Paul Robeson The Great Forerunner:

Paul Robeson Ernest Kaiser, 1998 Compiled by the editors of Freedomways Tributes to Robeson in prose and poetry by his contemporaries Selections from Robeson's own writings Foreword to this edition by Ernest Kaiser Updated bibliography

The Politics of Paul Robeson's Othello Lindsey R. Swindall, 2010-10-27 Lindsey R Swindall examines the historical and political context of acclaimed African American actor Paul Robeson's three portrayals of Shakespeare's Othello in the United Kingdom and the United States These performances took place in London in 1930 on Broadway in 1943 and in Stratford upon Avon in 1959 All three of the productions when considered together provide an intriguing glimpse into Robeson's artistry as well as his political activism The Politics of Paul Robeson's Othello maintains that Robeson's development into a politically minded artist explicates the broader issue of the role of the African American artist in times of crisis Robeson 1898-1976 fervently believed that political engagement was an inherent component of the role of the artist in society and his performances demonstrate this conviction In the 1930 production audiences and critics alike confronted the question Should a Black actor play Othello in an otherwise all white cast In the 1943 production on Broadway Robeson consciously used the role as a form for questioning theater segregation both onstage and in the seats In 1959 after he had become well known for his leftist views and sympathies with Communism his performance in a major Stratford upon Avon production called into question whether audiences could accept onstage an African American who held radical and increasingly unpopular political views Swindall thoughtfully uses Robeson's Othello performances as a collective lens to analyze the actor and activist's political and intellectual development

Paul Robeson's Voices Grant Olwage, 2023-11-20 Paul Robeson's Voices is a meditation on Robeson's singing a study of the artist's life in song Music historian Grant Olwage examines Robeson's voice as it exists in two broad and intersecting domains as sound object and sounding gesture specifically how it was fashioned in the contexts of singing practices in recital concert and recorded performance and as subject of identification Olwage asks how does the voice encapsulate modes of subjectivity of being Combining deep archival research with musicological theory this book is a study of voice as central to Robeson's sense of self and his politics Paul Robeson's Voices charts the dialectal process of Robeson's vocal and self discovery documenting some of the ways Robeson's practice revised the traditions of concert singing in the first half of the twentieth century and how his voice manifested as resistance

Black Folklorists in Pursuit of Equality Ronald LaMarr Sharps, 2023-06-16 After the Civil War Emancipation purportedly brought physical freedom to African Americans As the nineteenth century drew to a close blacks continued to experience inequality in all phases of American life social cultural political and economic In pursuit of equality African American movements interpreted folklore to reveal in their rhetoric the soul of a race and a path toward civilization This book provides a comprehensive chronicle of these competing initiatives and their reception starting with the folklore society organized by Hampton Institute in 1893 and continuing through the early 1940s with the American Negro Academy Fisk University graduates William Hannibal Thomas the National Association for the Advancement of Colored People the Urban League the Friends of Negro Freedom the Universal Negro Improvement Association and blacks associated with the Communist Party USA Disavowing a culture of fear money guns and death black folklorists in these movements exposed a racial inner life ranging from loving loyal and happy to imitative tragic spiritual emotional and creative Each characterization of the race justified a distinct path and possible contributions to civilization If unable to know their past members of the movements and other folklorists were fearful that African Americans would be an anomaly among humanity

The Fight for the Soul of the Democratic Party John Nichols, 2020-04-07 Seventy five years ago Henry Wallace then the vice president of the United States mounted a campaign about the Danger of American Fascism As fighting in the European and Japanese theatres drew to a close Wallace warned that the country might win the war and lose the peace that the fascist threat the United States was battling abroad had a terrifying domestic variant growing rapidly in power wealthy corporatists and their allies in the media Wallace predicted that if the New Deal project was not renewed and expanded in the postwar era American fascists would use fear mongering xenophobia and racism to regain economic and political power He championed a progressive postwar world an

alternative to the rising triumphalist American Century notion in which the United States rejected colonialism and imperialism Wallace's political vision as well as his nomination to remain vice president was sidelined by Democratic big city bosses and southern segregationists In the decades to come other progressives would mount similar campaigns George McGovern and Jesse Jackson most prominently As John Nichols chronicles in this book they ultimately failed a warning to would be reformers today but their efforts provide us with insights into the nature of the Democratic Party and strategic lessons for the likes of Bernie Sanders and Alexandria Ocasio Cortez

