Patrons Devotees And Goddebes:

Patrons, Devotees, and Goddesses Masakazu Tanaka,1997 Unconventional Warfare in South Asia, 1947 to the Present Kaushik Roy,2017-03-02 Unconventional war is an umbrella term which includes insurgencies counter insurgencies terrorism and religious conflicts Insurgencies and communal conflicts have become much more common in this region since 1947 and more people have died in South Asia due to unconventional wars than conventional warfare The essays in this volume are organized in two sections While the first section deals with insurgencies counter insurgencies and terrorism the second section covers the religious aspects of the various intra state conflicts which mar the multi ethnic societies of South Asia Heritage and Change Damaris Lüthi,2023-06-21 The focus of this book is on the first generation Sri Lankan Tamil diaspora in Berne Switzerland During the Sri Lankan civil war tens of thousands of Tamil refugees migrated to Switzerland For decades they hoped for a return to their desired own state Tamil Nadu and strove to preserve their social ties and home culture At the core of their identity was the Tamil language They essentialized their values as part of the patriotic project of an independent Tamil state Swiss culture was seen as incompatible with Tamil ideals The second generation socialized in the host country tended to adopt both cultures After the defeat of the Tamil Tigers and the end of the war in 2009 the vision of a return to the homeland was shattered Ten years later the first generation Swiss Tamils have little desire to return to a country where all their relatives have left or died and where the situation is seen as unsafe The elderly Tamils seem prepared to spend their old age in the Swiss exile the homeland of their children *Women's Authority and Leadership in a Hindu Goddess Tradition* Nanette R. Spina,2017-02-28 This book investigates women's ritual authority and the common boundaries between religion and notions of gender ethnicity and identity Nanette R Spina situates her study within the transnational Melmaruvathur Adhiparasakthi movement established by the Tamil Indian guru Bangaru Adigalar One of the most prominent defining elements of this tradition is that women are privileged with positions of leadership and ritual authority This represents an extraordinary shift from orthodox tradition in which religious authority has been the exclusive domain of male Brahmin priests Presenting historical and contemporary perspectives on the transnational Adhiparasakthi organization Spina analyzes women's roles and means of expression within the tradition The book takes a close look at the Adhiparasakthi society in Toronto Canada a Hindu community in both its transnational and diasporic dimensions and how this Canadian temple has both shaped and demonstrated their own diasporic Hindu identity The Toronto Adhiparasakthi society illustrates how Goddess theology women's ritual authority and inclusivity ethics have dynamically shaped the identity of this prominent movement overseas Based on years of ethnographic fieldwork the volume draws the reader into the rich textures of culture community and ritual life with the Goddess **Major World Religions** Lloyd Ridgeon,2003-12-08 This book focuses upon those religions that continue to demand the attention of the Western world *The Neighborhood of Gods* William Alison,2018-12-10 There are many holy cities in India but Mumbai is not usually considered one of them More popular

images of the city capture the world's collective imagination as a Bollywood fantasia or a slumland dystopia. Yet for many if not most people who live in the city the neighborhood streets are indeed shared with local gods and guardian spirits. In *The Neighborhood of Gods* William Elison examines the link between territory and divinity in India's most self-consciously modern city. In this densely settled environment space is scarce and anxiety about housing is pervasive. Consecrating space first with impromptu displays and then eventually with full-blown temples and official recognition is one way of staking a claim. But how can a marginalized community make its gods visible and therefore powerful in the eyes of others? *The Neighborhood of Gods* explores this question bringing an ethnographic lens to a range of visual and spatial practices from the shrine construction that encroaches on downtown streets to the tribal art practices of an indigenous group facing displacement to the work of image production at two Bollywood film studios. A pioneering ethnography, this book offers a creative intervention in debates on postcolonial citizenship, urban geography and visuality in the religions of India.

Landscapes of Urban Memory Smriti Srinivas, A rich analysis of religion, civic life and global transformation in India. Established in the middle of the sixteenth century, Bangalore has today become a center for high technology research and production, the new Silicon Valley of India, with a metropolitan population approaching six million. It is also the site of the very popular annual performance called the Karaga, dedicated to Draupadi, the polyandrous wife of the heroes of the pan-Indian epic of the Mahabharata. Through her analysis of this performance and its significance for the sense of the civic in Bangalore, Smriti Srinivas shows how constructions of locality and globality emerge from existing cultural milieus and how articulations of the urban are modes of cultural self-invention tied to historical spatial, somatic and ritual practices. The book highlights cultural practices embedded in urbanization and moves beyond economic arguments about globalization or their reliance on the European polis or the American metropolis as models. Drawing from urban studies, sociology, anthropology, performance studies, religion and history, *Landscapes of Urban Memory* greatly expands our understanding of how the civic is constructed.

