question that most pastors and church leaders ask themselves is Where do I start in revitalizing my church Revitalizing a church can seem like a daunting task but there are some key steps that pastors and church leaders can take to begin the process of transforming their church into an active and vibrant center of the Christian community The first step that pastors should take is to prayerfully assess the current state of the church This will involve reflecting on the church s current successes and challenges to better understand where changes need to be made That understanding can come only from God himself God has provided us with an example of how revitalization and revival can take place in a church This book will enlighten and inform on the way that God intends for his church to be vibrant and alive again in the community of believers and surrounding neighbors Using Scripture as the pattern and guide readers will gain confidence and courage to move their church forward in revitalization

God's Lecture John L. Bowman,2005-09-12 God is pissed In the beginning God created heaven earth and all the animals They were part of a grand and perfect design It worked well and God was pleased Then one of the animals man started altering the design irritating God God gave man unlike the other animals a little cleverness which has caused him to jump the tracks Using this cleverness man has conceived created and implemented incredible unnatural and convoluted ideas constructs and systems These entities are upsetting God s patterns of nature Man is now doing things God never intended This has not only made God s plans go haywire but also threatens man himself God is in high dudgeon because man s imagination is debauching his perfect world To make matters worse man audaciously blames God for a world gone crazy God has patiently endured man s accusations but now intends to set him straight on the true nature of things and explain how he has screwed things up This is God s lecture and if man has any inkling of what is good for him he will listen

The Seven Spirits of God -- Building According to the Pattern of the Kingdom J. Scott Husted,2015-10-28 This work represents the rediscovery of an ancient pattern that God has given to his people in order to build His Kingdom on earth This pattern can be found throughout the Bible The scripture shows that the Hebrew writers of Old and New Testaments thought wrote and lived according to this pattern We can see that they considered this pattern as foundational to planting building and living out God s Kingdom here on Earth As we recognize the pattern of the Kingdom and begin to understand its elements we can begin to use it to structure every effort pertaining to the Kingdom of God Indeed the scripture urges us Build everything according to the Pattern that I God have shown you Once recognized as God s intended pattern of the Kingdom this pattern is applicable and necessary to every part of Godly worship service and life today In fact as we implement our ministry work and life according to God s plan we begin to see that God s plan is the only way to build His Kingdom in the Earth
