Jerome,2019-01-10 Paul Kelter is a 1902 autobiographical novel by Jerome K Jerome best known for Three Men in a Boat From the novel a passage which seems to refer to Jerome s coming of age Returning home on this particular day of days I paused upon the bridge and watched for a while the lazy barges maneuvering their way between the piers It was one of those hushed summer evenings when the air even of grim cities is full of whispering voices and as turning away from the river I passed through the white toll gate I had a sense of leaving myself behind me on the bridge So vivid was the impression that I looked back half expecting to see myself still leaning over the iron parapet looking down into the sunlit water Wikipedia **Paul Kelter** Jerome Klapka Jerome,1902 **Paul Kelter** Jerome K. Jerome,2015-03-04 Then ain t I a lucky little boy I asked For hitherto it had been Mrs Fursey s method to impress upon me my exceptional good fortune That I could and did involuntarily retire to bed at six while less happily placed children were deprived of their natural rest until eight or nine o clock had always been held up to me as an astounding piece of luck Some

little boys had not a bed at all for the which in my more riotous moments I envied them Again that at the first sign of a cold it became my unavoidable privilege to lunch off linseed gruel and sup off brimstone and treacle a compound named with deliberate intent to deceive the innocent the treacle so far as taste is concerned being wickedly subordinated to the brimstone was another example of Fortune s favouritism other little boys were so astoundingly unlucky as to be left alone when they felt ill If further proof were needed to convince that I had been signalled out by Providence as its especial protege there remained always the circumstance that I possessed Mrs Fursey for my nurse The suggestion that I was not altogether the luckiest of children was a new departure Paul Kelter (Classic Reprint) Jerome K.
