## **Paul Apostle For Today:**

*Paul, Apostle for Today* George Allen Turner, 1981      **Paul, Apostle to the Nations** Walter F. Taylor, 2012 Who was Paul what did he do what did he write Walter F Taylor sets out to bring together a wealth of contemporary perspectives in a clear and accessible synthesis bringing to bear on his subject the best of recent social scientific and cultural anthropological thinking on Paul An appendix presents a clear summary of issues related to Paul s thought on gender and sexuality

**Apostles Today** Benjamin G McNair Scott, 2014-12-25 Are apostles amongst us today According to a growing section of the church the answer is yes This book investigates and appraises the idea seeking answers to the following questions in the context of the church in Britain and the USA Is there a robust scriptural justification for the charismatic apostolate CA that most charismatic groups are proclaiming How widespread is this belief and why has it become more commonplace What kind of apostles are being advocated by influential popular teachers What does church history and tradition have to offer to this idea Is there a way to endorse and embrace the CA ecumenically Does the CA have a future in the universal church These are important questions to answer for the sake of the church s mission and health      **Paul, Apostle of the Heart Set Free**

Frederick Fyvie Bruce, 2000 Written by one of the best known and most respected evangelical biblical scholars of all time Paul explores the primary themes in Paul s thought as they developed in the historical context of his life and travels

**Apostles Today** C. Peter Wagner, 2012-03-08 Transformation of the city was the battle cry in the 1990s How far have we come since then How do apostles fit into the urban landscape How do they line up with God s plans C Peter Wagner has been writing on these subjects for a number of years and now he brings city transformation and the role of apostles together in one volume This book is a call for apostles to assume their rightful sphere of authority to see God s will accomplished here on earth Wagner relates his decades of experiences and those of others showing the role of apostles not only in the traditional church but also in the extended church Apostles Today offers vision for the role of apostles in healthy churches workplaces and cities      **Reflections on the Apostle Paul's Prison Letters: A Verse by Verse Bible Study** Dr. Randy L.

James, 2025-05-08 This book contains personal reflections on the labors of the Apostle Paul who is credited with authoring the biblical letters of Galatians Ephesians Philippians and Colossians Each verse of these letters is reviewed commented on and used for personal direction and inspiration for Christians in the 21st century Each passage and commentary is followed by four questions meant to provoke meaningful discussion within Bible study groups      **Apostle Paul and His Companions**

Rev. Dr. Hem Sagar Rasaily, 2017-12-29 In the history of the first century church the ministry of Apostle Paul was well recorded by Dr Luke in the Book of Acts If Dr Luke had not taken the time to write the Book of Acts we would probably know hardly anything about him today The Bible tells us that Barnabas one of Paul s companions introduced him to the other apostles He was responsible for recognizing Paul s efficiency and the one who brought him to a minister in Antioch Sadly Barnabas himself was not well known by most Christians It was Paul s friends who helped his ministry spread wide and

become effective As you read this book I pray that the Holy Spirit will enlighten your heart and mind to help you understand the importance of Divine guidance and mission through spiritual mentors and be strengthened in faith      **Apostles, Elders & Other Ministries** Blake L. Higginbotham,2007-06 This book is a clear biblical approach to understanding the gift and ministry of the apostle and their relationship to local elders and other ministries involved in the ongoing work of the ministry Apostolic oversight and impartation are both essential to the maturation of the body of Messiah Together they live and serve to train and equip the body of Messiah for the works of service The Ekklesia must receive and embrace apostolic fathers in order to become all that Yahshua has purposed Blake Higginbotham is an apostle with a prophetic word for the Ekklesia He was born again and filled with the Spirit in 1970 and for 37 years has served in several areas of ministry He and his wife pioneered a work and pastored for 15 years but now travel apostolically singing preaching teaching and relating to ministers and business men and women both nationally and internationally They are involved in leadership training and conference speaking on a monthly basis Blake Higginbotham is a man with a passion for the eternal purpose of Yahweh and believes that he was born to serve the King therefore nothing else really matters      *The Changing Church* C. Peter Wagner,2004-07-07 Peter Wagner tells readers exactly how they can contribute to the Church s worldwide fulfillment of God s kingdom on earth The Changing Church sheds light on the exciting things that are happening by the power of the Holy Spirit The Church is being aligned with God s plan for the Great Harvest While we might feel small in the scheme of things we can make a huge impact when we unite with what God is doing worldwide This new vision overlooks denominational barriers asking one and all to join together for the ultimate fulfillment of God s purposes      The Apostle: a Life of Paul John Pollock,1969 Master storyteller John Pollock makes Paul and his amazing story freshly alive so that you can know the greatest apostle much as Luke and Timothy did as they traveled with him Copyright Libri GmbH All rights reserved      **Citizens & Exiles: Christian Faithfulness in God's Two Kingdoms** Scott Aniol,2023-09-01 Christians have always wrestled with how they should respond to the cultures around them On the one hand we recognize the goodness of God s creation and his common grace upon all people On the other hand we recognize that people are sinful and that the world is hostile to God and to Christians So what are we to do As tensions rise between church and state some of the loudest voices articulating answers to the question do not match what Scripture commands for the church today Some answers threatens to undermine the pilgrim character of New Testament Christianity and the spiritual mission given to the church of making disciples Others advocate for a more privatized faith in conflict with the more holistic emphasis of Scripture In this easy to read book Scott Aniol demonstrates that Scripture teaches contrary to both of these postures Aniol shows that the New Testament portrays Christians as citizens of the common kingdoms of this earth but they are ultimately exiles since they are more profoundly citizens of Christ s redemptive kingdom Understanding the biblical relationship between these two provides a very clear framework for preventing churches from losing their biblical mission while at the same time discipling Christians to actively

