Five well known architects who studied together in Ghent Marie Jos Van Hee Christian Kieckens Marc Dubois Paul
Robbrecht and Hilde Daem can be considered as leading protagonists of their generation From their education at Sint Lucas
Institute and the Academy of Fine Arts to the present day their professional careers and legacy have been of great
importance to the development of Flemish architecture In their early works and writings they established a distinct
architectural language rooted in historical knowledge and with a reflection to art and craftsmanship Architecture was singled
out as a spatial phenomenon with an autonomous logic grounded in inhabitation and experience This generation represents a
significant turn towards architectural autonomy in Flanders which resonated with similar international developments in the
late 1970s Moreover they played a decisive role in the emancipation and professionalization of the architectural culture in
Flanders With contributions by Birgit Cleppe Ghent University Sofie De Caigny CVAa Maarten Delbeke Ghent University
