## **Paul J Meyer And The Art Of Giving:**

Paul J. Meyer and the Art of Giving John Edmund Haggai, 1994 The Art of Giving which Paul J Meyer cultivates can be summed up in the Biblical challenge Give and it will be given to you The person who meets the challenge who determines to become a giver in all five resources finance information relationships spirit time and energy will enjoy the peace and the thrill and the financial security of proving God s promise Most people think giving is a luxury they can t afford They say they ll give when they get rich They say giving is painful because it demands sacrifice They say a person who gives seriously is a saint or a sucker They re wrong The Art of Giving is a biography of Paul J Meyer and how he is a role model for the next millennium He doesn t give his surplus earnings he sets giving targets then works to meet them The commitment and scope of his philanthropy are without parallel in modern times and his giving underpins his success He wants to change the world And he s already begun Know Can Do!