engage in society around them What the Bible prescribes for Christians in this present age is Christian faithfulness in both realms of God's sovereign rule Scott Aniol PhD is Executive Vice President and Editor in chief of G3 Ministries and Professor of Pastoral Theology at Grace Bible Theological Seminary **Jesus Said, "I Will Build My Church"** Don Faix, 2021-09-23 Where is this church of power that we see in the Book of Acts Where are the local bodies of believers that manifest the supernatural power of God today Has the desire to preach the gospel and win souls all but disappeared from the local church This intense and challenging book seeks to answer the simple question How did Jesus intend every local church to be built It will present the ten most basic principles in the building of every local church After some 30 years of doing seminars on the concept of build every church that received this teaching has admitted to applying less than two of these principles As a result many sitting in the church pews are just not saved Further there is a lack of discipleship to equip the saints to go forth and advance the kingdom of God The hope of this book is to see a restoration of local churches Churches that will turn from their traditions and man made ways of growing a church to building a church that the Lord will take pleasure in and be glorified A Vision of the Possible Daniel Sinclair, 2006-03 We have long been aware of the challenge of reaching the unreached peoples of the world For many this seemed a daunting and almost impossible task However with a clear biblical model of church planting which works in divergent cultural settings it seems that this may in fact be possible In A Vision of the Possible Daniel Sinclair thoroughly covers practical whys and how to's concerning pioneer church planting among unreached people groups with applicable discussions from Scripture along the way Its emphases include resistant environments and church planting in teams It also includes the newly revised seven Pioneer Church Planting Phases which is widely used by mission agencies working among unreached peoples Those on the field and those in preparation including those in Bible schools and seminaries will find this book immensely practical Senders on the homefront will also find it invaluable as they seek to understand the biblical and concrete issues the friends they support grapple with on a daily basis

*A Modern Ninety-Five* Nancy A. Almodovar, 2008-06-01 In 1517 an Augustinian monk by the name of Martin Luther nailed ninety five statements to the door at Castle Church in Wittenberg Germany This was not a means of open debate but a desire to discuss scholarly objections to church practices of the time Five centuries later many of the same errors and heresies have crept back into the evangelical church A modern ninety five theses couched in new terms for a new generation require scholarly debate once again Through modern day apostles and prophets and through the elitists within the evangelical church the doctrine of buying God's grace and favor has been propagated through appeals for seed offerings and atonement day donations in order to garner God's blessings Pragmatic approaches to preaching the gospel through such movements as the seeker driven models have moved the focus of the message of Christ and the worship of God from being God centered to human centered Sound historical doctrines such as the Trinity have been relegated to the sidelines in favor of unity and ecumenicalism with Oneness preachers In the words of Martin Luther Out of love for the truth and the desire to bring it to

light the following propositions need to be discussed in their entirety by church leaders pastors and laypeople alike

**Fathering Leaders Motivating Mission** David Devenish, 2011-08-01 Who cares pastorally for the pastor This unique book addresses the mentoring needs of today's pastors by exploring the New Testament office of apostle The result is a biblical blueprint for giving church leaders the support they need to develop their gifts and practical ministry skills

Apostles and Prophets Rick Renner, 2023-01-17 What Are Apostles and Prophets and What Is Their Critical Role in an End Times Church These ministry gifts did not pass away with the last of Jesus disciples Christ gave them to the Church for all time and they are still alive and well today But what are apostles and prophets Why is there so much controversy error and abuse in the *Miraculous Gifts* Thomas R. Edgar, 2001-07-25 *Miraculous Gifts* is a discussion of spiritual gifts in light of the basic differences between cessationism and Pentecostalism Many studies of this issue are written from a primarily theological perspective and while theological arguments are valid charismatics assert that this controversy concerns biblical gifts and miracles and is therefore a matter of faith to believe their claims with theological arguments proving unsatisfactory The fundamental question is Is this what the Bible discusses is it biblical *Miraculous Gifts* attempts to answer that question by providing a biblically based analysis of spiritual gifts in view of the charismatic controversy Missions and You! Larry Caldwell, *Missions and You* is a concise yet comprehensive missions book in which the author draws principles from nearly three decades of experience in training missionaries in the Asian context He surveys the current state of world missions gives an overview of missions in the Bible and builds a case for the equal importance of senders and sent ones The practical insights and discussion questions in each chapter help readers decide how to become part of what God is doing in today's world Bishop Efraim Tendero D D National Director Philippine Council of Evangelical Churches **Sermons bearing on subjects of the day** John Henry Newman, 1898 Insights on Galatians, Ephesians Charles R.
