Pattons Illfated Raid:

Patton's Ill-fated Raid Harry A. Thompson,2002 The Author a World War II Chief Warrant Officer was a German prisoner of war held in Oflag XIII B Hammelburg His outstanding book recounting his experiences is must reading anyone interested in World War II and especially the fighting in Germany and General Blood and Guts Patton will find this book outstanding an excellent record of the raid on the prison camp where all men and vehicles of the task force were lost I too was a lieutenant prisoner at Hammelburg captured in January during the Battle of the Bulge Herndon Inge Jr Mobile AL review on MILMAG COM Website *Patton's Last Gamble* Duane Schultz,2018-05-01 In March 1945 against the advice of his top subordinates Gen George Patton created a special task force to venture more than fifty miles behind enemy lines and liberate a POW camp near Hammelburg Germany The camp held some 1 500 American prisoners including Patton s son in law Hampered by ambushes and a lack of fuel and even maps the raid was a disaster one of the worst mistakes of Patton s legendary career Out of some 300 men only three dozen returned Based on memoirs diaries combat reports and interviews with survivors Patton s Last Gamble vividly recounts a mission Gen Omar Bradley later said began as a wild goose chase and ended in tragedy **In Final Defense of the Reich** Stephen M Rusiecki,2010-10-15 In April 1945 the American 71st Infantry Division exacted the final vestiges of life from the Reich s 6th SS Mountain Division in central Germany This analysis of the battle demonstrates that the Wehrmacht s last gasp on the Western Front was anything but a whimper as some historians charge Instead Stephen Rusiecki argues the Nazis fought to exact every last bit of pain possible The book follows the histories of both the German and American divisions from their inceptions until their fateful confrontation and serves as a testament to the human experience in war from the perspective of the soldiers and the civilians who suffered the brunt of the fighting Patton's Shadow Nathan C. Jones,2024-10-19 General George S Patton s legendary image was carefully crafted during World War II and continues to shape our understanding of American history and culture today Historian Nathan C Jones explores the creation of the Patton legend and its enduring legacy in Patton s Shadow *Armor* ,1996 The magazine of mobile warfare **Once Upon a Time in War** Robert E. Humphrey,2014-02-06 For the soldier on the front lines of World War II a lifetime of terror and suffering could be crammed into a few horrific hours of combat This was especially true for members of the 99th Infantry Division who repelled the Germans in the Battle of the Bulge and engaged in some of the most dramatic hard fought actions of the war Once Upon a Time in War presents a stirring view of combat from the perspective of the common soldier Author Robert E Humphrey personally retraced the path of the 99th through Belgium and Germany and conducted extensive interviews with more than three hundred surviving veterans When Humphrey discovered that many 99ers had gone to their graves without telling their stories he set about to honor their service and coax recollections from survivors The memories recounted here many of them painful and long repressed are remarkable for their clarity These narratives seamlessly woven to create a collective biography offer a gritty reenactment of World War II from

the enlisted man's point of view Although focused on a single division *Once Upon a Time in War* captures the experiences of all American GIs who fought in Europe For readers captivated by *Band of Brothers* this book offers an often tragic sometimes heartwarming but always compelling read

Fighting Patton Harry Yeide, 2014-03-01 What was it like to fight against one of the most hard driving generals in history He is remembered as an officer with few equals a leader who attained legendary status while commanding corps and armies as a general during World War II Nicknamed Old Blood and Guts he was also well known for his hard attitude eccentricities and controversial outspokenness But no matter the image or label attached to his name few will dispute General George S Patton Jr's place as a truly timeless figure in the annals of military history In *Fighting Patton* U S international affairs analyst Harry Yeide is the first to examine this legendary leader through the eyes of his enemies the opposing German commanders of WWII Featuring hundreds of unpublished unit reports officer accounts and telephone transcripts all uncovered during Yeide's extensive exploration of German wartime records *Fighting Patton* exposes the German perspective on how and why they lost their battles with Patton's forces This truly unique narrative follows Patton's rise through the ranks in the Mexican Expedition and World War I as well as his many campaigns throughout World War II from Tunisia Sicily and Normandy to Lorraine the Bulge and the heart of Germany The result is a fresh fascinating and beautifully illustrated take on one of the most storied figures of twentieth century warfare

Patton's Third Army at War George Forty, 2015-04-19 The story of Gen George S Patton's magnificent Third Army as it advanced across Nazi occupied Europe and into Hitler's redoubt Includes photos As America's own answer to the Blitzkrieg Third Army's actions from the Normandy coast across France and Germany to Austria gave a new dimension to the term fluid warfare They only needed one general order to seek out the enemy trap and destroy them This they did relentlessly overcoming every obstacle thrown in their way Third Army's story is one of teamwork of armor infantry and aircraft working together with a perfection that amazed even the Germans who'd always considered themselves the masters of the mobile offensive Though Third Army is often remembered for its tank spearheads like the 4th Armored Division these pages also give credit to the brave infantry divisions which butted their heads against fortresses such as Metz with ultimate success It is also the story of a triumph of administration as thousands of trucks carried forward the vital supplies to keep the army on the move and fighting When a German counteroffensive nearly burst through the US lines in the Ardennes it was Patton's Third Army that turned on its heel and immediately drove in the Bulge ending Hitler's last great hope for success in the west Afterward nothing could stop it as it crossed the Rhine and overran the Reich Much of Third Army's greatness driving force and will to win was owed to one man Gen George Smith Patton Jr and a significant part of this book is devoted to him alone In these pages a renowned military historian gives a vivid impression in words and pictures of what it was like to live and fight with Patton's men Full of eyewitness accounts photographs and maps it relates the full story of how America's most dynamic fighting formation led the Allied effort against the Nazis seemingly invincible European empire

