Pattys Industrial Hygiene:

Patty's Industrial Hygiene, 4 Volume Set Vernon E. Rose, Barbara Cohrssen, 2011-02-14 Since the first edition in 1948 Patty's Industrial Hygiene and Toxicology has become a flagship publication for Wiley. In the course of its nearly six decades in print it has evolved into a standard reference for the fields of occupational health and toxicology. The volumes on Industrial Hygiene are cornerstone reference works for chemists, engineers, toxicologists and occupational safety personnel. Since the 5th edition was published the field of IH has changed with personnel often working for multinational firms self employed at small consulting firms. Their environment has changed and expanded and thus also the types of information and resources required have changed. The traditional areas of interest to occupational health and safety professionals include anticipation, recognition, evaluation and control of potential hazards. In addition to these the 6th edition provides information and reliable resources to prepare for natural disasters, exposures to biological agents and potential acts of terrorism. **Patty's**

Industrial Hygiene Robert L Harris, 2003-04-02 Patty's Industrial Hygiene has had a reputation for the past 60 years of providing up to date information for the experienced as well as novice industrial hygienist. The field of IH continues to change with personnel often working for multinational firms self employed or at small consulting firms. In the current era industrial hygiene not only have to worry about occupational health and safety concerns of global workforce that is more diverse they often have to provide environmental health information for large companies and both large and small government agencies. In response to these changes the 7th edition of Patty's Industrial Hygiene both adds new industrial hygiene safety topics and update existing ones. The new edition addresses the needs brought about by globalization and the need for many professionals to expand their roles. The 7th edition has put in place a diverse editorial board from different regions of the world insuring that it has a worldwide group of contributors and covers topics of interest globally. In addition environmental topics have been added to coordinate with the American Industrial Hygiene Association's initiative to recognize the ever expanding role of industrial hygienist. Quoting Harry Elston editor of Journal of Chemical Health and Safety Patty's Enough said. The name has a golden reputation associated with it. Patty's Industrial Hygiene, Volume 4 Barbara
