Pauls Letter To The Romans A Socio Rhetorical Commentary:

Paul's Letter to the Romans Ben Witherington, 2004-03-02 While Paul's letter to the Romans is the most studied and commented on document from the biblical period the major exegetical books on Romans from the nineteenth and twentieth centuries have been overwhelmingly shaped by the Reformed tradition Through a careful survey of work on Romans by both ancient Church Fathers and modern exegetical scholars Ben Witherington III here argues that the interpretation of Romans since the Reformation has been far too indebted to and at key points led astray by Augustinian readings of the text as filtered through Luther Calvin and others In this first full scale socio rhetorical commentary on Romans Witherington gleans fresh insights from reading the text of Paul's epistle in light of early Jewish theology the historical situation of Rome in the middle of the first century A D and Paul's own rhetorical concerns Giving serious consideration to the social and rhetorical background of Romans allows readers to hear Paul on his own terms not just through the various voices of his later interpreters Witherington's groundbreaking work also features a new clear translation of the Greek text and each section of the commentary ends with a brief discussion titled Bridging the Horizons which suggests how the ancient text of Romans may speak to us today

Paul's Letter to the Philippians Ben Witherington, 2011-10-06 Interprets Paul's letter in light of its rhetorical content and cultural context Skeptical of the trend among many biblical scholars to analyze Paul's short affectionate letter to the Philippians in light of Greco Roman letter writing conventions Ben Witherington instead looks at Philippians as a masterful piece of long distance oratory an extension of Paul's oral speech dictated to a scribe and meant to be read aloud to its recipients Witherington examines Philippians in light of Greco Roman rhetorical conventions identifying Paul's purpose highlighting his main points and his persuasive strategies and considering how his original audience would have heard and received Paul's message

Paul's Letter to the Romans and Roman Imperialism Ian E Rock, 2017-05-25 Ian E Rock demonstrates that the Letter to the Romans may be seen as an attempt by a subordinate group to redress actual and potential issues of confrontation with the Empire and to offer hope even in the face of death Paul demonstrates that it is God's peace and not Rome's peace that is important that loyalty to the exalted Jesus as Lord and to the kingdom of God not Jupiter and Rome leads to salvation that grace flows from Jesus as Christ and Lord and not from the benefactions of the Emperor If the resurrection of Jesus the crucified criminal of the Roman Empire demonstrates God's power over the universe and death the very instrument of Roman control then the Christ believer is encouraged to face suffering and death in the hope of salvation through this power Paul's theology emerges from and is inextricably bound to the politics of his day the Scriptures of his people and to the critical fact that the God who is One and Lord of all is still in charge of the world

Paul's Letter to the Romans Colin G. Kruse, 2012-06-14 In this Romans commentary Colin Kruse shows how Paul expounds the gospel against the background of God's sovereign action as creator judge and redeemer of the world from publisher description

Colometric Analysis of Paul's Letters Priscille Marschall, 2024-03-13 Priscille Marschall explores

some stylistic aspects of Paul's letters in particular their oral oriented logic of structuration employing Chapters 10-13 of Second Corinthians as a case study The method of analysis draws upon the rhetorical treatises of the Greco-Roman world

The Ethnographic Character of Romans Susann M. Liubinskas, 2019-02-05 In this work Susann Liubinskas provides a coherent reading of Paul's letter to the Romans in light of ancient ethnography Paul like his contemporaries harnesses the apologetic power of this genre in order to fortify the members of the Roman house churches to maintain their distinctiveness by arguing for the historical legitimacy of the Christ movement's laws, customs, and way of life When the law-faith dichotomy is considered within the larger context of Paul's ethnic discourse its primary function as the means by which Paul draws lines of continuity and discontinuity between the Christ movement and its venerable Jewish roots comes to light Rather than viewing Paul as dealing with two different religions we see Paul working to position believing Jews and Gentiles in relationship to Israel's history with God particularly as it finds its climax in Jesus Christ Thus Paul utilizes the law-faith dichotomy not to describe two paths of salvation but to redefine the people of God in the new age as ethnically inclusive

Paul's Letters and Contemporary Greco-Roman Literature Paul Robertson, 2016-05-23 In this volume Paul Robertson re-describes the form of the apostle Paul's letters in a manner that facilitates transparent empirical comparison with texts not typically treated by biblical scholars Paul's letters are best described by a set of literary characteristics shared by certain Greco-Roman texts particularly those of Epictetus and Philodemus Paul Robertson theorizes a new taxonomy of Greco-Roman literature that groups Paul's letters together with certain Greco-Roman ethical philosophical texts written at a roughly contemporary time in the ancient Mediterranean This particular grouping termed a socio-literary sphere is defined by the shared form, content, and social purpose of its constituent texts as well as certain general similarities between their texts authors

