Pauline Writings

William Walker, Jr.

Pauline Writings:

The Pauline Writings Stanley E. Porter, Craig A. Evans, 2015-01-29 This volume collects the best articles on the Pauline writings from the first fifty issues of the Journal for the Study of the New Testament The range of the volume reflects the breadth of the journal itself Here the reader will find ground breaking studies which introduce new critical questions and move into fresh areas of enquiry surveys of the state of play in this particular topic of New Testament studies and articles which engage with each other in specific debates For students this book offers an invaluable critical introduction to Pauline studies More advanced students and scholars can use it to find background material or to gain an overview of the research in this area of scholarship This builds on the reputation of JSNT as a conduit for first class research and a major influence within the scholarly community

The Pauline Epistles R. D. Shaw, 1913 The Pauline Corpus in Early Christianity Benjamin Paul Laird, Tomas Bokedal, 2022-01-01 The Pauline Corpus in Early Christianity Its Formation Publication and Circulation offers a comprehensive and wide ranging examination of the canonical development of the collection of writings associated with the Apostle Paul The volume considers a number of clues from the New Testament writings ancient literary conventions related to the composition and collection of letters and a variety of early witnesses to the early state of the corpus such as biblical manuscripts canonical lists and the testimony of writers As a conclusion to these inquiries Laird argues that at least three major archetypal editions of the Pauline corpus those containing 10 13 and 14 letters appear to have been collected and edited as early as the first century These major archetypal editions Laird concludes circulated simultaneously for many years until editions containing 14 letters became nearly universally recognized by the fourth century The volume serves as a valuable resource of information for those engaged in the study of the early state of the New Testament canon and offers a fresh perspective on the process that led to the formation of the Pauline corpus

Interpolations in the Pauline Letters William Walker, Jr., 2002-02-01 In this fundamental and at times provocative study Walker demonstrates that Paul s letters contain later non Pauline additions or interpolations and that such interpolations can sometimes be identified with relative confidence He begins by establishing that interpolations are to be assumed simply on a priori grounds that direct text critical evidence is not essential for their recognition that the burden of proof in their identification is lighter than most have assumed and that specific evidence for interpolation is often available Successive chapters then argue that 1 Cor 11 3 16 1 Cor 2 6 16 1 Cor 12 31b 14 1a and Rom 1 18 2 29 are in fact non Pauline interpolations and Walker goes on to summarize arguments for the same conclusion regarding five additional passages A brief epilogue addresses the question of interpolations and the canonical authority of scripture The Pauline Epistles R. D. Shaw, 1904 **Scalometry and the Pauline Epistles** George K. Barr, 2004-06-15 Scale is well known and understood in creative arts such as architecture sculpture and music but New Testament scholars have given no significant consideration to scale changes in the Biblical texts A robust methodology allows scale changes in literature to be examined