Historical Dictionary of Sri Lanka Patrick Peebles, 2015-10-22 Sri Lanka has had a celebrated history, a long colonial past and since independence in 1948 has passed through a series of crises and political experiments. It has had a remarkable record of voters turning out, unpopular governments often by sweeping margins. On 8 January 2015 voters again performed this feat when Maithripala Sirisena, representing a coalition of disparate parties, defeated Mahinda Rajapaksa for the presidency. Rajapaksa was turning the nation away from its democratic heritage towards authoritarianism and militarism. Independent Sri Lanka's economy stagnated for decades before it began to grow in the 1980s. It has had significant economic growth since the end of the 26-year war against the separatist Liberation Tigers of Tamil Eelam (LTTE) in 2009. Although reconciliation between the Sinhalese Buddhist majority and Hindu, Muslim and Christian minorities seems distant, prospects for Sri Lanka seem better than they have been for decades. *The Historical Dictionary of Sri Lanka* contains a chronology, an introduction, appendixes and an extensive bibliography. The dictionary section has over 700 cross-referenced entries on

important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Sri Lanka **War Magic** Douglas Farrer,2016-09-01 This compelling volume explores how war magic and warrior religion unleash the power of the gods demons ghosts and the dead Documenting war magic and warrior religion as they are performed in diverse cultures and across historical time periods this volume foregrounds embodiment practice and performance in anthropological approaches to magic sorcery shamanism and religion The authors go beyond what magic represents to consider what magic does From Chinese exorcists Javanese spirit siblings and black magic in Sumatra to Tamil Tiger suicide bombers Chamorro spiritual re enchantment tantric Buddhist war magic and Yanomami dark shamans religion and magic are re evaluated not just from the practitioner s perspective but through the victim s lived experience These original investigations reveal a nuanced approach to understanding social action innovation and the revitalization of tradition in colonial and post colonial societies undergoing rapid social transformation

Rising India and Indian Communities in East Asia K Kesavapany,A Mani,P Ramasamy,2008 This edited volume containing thirty five chapters focuses on three main contemporary issues the phenomenon of new Indians in the past five decades the impact of rising India on settled Indian communities and the recent migrants By examining these interrelated aspects this study seeks to address questions like what does Rising India mean to Indian communities in East Asia How are members of Indian communities responding to India s rise Will India pay greater attention to people of **Everyday Ethnicity in Sri Lanka** Daniel Bass,2013 Focusing on notions of diaspora identity and agency this book examines ethnicity in war torn Sri Lanka It highlights the historical development and negotiation of a new identification of Up country Tamil amidst Sri Lanka s violent ethnic politics Over the past thirty years Up country Indian Tamils generally have tried to secure their vision of living within a multi ethnic Sri Lanka not within Tamil Eelam the separatist dream that ended with the civil war in 2009 Exploring Sri Lanka within the deep history of colonial era South Asian plantation diasporas the book argues Up country Tamils form a diaspora next door to their ancestral homeland It moves beyond simplistic Sinhala Tamil binaries and shows how Sri Lanka s ethnic troubles actually have more in common with similar battles that diasporic Indians have faced in Fiji and Trinidad than with Hindu Muslim communalism in neighbouring India Pakistan and Bangladesh Shedding new light on issues of agency citizenship displacement and re placement within the formation of diasporic communities and identities this book demonstrates the ways that culture workers including politicians trade union leaders academics and NGO workers have facilitated the development of a new identity as Up country Tamil It is of interest to academics working in the fields of modern South Asia diaspora violence post conflict nations religion and ethnicity **Missionary Tropics** Ines G. Županov,2005 A provocative contribution to the history of early modern Euro Asian interactions that provides new perspectives on the encounter between Catholicism and Hinduism in India **Between the Sea and the Sky** P. T. Mathew SJ,2020-05-05 Between the Sea and the Sky is an inquiry into the religious world of a traditional fishing community on the Southwest coast

of India It explores the vital role religious and spiritual beliefs play in sustaining people in such a precarious even deadly occupation Despite periodic natural calamities and the extreme challenges that accompany their everyday lives a remarkable spirit of resilience is evident in this coastal community Using the concept of lived religion Mathew explores the theological religious and spiritual contours of this remarkable community and draws from them broader insights into the nature of belief

