How do one's religious traditions, cultural influences and personal preferences influence the way Christian spirituality is perceived and expressed? All too often and at times unintentionally the foundational truths of the Bible are subordinated to tradition, culture and personal preference. This book provides a context for understanding Paul's foundational components for Christian spirituality within the book of Galatians while showing how an accurate understanding of these components can and should serve as a corrective lens to various aspects of Christian spirituality as expressed and experienced today.

Believing in Baptism Stephen Kuhrt, Gordon Kuhrt, 2020-07-09 Including a Foreword by The Rt Revd Dr Graham Tomlin, this volume examines the theology and practice of baptism. It contains a narrative introduction that highlights the different approaches taken to baptism and the various issues that come with them. The volume also covers how the changing cultural context within Britain has influenced responses to baptism. At the heart of the book is a detailed examination of the theme of covenant running through the Bible and how this shapes its understanding of baptism. Gordon Kuhrt and his son Stephen explore several controversial issues associated with baptism. Believing in Baptism contains an in-depth discussion of the sacramental issues surrounding baptismal efficacy, for instance, as well as infant or family baptism. The authors also examine the Baptist view, discrimination in Baptism and the issue of Rebaptism. Finally, they consider the issue of Baptism and its Completion and make practical recommendations on the ways in which baptism should be taught and lived in the local church.

God and the Faithfulness of Paul Christoph Heilig, J. Thomas Hewitt, Michael F. Bird, 2017-04-01 N T Wright's magnum opus *Paul and the Faithfulness of God* is a landmark study on the history and thought of the apostle Paul. This volume brings together a stellar group of international scholars to critically assess an array of issues in Wright's work. Essays in Part I set Wright in the context of other Pauline theologies. Part II addresses methodological issues in Wright's approach, including critical realism, historiography, intertextuality and narrative. In Part III, on context, scholars measure Wright's representation of early Judaism, Greek philosophy, paganism and the Roman Empire. Part IV turns to Wright's exegetical decisions regarding law, covenant and election, the New Perspective, justification and redemption, Christology, Spirit, eschatology and ethics. Part V at last speaks to the implications of Wright's work for the church's theology, sacraments and mission and for global responsibility in a postmodern age. The volume includes a critical response from Wright himself.

Warlike Christians in an Age of Violence Nick Megoran, 2017-10-03 How should Christians respond to war This age old question has become more pressing given Western governments recent overseas military interventions and the rise of extremist Islamist jihadism Grounded in conservative evangelical theology this book argues the historic church position that it is inadmissible for Christians to use violence or take part in war It shows how the church s propensity to support the just wars crusades rebellions or humanitarian interventions of its host nations over time has been disastrous for the reputation of the gospel Instead the church s response to war is simply to be the church by preaching the gospel and making peace in the love and power of God The book considers challenges to this argument for gospel peace What about warfare in the Old Testament and military metaphors in the New What of church history And how do we deal with tyrants like Hitler and terrorists like Islamic State Charting a path between just war theory and liberal pacifism numerous inspiring examples from the worldwide church are used to demonstrate effective and authentically Christian responses to violence The author argues that as Christians increasingly drop their unbiblical addiction to war we may be entering one of the most exciting periods of church history

R. Griffiths, 2019-01-14 In today s world the Christian is constantly being challenged with new teachings Some of these are particularly dangerous because they are put forward by those with evangelical credentials Tom Nicholas Wright is one of the leading proponents of the New Perspective on Paul Wright sees himself as the new Luther a discoverer of the true biblical understanding of key doctrines like that of justification by faith According to him the Reformation misunderstood the nature of justification by faith alone and the role of the law in the Old Testament Wright maintains that this has continued to be the case for those of the Reformed Faith He tells us that we are guilty of anachronism whereby we interpret first century Judaism in the light of medieval Roman Catholicism In this work the writer not only defends the Reformed understanding of this vital doctrine but also seeks to show how Wright has misunderstood the nature of the new covenant and the place of ethnic Israel **Invitation to the Jesus Life** Jan Johnson, 2014-02-27 To encounter Jesus daily and have a relationship with Him changes everything our focus becomes eternal Experience Jesus in such a way that His love drenched others focused nature shapes your character The spiritual practices in each chapter will challenge you to go deeper with Him **Apostle on the Edge** Michael R. O'Kelley,2014-10-07 By placing the Reformation doctrine of justification in its historical theological context against the backdrop of late medieval Catholic theology O Kelley demonstrates that the real nature of the debate between Rome and the Reformers was not grace vs works per se but rather the Reformation s clear law gospel distinction vs Rome s law gospel synthesis This extraordinary study seeks to allow the Reformers and their heirs a fair hearing in the current debate over Paul s doctrine of justification a courtesy that they have too often been denied *Justification* N.T. Wright,2009-09-25 N T Wright offers a comprehensive account and defense of his perspective on the crucial doctrine of justification Along the way Wright responds to critics such as John Piper who have challenged what has come to be called the New Perspective Ultimately he provides a chance for those in the middle of and on both sides of the debate to interact directly with his views and form their own conclusions Jesus and Paul Reconnected Todd D.
