestowed the title upon him

as a symbolic act of resistance and rebirth Since then presidents have stood as paternal figureheads for America often serving as moral beacons This book tracks political fatherhood throughout world history from the idea of the pater patriae in Roman antiquity to Martin Luther s Bible translations and beyond Often using George Washington as a paradigm the author explores presidential iconography in the U S propaganda and the role of paternal rhetoric in shaping American sociopolitical history including the results of the 2016 presidential election Cosmic Harmony and Political Thinking in Early Stuart England James Daly,1979 This is a print on demand edition of a hard to find publication *Ashgate Critical Essays on Women Writers in England, 1550-1700* Mihoko Suzuki,2020-07-24 Until recently Anne Clifford has been known primarily for her Knole Diary edited by Vita Sackville West which recounted her steadfast resistance to the most authoritative figures of her culture including James I as she insisted on her right to inherit her father s title and lands Lucy Hutchinson was known primarily as the biographer of her husband a Puritan leader during the English Civil Wars The essays collected here examine not only these texts but in Clifford s case her architectural restorations and both the Great Book which she had compiled and the Great Picture which she commissioned in order to explore the identity she fashioned for herself as a property owner matriarchal head of her family patron and historian In Hutchinson s case recent scholars have turned their attention to her poetry her translation of Lucretius and her biblical epic Order and Disorder to analyze her contributions to early modern scientific and political writing and to place her work in relation to Milton s Paradise Lost **Shakespeare and the Political Way** Elizabeth Frazer,2020-08-30 Studies of Shakespeare and politics often ask the question whether his dramas are on the side of aristocratic or monarchical sovereign authority or are on the side of those who resist whether he endorses a standard view of male and patriarchal authority or whether his cross dressing heroines put him among feminist thinkers Scholars also show that Shakespeare s representations of rule revolt and arguments about laws and constitutions draw on and allude to stories and real events that were contemporaneous for him as well as historical ones Building on scholarship about Shakespeare and politics this book argues that Shakespeare s representations and stagings of political power sovereignty resistance and controversy are more complex The merits of political life as opposed to life governed by monetary exchange religious truth supernatural power military heroism or interpersonal love are rehearsed in the plots And the clashing and contradictory meanings of politics its association with free truthful speech but also with dishonest hypocrisy with open action and argument as much as occult behind the scenes manoeuvring are dramatized by him to show that although violence lies and authoritarianism do often win out in the world there is another kind of politics and a political way that we would do well to follow when we can The book offers original readings of the characters and plots of Shakespeare s dramas in order to illustrate the subtlety of his pictures of political power how it works and what is wrong and right with it

Recognizing the quirk ways to get this ebook **Patriarchalism In Political Thought** is additionally useful. You have remained in right site to start getting this info. get the Patriarchalism In Political Thought link that we offer here and check out the link.

Patriarchalism In Political Thought Introduction

In the digital age, access to information has become easier than ever before. The ability to download Patriarchalism In Political Thought has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Patriarchalism In Political Thought has opened up a world of possibilities. Downloading Patriarchalism In Political Thought provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Patriarchalism In Political Thought has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Patriarchalism In Political Thought. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Patriarchalism In Political Thought. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Patriarchalism In Political Thought, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability

to download Patriarchalism In Political Thought has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Patriarchalism In Political Thought Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
