Morton O. Childress

Patrolman Police Department:

Patrolman, Police Department Joseph A. Murray, 1953 **Providence Police Department** Paul Campbell, John Glancy, George Pearson, 2014-07-14 The Providence Police Department has served New England's second largest city from its beginnings in 1651 with the appointment of a town sergeant to today's force of nearly 500 men and women. Officially established in 1864, policing in Providence has changed considerably from the days of night watchmen armed with handheld rattle alarms and nightsticks. Whether quelling the violent street riots of 1914, enforcing Prohibition, or fighting the New England mob, the PPD has evolved to meet the complex challenges posed by the city. It also boasts a history of leadership among the nation's law enforcement agencies, being among the first to incorporate women into the department's ranks, create innovative campaigns to reduce traffic fatalities, and pioneer the use of trained canines to aid in police work. Today, cutting edge telecommunications and forensic analysis in crime fighting continue to protect the city of nearly 178,000. **Detroit Police Department** Lt. Stephen W. White, Charles Wilson, Officer Michael Woody, 2008 Since its inception in 1865, the Detroit Police Department has been a trailblazer and pioneer in adopting revolutionary advances in law enforcement that are essential to policing today. The Detroit Police Department was among the first police departments to put its officers on bicycles and developed one of the earliest motorized forces using motorcycles, ultimately becoming the first department to utilize Harley Davidson motorcycles. Of its firsts, arguably the most important and synonymous with the city of Detroit, being recognized as the Automotive Capital of the World, is the department's deployment of its first patrol car in 1909. This photographic book highlights the Detroit Police Department's rich history, resplendent with groundbreaking advancements in the field of law enforcement. Over the years, many of the issues that proved challenging to large metropolitan cities, such as urban unrest, school busing, labor disputes, crime, and poverty, also produced challenges for the department. This book illustrates how the department met those challenges and continued to serve its community with the utmost professionalism, respect, and pride. The vision of the Detroit Police Department is building a safer Detroit through community partnerships, with the unquestioned dedication and hard work exhibited by Detroit's finest. This vision has become a reality. *Louisville Division of Police* Morton O. Childress, 2005 **The City Record**, 1901 **Criminal Justice Agencies in Region 2** United States.