Runkle,2019-07-26 Shakespeare famously wrote that some men are born great some achieve greatness and some have greatness thrust upon them Part military history and part group biography *Generals in the Making* tells the amazing true story of how George Marshall Dwight Eisenhower Douglas MacArthur George Patton and their peers became the greatest generation of senior commanders in military history As the U S Army s triumphant homecoming from World War I was quickly forgotten amidst two decades filled with economic depression and growing isolationism Marshall Eisenhower MacArthur Patton Omar Bradley Lucian Truscott Matthew Ridgway and their brothers in arms toiled in a profession most Americans viewed with distrust Before they became legends these young officers served their country in posts from Washington D C to Panama from West Point to war torn China They taught and studied together in the Army s schools attempting to innovate in an era of shrinking budgets obsolete equipment and skeletal forces Beyond these professional challenges they endured shattering personal tragedies the sudden deaths of children or spouses divorce depression and court martial Yet when the world faced possibly its darkest hour as fascism and barbarism were on the march they stood ready to lead America s young men in the fight for civilization By the end of World War II even German commanders expressed amazement at the dynamic change in American military leadership since the Great War *Generals in the Making* is the first comprehensive history of America s World War II generals between the wars an invaluable prequel to every history of that war

The American Legion ,2006 *The Last Offensive* Charles Brown MacDonald,1973 **The Vision of Worthington's Cross** Billy Prophet,2020-08-13 This book is primarily about a cross that appeared in the sky near Frank Worthington s tomb Frank Worthy was my Grandfather s commanding senior officer Several days later I had a massive vision of judgment day I saw 2 heavenly courts and witnessed people with good and not so good works The fact is that many religious people are laughed to scorn perhaps that is why the vision was given This vision is a wake up call for those who believe in GOD I have

also included events in my personal life I have tried to share all the feelings I had when I got saved while in jail at my lowest AS well I have included 22 poems which I think you will enjoy The book also speaks of blended housing the reason we have a 10 year wait for affordable housing I also speak of my attempted suicide because I thought the govt was going to get me in Ad scam because my painting chargebacks were high and I had depleted the fund and I had helped save 2 hangars of Hangar Row a heritage site as well I have spent months in hospital basically because the psychiatric profession does not believe in visions rather they are a manifestation of Schizoid affected behavior I have been persecuted and censured for this vision and would like a lie detector test to determine if I am lying Please enjoy **American Military Leaders** John C.

Fredriksen,1999-06-18 A comprehensive collection of biographies of the most prominent military leaders in American history American Military Leaders contains over 400 A Z biographies of individuals such as Admiral Elmo Zumwalt who ended hundreds of years of tradition by allowing women to serve on Navy ships and Francis Marion the Swamp Fox whose rules of clandestine warfare are still followed by the U S Special Forces Coverage centers on the outstanding generals sergeants fighter aces militiamen theorists doctors and nurses who make up America s military history This volume presents their backgrounds contributions and significance to America s fortunes in war This title also cites works for further research includes a list of leaders organized by their military titles and a comprehensive index **Terrible Terry Allen** Gerald Astor,2008-12-24 Terry de la Mesa Allen s mother was the daughter of a Spanish officer and his father was a career U S Army officer Despite this impressive martial heritage success in the military seemed unlikely for Allen as he failed out of West Point twice ultimately gaining his commission through Catholic University s R O T C program In World War I the young officer commanded an infantry battalion and distinguished himself as a fearless combat leader personally leading patrols into no man s land In 1940 with another world war looming newly appointed army chief of staff Gen George C Marshall reached down through the ranks and ahead of almost a thousand more senior colonels promoted Patton Eisenhower Allen and other younger officers to brigadier general For Operation Torch the invasion of North Africa Allen now a two star general commanded the Big Red One the First Infantry Division spearheading the American attack against the Nazis Despite a stellar combat record however Major General Allen found himself in hot water with the big brass Allen and his troops had become notorious for their lack of discipline off the battlefield When Seventh Army commander George Patton was pressed by his deputy Omar Bradley to replace Terrible Terry before the invasion of Sicily he demurred favoring Allen s success in combat At the end of the Sicily campaign with Allen s protector Patton out of the way relieved for slapping a soldier Omar Bradley fired Allen and sent him packing back to the States seemingly in terminal disgrace Once again however George Marshall reached down and in October 1944 Terrible Terry was given command of another infantry division the 104th Timberwolves and took it into heavy combat in Belgium Hard fighting continued as Allen s division spearheaded the U S First Army s advance across Germany On 26 April 1945 Terrible Terry Allen s hard charging Timberwolves became the first American

outfit to link up with the Soviet Union's Red Army. Terrible Terry Allen was one of the most remarkable American soldiers of World War II or any war. Hard-bitten, profane, and combative, Allen disdained the book, but he knew how to wage war. He was a master of strategy, tactics, weaponry, and most importantly, soldiers in combat.
