Preparing Children for Court Lynn M. Copen,2000-07-18 Going to court can be frightening and confusing for children particularly for those already harmed by a traumatic event These excellent pamphlets explain criminal and civil court procedures with child friendly language and illustrations They are designed to help children understand the child witness role and court processes The authors are to be commended for taking on this important task Sarah H Ramsey Professor of

Law and Director Syracuse University College of Law Every year thousands of cases of child abuse involving young witnesses are referred to the court system Properly preparing children for the experience of court can minimize the emotional stress and allow them to become more credible witnesses The first of its kind Preparing Children for Court is intended as an aid for social workers court educators victim witness specialists law enforcement therapists and attorneys Written in an engaging manner this text divulges the tricks of the trade that will allow the child to enter the legal systems without negative consequences This text is packaged with three children s workbooks to facilitate the child s learning and understanding of the court process Viewed as an essential toolkit no professional in the field should be without this volume and its accompanying workbooks Price includes one set of the three workbooks Working with Child Abuse and Neglect Vernon R. Wiehe,1996-06-24 How do you intervene in abusive and neglectful families or prevent maltreatment in families at risk How can you find the answers you need in the overwhelming array of information now available on the subject In Working with Child Abuse and Neglect author Vernon R Wiehe helps you focus by evaluating a wealth of references to current published literature and pinpointing the practical applications that put these findings into action Condensing the explosion of knowledge about child maltreatment into one provoking yet accessible primer Wiehe first offers a historical perspective on child maltreatment and an assessment of the scope of the problem He also discusses theoretical perspectives for understanding the problem and specific treatment and prevention techniques Information on state and national organizations working in the field illustrates not only the size of the problem but also the mobilized efforts to stem child abuse and neglect As well as a balanced introduction Working with Child Abuse and Neglect serves as a springboard to important sources of additional knowledge Ideal for upper division undergraduates as well as graduate students and anyone in the helping professions who is beginning to work with victimized children Working with Child Abuse and Neglect provides a sound assessment of the state of the literature and application in this expanding area of study and practice In addition the handy reference value of this volume will appeal in particular to social workers counseling and clinical psychologists and nurses

Cognitive Processing Therapy for Rape Victims Patricia A. Resick,Monica Schnicke,1993-06-02 Sexual assault is a traumatic event from which many survivors never fully recover They may develop a range of disorders including post traumatic stress disorder depression poor self esteem interpersonal difficulties and sexual dysfunction This volume provides insight into the effects of rape and explores a treatment approach that assists in the healing process Homicide: The Hidden Victims Deborah Spungen,1998 The author of this groundbreaking volume is not only a social scientist and victim advocate she is also the mother of a murder victim Deborah Spungen illustrates how and why family members become co victims when a loved one is murdered and she poignantly addresses the emotional physical spiritual and psychological effects of such traumatic events These invisible victims often find their wounds compounded by confusion and a sense of aloneness in the aftermath of such a tragic event The author draws on research personal insight and case examples to illuminate

critical issues that surround family notification of a loved one's murder effects of murder on family and friends of the victim media influences traumatic grief circumstantial influences the criminal justice system and reconstruction and healing The book will be invaluable for mental health practitioners and victim advocates Assessing Allegations of Sexual Abuse in Preschool Children Sandra K. Hewitt,1999 Written to help frontline practitioners assess and manage cases with children aged 18 months to six years who present allegations of child abuse this book provides concrete and easily understood information about basic child development interview procedures and case management theory Extensive experience is integrated with the research literature to provide an overview of child development information as it applies to interviewing young children a protocol for assessment of preverbal children that is grounded in theory and research a format for assessment of children aged three to five a review of the strengths and weaknesses of some current interview formats a technique for structured interviewing Legal Issues in Child Abuse and Neglect Practice John E. B. Myers,1998-07-09 This expanded and updated Second Edition of Legal Issues in Child Abuse and Neglect Practice offers a state of the art exploration of what role the law can play in bettering the lives of victimized children While all who work with abused children share the same goals there often exists a gap in communication between legal and helping professionals that reduces efficacy of cooperative efforts This new edition continues to provide vital information to non lawyers on how the legal system in the United States works in child abuse cases Techniques and Issues in Abuse-Focused Therapy with Children & Adolescents Sandra Wieland,1998-09-22 This text presents the many challenges for the therapists working with children and adolescents who have suffered abuse It covers the reluctance of victims to talk about the abuse helping victims to work through resistance and more
