The Leopard Boy Daniel Picouly,2016-01-11 October 15 1793 the eve of Marie Antoinette s execution The Reign of Terror has descended upon revolutionary France and thousands are beheaded daily under the guillotine Edmond Coffin and Jonathan Gravedigger two former soldiers now employed in disposing of the dead are hired to search the Parisian neighborhood of Haarlem for a mysterious mixed race leopard boy whose nickname derives from his mottled black and white skin Some would like to see the elusive leopard boy dead while others wish to save him Why so much interest in this child He is rumored to be the son of Marie Antoinette and a man of color the Chevalier de Saint George perhaps or possibly Zamor the slave of Madame du Barry mistress of Louis XV This wildly imaginative and culturally resonant tale by Daniel Picouly audaciously places black and mixed race characters including King Mac creator of the first hamburger who hands out figures of Voltaire and Rousseau with his happy meals and the megalomaniac Black Delorme creator of a slavery theme park at the forefront of its Revolution era story Winner of the Prix Renaudot one of France s most prestigious literary awards this book envisions a Black France two hundred years before the term came to describe a nation transformed through its postcolonial immigrant population CARAF Books Caribbean and African Literature Translated from French