The Hmong of China Nicholas Tapp, 2021-10-11 This first ethnography of the Hmong in China is based on Nicholas Tapp's extensive fieldwork in a Hmong village in Sichuan Basing his analysis on the concepts of context and agency Tapp discusses the paradoxical ambivalence at the heart of Hmong culture A paradox arises in the historical and ethnographic construction of the identity of the Hmong by conscious contrast with and in opposition to a majority Han Chinese identity at the same time that large parts of Hmong culture are shared with the Chinese and may be the results of historical processes of adoption absorption mimesis or emulation Tapp examines the Hmong rituals of shamanism ancestral respect and death and provides details on livelihood kinship local organization and intellectual culture The book is enhanced with thorough accounts of ceremonies rituals and folktales with translations of Hmong songs and stories This publication has also been published in paperback no longer available

Modernity and Spirit Worship in India Miho Ishii, 2019-11-06 This book investigates the entangled relations between people's daily worship practices and their Umwelt in South India Focusing on the practices of spirit b ta worship in the coastal area of Karnataka it examines the relationship between people and deities Based on extensive fieldwork this book links important anthropological theories on personhood perspectives transactions and gift exchanges together with the Gestaltkreis theory of Viktor von Weizsäcker First it examines the relations between b ta worship and land tenure matriliney and hierarchy in the society It then explores the reflexive relationship between modern law and current practices based on conventional law before examining new developments in b ta worship with the rise of mega industries and environmental movements Furthermore this book sheds light on the struggles and endeavours of the people who create and recreate their relations with the realm of sacred wildness as well as the formations and transformations of the Umwelt in perpetual social political transition *Modernity and Spirit Worship in India* will be of interest to academics in the field of anthropology religious studies and the dynamics of

religion and South Asian Culture and Society Untouchable S. M. Michael, 1999 Exploring the enduring legacy of untouchability in India this book challenges the ways in which the Indian experience has been represented in Western scholarship The authors introduce the long tradition of Dalit emancipatory struggle and present a sustained critique of academic discourse on the dynamics of caste in Indian society Case studies complement these arguments underscoring the perils and problems that Dalits face in a contemporary context of communalized politics and market reforms **Religion and Society** Gerrie Ter Haar, Yoshio Tsuruoka, 2007 Religion is a driving force of the twenty first century Here is a book that discusses every aspect of this fascinating subject proposing an agenda for future study The authors are leading scholars from all over the world **The Musical Gift** Jim Sykes, 2018-08-31 The Musical Gift tells Sri Lanka's music history as a story of giving between humans and nonhumans and between populations defined by difference Author Jim Sykes argues that in the recent past the genres we recognize today as Sri Lanka's esteemed traditional musics were not originally about ethnic or religious identity but were gifts to gods and people intended to foster protection and or healing Noting that the currently assumed link between music and identity helped produce the narratives of ethnic difference that drove Sri Lanka's civil war 1983-2009 Sykes argues that the promotion of connected music histories has a role to play in post war reconciliation The Musical Gift includes a study of how NGOs used music to promote reconciliation in Sri Lanka and it contains a theorization of the relations between musical gifts and commodities Eschewing a binary between the gift and identity Sykes claims the world's music history is largely a story of entanglement between both paradigms Drawing on fieldwork conducted widely across Sri Lanka over a span of eleven years including the first study of Sinhala Buddhist drumming in English and the first ethnography of music making in the former warzones of the north and east this book brings anthropology's canonic literature on the gift into music studies while drawing on anthropology's recent ontological turn and the new materialism in religious studies **Unity and Diversity** Tao Tao Liu, David Faure, 1996-03-01 This book examines the evolution of the local identity in China from historical times to the present day It traces the expression of local identity in religion and myth in the construction of the provincial character in the growth of cities in literature in economic development and in the expansion of the Chinese state It argues that the growth of a local identity was part and parcel of the evolution of a national character But it notes also that the transforming of the local identity with the extension of the state has often come with a sense of nostalgia a yearning for a world that has perhaps never been