scientifically and reveals scale related patterns in the epistles To determine the significance of these patterns George Barr has conducted a wide survey covering many texts in Greek Latin and English It reveals that the patterns found in the New Testament are very rare indeed if not unique and gives grounds for the belief that such patterns are associated with authorship The patterns found in the Pauline epistles clarify some theories regarding the origins of the epistles and in some cases shed new light on their compilation The Letters to Timothy and Titus Philip H. Towner,2006-07-12 The most accessible most broadly pitched full length commentary on Timothy and Titus this NICNT volume explores Paul s three letters to Timothy and Titus within their historical religious and cultural settings In his introduction Towner sets out the rationale for his historical approach questions certain assumptions of recent critical scholarship and establishes the uniqueness and individuality of each letter Significantly Towner s work displays unprecedented interaction with four recent major commentaries on these Pauline letters Centered on an outstanding translation of the Greek text and including thorough footnotes bibliographical citations and indexes Towner s commentary on Timothy and Titus is sure to become a standard reference for busy pastors students and scholars *Paul, the Apostle of Jesus Christ* Ferdinand Christian Baur,1876 *Pre-Existence, Wisdom, and The Son of Man* R. G. Hamerton-Kelly,Robert Hamerton-Kelly,2005-01-27 A study of the various forms that the idea of pre existence takes in early Jewish and Biblical traditions **The Writings of the New Testament** Luke Timothy Johnson,2010-03-01 Luke Timothy Johnson offers a compelling interpretation of the New Testament as a witness to the rise of early faith in Jesus Critically judicious and theologically attuned to the role of the New Testament in the life of the church Johnson deftly guides his reader through a wealth of historical and literary description and invites critical reflection on the meaning of these ancient writings for today The third edition is carefully updated and includes new student friendly format and features including a new design and study and reflection questions **Colin Gunton's Trinitarian Theology of Culture** Andrew Picard,2024-06-27 Whilst upholding some of the criticisms of Colin Gunton s work this incisive book argues that there is a Hauptbriefe in Gunton reception that assumes his early classic works *The One the Three and the Many* and *The Promise of Trinitarian Theology* 1st ed are definitive of his project and fail to engage adequately with the progressions in Gunton s later thought Instead this book offers a fresh reading of Gunton by giving greater prominence to his later writings which are centred in the mediation of the Son and the Spirit in creation Andrew Picard argues that Gunton s trinitarian theology of culture emerges from his later trinitarian theology of mediation creation Christology pneumatology and ecclesiology Exploring these doctrinal foci enables an understanding of Gunton s account of faithful human culture as embodied worship a living sacrifice of praise which contributes to the divine redemption and perfection of creation It is the church s particular calling to embody such praise through its visible life in community The study concludes by intersecting Gunton s theology with the social sciences to critique ableism and consider the politics of the church s belonging in community **Creating the Canon** Benjamin P. Laird,2023-07-11 Some questions about the New

Testament are far from settled to say nothing of misconception and confusion In this wide ranging yet accessible overview Benjamin Laird offers constructive insight on matters tied to the composition collection and authority of the New Testament canon

The Oxford Handbook of Hebrews and the Catholic Epistles Patrick Gray, 2024 The study of Hebrews and the Catholic Epistles was never truly confined to their place in fraught ecclesiastical disputes Recent decades have witnessed a resurgence of interest in these writings The present volume seeks to assess the relevance of these works to various questions that are often posed to other parts of the New Testament canon to report on the current state of scholarship devoted to the interpretive issues they raise and to survey their rich and often overlooked afterlives

Pastoral Epistles, Volume 46 Zondervan, 2017-10-10 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation This series emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship

Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context date authorship composition interpretive issues purpose and theology Each section of the commentary includes Pericope Bibliography a helpful resource containing the most important works that pertain to each particular pericope Translation the author's own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words phrases and tenses yet in reasonably good English Notes the author's notes to the translation that address any textual variants grammatical forms syntactical constructions basic meanings of words and problems of translation Form Structure Setting a discussion of redaction genre sources and tradition as they concern the origin of the pericope its canonical form and its relation to the biblical and extra biblical contexts in order to illuminate the structure and character of the pericope Rhetorical or compositional features important to understanding the passage are also introduced here Comment verse by verse interpretation of the text and dialogue with other interpreters engaging with current opinion and scholarly research Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels 1 within the context of the book itself 2 its meaning in the OT or NT 3 its place in the entire canon 4 theological relevance to broader OT or NT issues General Bibliography occurring at the end of each volume this extensive bibliography contains all sources used anywhere in the commentary

The Pseudepigraphal Letters to the Thessalonians Marlene Crüsemann, 2018-12-13 Marlene Crüsemann examines the Thessalonian letters in the context of Jewish Christian social history building upon her analysis of 1 Thessalonians Crüsemann comes to the conclusion that it is post apostolic epistolary communication and questions whether it is a letter of Paul and indeed whether it is an early letter This analysis in turn adds weight to the thesis propounded by some