Understood as the Apotheosis of The White Negro Carl Hancock Rux's *The Beats America's First Wiggas* and Greg Tate's own introductory essay *Nigs R Us* Other contributors include Hilton Als Beth Coleman Tony Green Robin Kelley Arthur Jafa Gary Dauphin Michaela Angela Davis dream hampton and Manthia diAwara *Singing Like Germans* Kira Thurman, 2021-10-15 In *Singing Like Germans* Kira Thurman tells the sweeping story of Black musicians in German speaking Europe over more than a century Thurman brings to life the incredible musical interactions and transnational collaborations among people of African descent and white Germans and Austrians Through this compelling history she explores how people reinforced or challenged racial identities in the concert hall Throughout the nineteenth and twentieth centuries audiences assumed the categories of Blackness and Germanness were mutually exclusive Yet on attending a performance of German music by a Black musician many listeners were surprised to discover that German identity is not a biological marker but something that could be learned performed and mastered While Germans and Austrians located their national identity in music championing composers such as Bach Beethoven and Brahms as national heroes the performance of their works by Black musicians complicated the public's understanding of who had the right to play them Audiences wavered between seeing these musicians as the rightful heirs of Austro-German musical culture and dangerous outsiders to it Thurman explores the tension between the supposedly transcendental powers of classical music and the global conversations that developed about who could perform it An interdisciplinary and transatlantic history *Singing Like Germans* suggests that listening to music is not a passive experience but an active process where racial and gendered categories are constantly made and unmade

Historical Dictionary of African American Theater Anthony D. Hill, 2018-11-09 This second edition of *Historical Dictionary of African American Theater* reflects the rich history and representation of the Black aesthetic and the significance of African American theater's history, fleeting present and promise to the future It celebrates nearly 200 years of Black theater in the United States and the thousands of Black theater artists across the country identifying representative Black theaters playwrights plays actors directors and designers and chronicling their contributions to the field from the birth of Black theater in 1816 to the present This second edition of *Historical Dictionary of African American Theater* Second Edition contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross-referenced entries on actors playwrights plays musicals theatres directors and designers This book is an excellent resource for students researchers and anyone wanting to know and more about African American Theater

In Search of Power Brenda Gayle Plummer, 2013 *In Search of Power* is a history of the era of civil rights decolonization and Black Power In the critical period from 1956 to 1974 the emergence of newly independent states worldwide and the struggles of the civil rights movement in the United States exposed the limits of racial integration and political freedom Dissidents, leaders and elites alike were linked in a struggle for power in a world where the rules of the game had changed Brenda Gayle Plummer traces the detailed connections between African Americans' involvement in

international affairs and how they shaped American foreign policy integrating African American history the history of the African Diaspora and the history of United States foreign relations These topics usually treated separately not only offer a unified view of the period but also reassess controversies and events that punctuated this colorful era of upheaval and change

Incarcerating the Crisis Jordan T. Camp, 2016-04-18 The United States currently has the largest prison population on the planet Over the last four decades structural unemployment concentrated urban poverty and mass homelessness have also become permanent features of the political economy These developments are without historical precedent but not without historical explanation In this searing critique Jordan T Camp traces the rise of the neoliberal carceral state through a series of turning points in U S history including the Watts insurrection in 1965 the Detroit rebellion in 1967 the Attica uprising in 1971 the Los Angeles revolt in 1992 and events in post Katrina New Orleans in 2005 Incarcerating the Crisis argues that these dramatic events coincided with the emergence of neoliberal capitalism and the state s attempts to crush radical social movements Through an examination of the poetic visions of social movements including those by James Baldwin Marvin Gaye June Jordan Jos Ram rez and Sunni Patterson it also suggests that alternative outcomes have been and continue to be possible
