Paul Kruger And His Times:

Paul Kruger and His Times (Classic Reprint) F. Reginald Statham, 2015-08-08 Excerpt from Paul Kruger and His Times One of the chief difficulties in writing a biography of President Kruger arises from his own reluctance to talk either about himself or his career The reluctance cannot but be respected though it may well be wished that it could be overcome Beyond this the earlier records of Transvaal history are both slender and scattered The author most gratefully acknowledges his indebtedness to Dr G M Theal the distinguished author of the History of South Africa who has kindly supplied the key to the true history of various matters connected with the South African Republic especially in the earlier stages of its existence Dr Jorissen s book too Transvaalsche Herinneringen has proved of the utmost service in respect of later events About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Paul Kruger and His Times Francis Reginald Statham, 1898

The Memoirs of Paul Kruger Paul Kruger, Alexander Teixeira de Mattos, August Schowalter, 1902

The Memoirs of Paul Kruger Paul Kruger, 2021-04-04 Paul Kruger was the dominating figure of Boer and therefore South African history of the nineteenth century His life spanned the time of the Great Trek the European settlement of the interior right up to the end of the Second Boer War and the shadow of his political career stretched deep into the twentieth century His memoirs dictated while in exile shortly after the end of the Second Boer War provide a remarkable and unique insight into this period of history from a perspective which no other work has ever delivered This fast moving account starts with a short biographical account of Kruger s early years in the British ruled Cape Colony his participation in the Great Trek and pioneer life in the interior The narration then swiftly moves on to describe the founding of the Boer republics of the Orange Free State and the South African Republic Transvaal Intertwined in this dramatic story is Kruger s own activities and his entry into public life first as a local commander a field cornet then as elected commandant general of the armed forces Kruger throws light on the Boer civil war of 1861 1864 the ongoing conflict with the surrounding African tribes and the events leading up to the 1877 British annexation of the Transvaal Kruger s role in the resulting Boer insurrection which resulted in the First Boer War and the British Empire s first defeat since the American Revolution is dealt with in full Kruger s election first as vice president of the Transvaal and thereafter as president a process to be repeated four times firmly established his dominating presence in South African history Finally he describes in detail the events which led

to the outbreak of the Second Boer War and his exile to Europe This new edition contains the full text and original footnotes from the first German and English language editions and a number of new footnotes explaining events terms and personalities to the present day reader It also contains a new epilogue which briefly describes Kruger s life and death in exile It also contains all eleven appendices from the original edition *Paul Kruger and His Times* F. With Protrait and Map** Francis Reginald Statham, *The Memoirs of Paul Kruger, Four Times President of the South African Republic* Paul Kruger,1902 *Myths and Nationhood* George Schopflin,Geoffrey Hosking,2013-09-13 Myths are central to the way we live and how we define ourselves In this pioneering book a group of specialists among them Anthony Smith Norman Davies Geoffrey Hosking and George Schopflin look at the general and

theoretical nature of myth on a universal basis and examine the specific myths of various nations With nationhood and ethnicity at the centre of political attention the book is timely in illuminating the deeper underlying issues of nationalism that cause so much conflict throughout the world The Boer War Fred R. van Hartesveldt, 2000-05-30 One hundred years after the Boer War the British continue to debate what went wrong while the war has significant nationalist overtones in today's South Africa This book examines changes in interpretations of the war and provides a bibliography of major sources on the Boer War now sometimes called the South African War The bibliography focuses on the military history but also includes some historical accounts of the political debate The first part of the book provides an extended historiographical essay while part two provides an annotated bibliography of the titles discussed in part one Historiographical questions concerning the Boer War are numerous Discussions of military operations focus on the early use of modern weaponry and the effect of guerrilla tactics on a traditional force while other historians debate the question of British military leadership and organization Questions also revolve around British imperialism and the scramble for Africa Frequently called the second war for freedom by South African authors the war was the reason that South Africa unlike other British colonies gained independence without majority rule This makes the war of continuing relevance to the turmoil in South Africa the collapse of the minority government and the continuing problems of the current government This book will provide a useful tool for those wishing to research the war *The Academy and Literature*, 1898 The Memoirs of Paul Kruger; Four Times President of the South African Republic Volume 1 Paul Kruger, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1902 edition Excerpt APPENDIX I Circular Dispatch From The State President To The Commandant General Assistant Commandants General And Officers Machadodorp 24 July 1900 I see by your report and many other reports that the spirit of unbelief walketh about like a roaring lion seeking to make our men lose heart Brothers you must understand when you let the enemy pass you and you begin to hesitate whether you shall attack him or not you drive the others who still remain behind in the whole country wherever they hear this to hesitate and doubt in their turn but when you do your duty and attack him wherever he shows himself then you inspire our men who have remained on the farms in the Republic and who hear this with courage to help in the fighting though they and we too be but few For the victory is not in the hand of the greater force but in the hand of the Lord and the Lord gives it to them who fight in His name however few we may be Listen to the words of the Lord When He forsakes the people He blunts its sword and does not bless it and see we are convinced of that that the Lord has not blunted our sword but on the contrary has blessed it wonderfully against the enemy Wherever the enemy attacks us and fires thousands and thousands of shots at the few of us our few shots hit many more of his men than do his of ours Is it not the spirit of unbelief that hovers through the air to bring us to doubt and thus to make us guilty before the Lord and to let us doubt that ail is within the power of the Lord And has it not yet become evident to you

that as I said in my former sentence we live in a time when we are being tried by faith He who stands firm in the Lord can say with the Apostle Paul and with Timothy Be not discouraged