previous scholars that the letter is somewhat out of place and may be a later work by another author Cr semann subsequently illustrates that 2 Thessalonians by contrast revokes the far reaching social separation from Judaism that characterizes 1 Thessalonians and thus aims socio historically at a solidarity with the entire Jewish people Analysing the concept of the Jews as supposed enemy the future of the Greek gentile community and the relationship between the two letters Cr semann concludes that the discussion about a divergence of the ways of Christians and Jews in early Christian times needs to be realigned Letters in Primitive Christianity William G. Doty,2014-12-02 Here at last is the synthesis of the diverse research on the letters of the early Christians the primary medium for primitive Christian business theology and teaching With unusual clarity William G Doty discusses both the cultural setting of the letters and the literary aspects of the epistles of the early Christians to offer further clues to these people and their times Singling out Paul s letters Doty analyzes their formal and structural features and examines their importance as the norm for the early church Other New Testament letters which disclose the development of a long series of writings in that form are also explored **The Witness of the Epistles** Richard John Knowling,1892 *Paul in Acts and Paul in His Letters* Daniel Marguerat,2013 The reception of Paul in the first century is a highly debated issue Daniel Marguerat defends the position of a threefold reception of Paul in parallel ways documentary biographical and doctoral Marguerat advocates that the value of the phenomena of reception be appreciated in particular the figure of Paul in Acts It should not systematically be compared to the apostle s writings even though this image evolves from a Lukan reinterpretation The essays concern the literary and theological construction of the book of Acts focusing on the figure of Paul his rapport with the Torah the Socratic model the Lukan character construction the resurrection as central theme in Acts the significance of meals They also treat themes of Pauline theology Paul the mystic the justification by faith imitating Paul as father and mother of the community and the woman s veil in Corinth The Zondervan Encyclopedia of the Bible, Volume 2 Zondervan,2010-08-10 Revised edition Volume 2 of 5 The Zondervan Encyclopedia of the Bible has been a classic Bible study resource for more than thirty years Now thoroughly revised this new five volume edition provides up to date entries based on the latest scholarship Beautiful full color pictures supplement the text which includes new articles in addition to thorough updates and improvements of existing topics Different viewpoints of scholarship permit a wellrounded perspective on significant issues relating to doctrines themes and biblical interpretation The goal remains the same to provide pastors teachers students and devoted Bible readers a comprehensive and reliable library of information More than 5 000 pages of vital information on Bible lands and people More than 7 500 articles alphabetically arranged for easy reference Hundreds of full color and black and white illustrations charts and graphs 32 pages of full color maps and hundreds of black and white outline maps for ready reference Scholarly articles ranging across the entire spectrum of theological and biblical topics backed by the most current body of archaeological research 238 contributors from around the world **The Pastoral Epistles** Stanley E. Porter,2023-10-17 Leading New Testament

scholar Stanley Porter offers a comprehensive commentary on the Pastoral Epistles that features rigorous biblical scholarship and emphasizes Greek language and linguistics. This book breaks new ground in its interpretation of these controversial letters by focusing on the Greek text and utilizing a linguistically informed exegetical method that draws on various elements in contemporary language study. Porter pays attention to the overall argument of the Pastoral Epistles while also analyzing word meanings and grammatical structures to tease out the textual meaning. Porter addresses major exegetical issues that arise in numerous highly disputed passages and, while attentive to the history of scholarship on First Timothy, Second Timothy, and Titus, often takes untraditional or innovative positions to blaze a new path forward rather than adopt settled answers. This commentary will appeal to professors, students, and scholars of the New Testament.

Unveiling the Power of Verbal Art: An Mental Sojourn through **Pauline Writings**

In a world inundated with monitors and the cacophony of instant conversation, the profound power and psychological resonance of verbal beauty frequently fade into obscurity, eclipsed by the constant assault of noise and distractions. However, situated within the musical pages of **Pauline Writings**, a captivating perform of literary brilliance that pulses with fresh feelings, lies an wonderful journey waiting to be embarked upon. Composed by a virtuoso wordsmith, this exciting opus courses viewers on an emotional odyssey, softly exposing the latent potential and profound influence embedded within the complicated web of language. Within the heart-wrenching expanse of this evocative evaluation, we will embark upon an introspective exploration of the book is central themes, dissect their fascinating writing style, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
