Paul Littles Why What:

Paul Little's Why & what Book Paul E. Little,1980 Two Christian classics in one volume plus a biographical sketch of the author with photographs written by his wife Marie Little *Paul Little's what and why Book* Paul E. LITTLE,1980

Paul Little's what and why Book Paul E. LITTLE,1980 **Lutheran Evangelist** ,1904 **Know Why You Believe** Paul E. Little,2009-08-20 Do science and Scripture conflict Are miracles possible Is Christian experience real Why does God allow suffering and evil In this classic answerbook on Christian faith Paul E Little responds to the twelve most common intellectual challenges posed to Christians *A Country Strange and Far* Michael C. McKenzie,2022 A Country Strange and Far considers how and why the Methodist Church failed in the Pacific Northwest and how place can affect religious transplantation and growth **Misconceptions of Christianity** John Marcus,2010-11 Have you ever looked at the multitude of opinions on Christian doctrine and been confused If the early church did not teach certain rituals where did they come from And what does the Bible say regarding these issues In Misconceptions of Christianity Author John Marcus explores many of the major doctrinal stances that do not appear in the Bible or in the very early church His goal is to show the reader where the doctrines came from or at least from where the misunderstanding stems and what the Bible teaches concerning them He covers topics such as Tithing and giving to the church The doctrines of Mary and her veneration The gifts of the Spirit including the gift of tongues The observance of Christmas and other religious holidays Demonic possession and spiritual warfare And many more This book guides readers through the confusion that modern Christianity can bring and leads them straight back to the source the Bible Its approach is both insightful and convicting giving the reader a standard with which to judge his or her own actions instead of a set of rules to follow With a strong belief that the Bible is the inerrant Word of God John conveys to readers the importance of a Christ centered theology that stems directly from the Scripture Author John Marcus has studied theology and lives in New York Misconceptions of Christianity is his second book *Beyond Born Again* Robert M. Price,2008-10-01 The Reverend Robert M Price offers a detailed analysis and a critique of modern Christian evangelicals in the United States Price is an active religious advocate as well as an author and editor **Certainty** Paul Little,1996-05-30 Six studies drawn from Paul Little s bestselling Know Why You Believe lead you into Scripture to find reasonable responses to the many tough questions you and others may have about Jesus and Christianity **Five Views on Apologetics** Zondervan,2010-06-01 Of the most common approaches to apologetics which is most effective The goal of apologetics is to persuasively defend Christianity against charges of falsehood inconsistency or credulity It s an intellectual discipline that serves to bolster the faith of Christian believers and to aid the task of evangelism but are some methods more effective than others Five Views on Apologetics examines the how to of apologetics putting five prominent techniques under the microscope Classical represented by William Lane Craig Evidential represented by Gary Habermas Cumulative Case represented by Paul D Feinberg Presuppositional represented by John M Frame Reformed Epistemology represented by Kelly

James Clark Offering a forum for presentation critique and defense this book allows the contributors for the different viewpoints to respond to the others Your own informed conclusions can then guide you as you meet the questions of a needy world with the claims of the gospel The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion South Dakota Library Bulletin ,1928 **The Kingdom of God Has No Borders** Melani McAlister,2018-07-02 Award of Merit 2019 Christianity Today Book Awards History Biography More than forty years ago conservative Christianity emerged as a major force in American political life Since then the movement has been analyzed and over analyzed declared triumphant and more than once given up for dead But because outside observers have maintained a near relentless focus on domestic politics the most transformative development over the last several decades the explosive growth of Christianity in the global south has gone unrecognized by the wider public even as it has transformed evangelical life both in the US and abroad The Kingdom of God Has No Borders offers a daring new perspective on conservative Christianity by shifting the lens to focus on the world outside US borders Melani McAlister offers a sweeping narrative of the last fifty years of evangelical history weaving a fascinating tale that upends much of what we know or think we know about American evangelicals She takes us to the Congo in the 1960s where Christians were enmeshed in a complicated interplay of missionary zeal Cold War politics racial hierarchy and anti colonial struggle She shows us how evangelical efforts to convert non Christians have placed them in direct conflict with Islam at flash points across the globe And she examines how Christian leaders have fought to stem the tide of HIV AIDS in Africa while at the same time supporting harsh repression of LGBTQ communities Through these and other stories McAlister focuses on the many ways in which looking at evangelicals abroad complicates conventional ideas about evangelicalism We can't truly understand how conservative Christians see themselves and their place in the world unless we look beyond our shores **Canadian Bar Journal** ,1962 *A Christian's Response to Islam* James L. Garlow,2005 In the Post 9 11 world how are Christians to respond to Muslims and the religion of Islam On September 11 2001 nineteen Islamic fundamentalist hijacked passenger jets and flew them into the World Trade Center towers in New York City and the Pentagon in Washington D C Since that fateful day millions of people living in the United States and other Western countries have begun asking a multitude of questions about Muslim and the Islamic faith With 1.4 billion Muslims in the world today and at least 7 million in America alone it's about time Maybe you have a few questions of your own A Christian's Response to Islam is an invaluable source for understanding Islamic growth and influence in the world today The basic tenets of the Islamic faith A brief overview of its history and its founder Mohammed The Islamic concept of Jihad holy war and How Christians should respond and not respond to Muslims Know What You Believe Paul E. Little,2009-08-20 What does Christianity have to do with anything What does the Christian faith teach about God Jesus and the Holy Spirit With these and other core

questions bestselling author Paul Little explains ten bottom line truths of Christianity to help you understand what God has done to bring us into a relationship with him through Jesus Christ Till Christ Is Formed in Us Robert M Solomon, Spiritual formation is the process whereby Christ is formed in us through the power of the Holy Spirit thus fulfilling God's purpose for each of us Till Christ Is Formed in Us explores this process by defining it and explaining how it is influenced by one's context The book identifies the various aspects of spiritual formation and shows how it is practised Based on his experience as a Bible teacher and spiritual director Dr Solomon provides a comprehensive accessible and helpful practical guide for those interested to know more about and learn how to experience spiritual formation Devotional Classics: Revised Edition Richard J. Travis, 2003 Many people today are discovering in the Bible the message which brings them closer to Christ the giver of life in all its fullness But do they really understand what they are reading In writing this book Stephen Travis has tried to imagine people getting involved in Bible reading groups perhaps for the first time and sets out what he would want to share with them if they were generous enough to give him nine or ten weekly sessions to explain how the New Testament may be approached There are difficulties in understanding most books especially an ancient book such as the New Testament but rather than concentrate on the difficulties to be overcome before starting the author offers straightforward encouragement to those who want to learn directly by reading the New Testament itself He tackles such questions as understanding the Gospels and Epistles and the relevance of the New Testament to Christian belief spirituality and behaviour At the end of the book are suggestions about basic helps to Bible study STEPHEN H TRAVIS is Vice Principal of St John's College in Nottingham England His other books include Christ Will Come Again and The Bible in Time How to Give Away Your Faith Paul E. Little, 2014-06-18 Now including a study guide for individuals or groups this thoroughly revised version of How to Give Away Your Faith communicates Paul Little's natural brand of evangelism as winsomely as ever *Successful Church Libraries* Elmer L. Towns, Cyril J. Barber, 1971
