Duberman, 2014-08-12 The remarkable life of Paul Robeson quintessential Harlem Renaissance man scholar all American actor activist and firebrand Born the son of an ex slave in New Jersey in 1898 Paul Robeson endowed with multiple gifts seemed destined for fame In his youth he was as tenacious in the classroom as he was on the football field After graduating from Rutgers with high honors he went on to earn a law degree at Columbia Soon after he began a stage and film career that made him one of the country's most celebrated figures But it was not to last Robeson became increasingly vocal about defending black civil rights and criticizing Western imperialism and his radical views ran counter to the country's evermore conservative posture During the McCarthy period Robeson's passport was lifted he was denounced as a traitor and his career was destroyed Yet he refused to bow His powerful and tragic story is emblematic of the major themes of twentieth century history Martin Duberman's exhaustive biography is the result of years of research and interviews and paints a portrait worthy of its incredible subject and his improbable story Duberman uses primary documents to take us deep into Robeson's life giving Robeson the due that he so richly deserves *Robeson* Arnold H. Lubasch, 2012-10-18 Paul Robeson was a

towering figure in American culture conquering many disparate venues from football and film to law to Shakespeare An extraordinary athlete scholar actor singer Robeson also became a crusader for human rights And though he was admired by many his controversial support of the Soviet Union during the Cold War and the era of McCarthyism led to ostracism and his declining health In *Robeson: An American Ballad* Arnold H. Lubasch chronicles the remarkable life of this twentieth century original In this concise and readable account Lubasch a New York Times veteran for almost 40 years reports on Robeson's life story more accurately and clearly than any previous books In addition to detailing the highs and lows of Robeson's life and career Lubasch offers several personal anecdotes about this American icon and includes commentary on the 100th anniversary celebration of Robeson's birth This engaging work will be of interest to virtually everyone but especially to scholars and students of U.S. and African American history and culture *Fires in the Dark* Kay Redfield Jamison, 2024-05-14

The acclaimed author of *An Unquiet Mind* considers the age-old quest for relief from psychological pain and the role of the exceptional healer in the journey back to health To treat even to cure is not always to heal In this expansive cultural history of the treatment and healing of mental suffering Kay Jamison writes about psychotherapy what makes a great healer and the role of imagination and memory in regenerating the mind From the trauma of the battlefields of the twentieth century to those who are grieving depressed or with otherwise unquiet minds to her own experience with bipolar illness Jamison demonstrates how remarkable psychotherapy and other treatments can be when done well She argues that not only patients but doctors must be healed She draws on the example of W. H. R. Rivers the renowned psychiatrist who treated poet Siegfried Sassoon and other World War I soldiers and discusses the long history of physical treatments for mental illness as well as the

ancient and modern importance of religion ritual and myth in healing the mind She looks at the vital role of artists and writers as well as exemplary figures such as Paul Robeson who have helped to heal us as a people *Fires in the Dark* is a beautiful meditation on the quest and adventure of healing the mind on the power of accompaniment and the necessity for knowledge