Doing "the Good" in Paul's Ethical Vision T. Luke Post, 2023-02-28 Despite the longstanding debate surrounding the relationship between faith and good works in the apostle Paul's writings no one to date has undertaken a thorough examination of Paul's use of good terminology in ethical contexts This study seeks to fill this gap by examining Paul's use of and as these terms appear in his undisputed epistles and in 2 Thessalonians Surveying a wide terrain of exegetical territory T. Luke Post makes a compelling case that believers doing good is a primary aim of Paul's theological, social, and ethical agenda

The Rhetoric of Romans Neil Elliott, 2006-12-01 In *The Rhetoric of Romans* Neil Elliott presents a rhetorical critical reading of the letter that indicates that Paul wrote not to counter Jewish opponents or aspects of the Jewish religion nor to legitimize the law-free gentile church but to warn against elements of the Hellenistic church's Christology and an incipient Christian supersessionism that threatened the collection in Jerusalem and the heart of his apostolic work

God in Paul's Letters Timothy Milinovich,Normand Bonneau,Robert F. O'Toole S. J.,2023-06-29 In Pauline studies where Christological questions have often carried the day Paul s understanding of God is emerging to play an equally important role What did it mean to the apostle that God is sovereign Lord of history and creation This volume explores the various ways that the theme of God is foundational to Paul s seven undisputed letters with attention to the diverse perspectives of each letter In addition the volume offers essays on overarching topics such as epistemology and the new creation that Paul describes in his writing The authors engage as well challenging questions including Paul s views on evangelizing all people Jew and Gentile alike Readers will come away with a deeper appreciation for both the theology and the Christology of Paul whose understanding of God provides the key to the salvific plan realized in Christ

commentaries on the books of the New Testament While these essays honor Grant R Osborne they also represent the first sustained effort to systematically address commentary writing in the field of New Testament studies *Grasping God's Word (Enhanced Edition)* J. Scott Duvall, J. Daniel Hays, 2012-09-04 ENHANCED EDITION Just as a rock climber's handhold enables him to master the mountain a firm grasp on God's Word empowers us to traverse the challenging risky slopes of life Grasping God's Word helps college students beginning seminary students and other serious readers get a grip on the solid rock of Scripture how to read it how to interpret it and how to apply it Filling the gap between approaches that are too simple and others that are too technical this book starts by equipping readers with general principles of interpretation then moves on to apply those principles to specific genres and contexts Features include VIDEOS Section introductions by authors and master teachers J Scott Duvall and J Daniel Hays VIDEOS Concluding reflections on the end result of studying God's Word Proven utility in classrooms across the country Hands on exercises to guide students through the interpretation process Emphasis on real life application Supplemented by a website for professors providing extensive teaching materials Accompanying workbook sold separately This third edition includes updated illustrations appendices bibliography and assignments and has been rearranged for clarity In order to emphasize the redemptive narrative arc of the Bible and provide greater canonical correlation the authors have modified the steps of the Interpretive Journey to include a fifth step throughout the book 1 Grasp the text in their town What did the text mean to the biblical audience 2 Measure the width of the river to cross What are the differences between the biblical audience and us 3 Cross the principizing bridge What is the theological principle in this text 4 Cross into the rest of Scripture Does the rest of the canon's teaching modify or qualify this principle 5 Grasp the text in our town How should Christians today apply the theological principle in their lives Grasping God's Word progresses through the following five sections 1 How to Read the Book Basic Tools 2 Contexts Now and Then 3 Meaning and Application 4 The Interpretive Journey New Testament 5 The Interpretive Journey Old Testament *Dynamic Oneness* Suzanne Nicholson, 2011-08-25 The apostle Paul affirms in several places that there is only one God Yet in the same letters Paul also gives praise to the Lord Jesus Christ often using language similar to his descriptions of God How can this self avowed Hebrew of Hebrews reconcile these ideas This book explores the strongest one God statements in Paul's undisputed letters and asks how Paul's Jewish monotheistic understanding informs his overall argument These three texts 1 Corinthians 8:6 Galatians 3:20 and Romans 3:30 occur in very different contexts and address different issues By looking at the historical cultural and grammatical contexts of these passages as well as Paul's language about God and Christ elsewhere in these letters Dr Nicholson argues that Paul's understanding of the one God is not static or perfunctory rather it is dynamic and flexible influencing significant aspects of Paul's Gospel message Paul's ethics his view of salvation history and his soteriology are fundamentally shaped by his understanding of the one God of Israel **Romans and the Mission of God** Mark J. Keown, 2021-12-23 Romans is a missional document Yet strangely while many recognize the missional aspects of

Romans few monographs are totally devoted to unpacking Romans from a missional perspective Romans and the Mission of God does this very thing Part one explores the background of the letter with an eye to positioning Romans in the story of the mission of God the apostle the Roman world and the early church Part two considers how Romans is a contextually shaped presentation of the gospel A range of other aspects of the way in which Paul shapes his message for the Romans are explored including salvation history metaphors and rhetorical techniques and aspects of the letter including elements opposed to God salvation ideas human response ethics and Christian living and the eschaton Part three delves into issues that arise in Romans that are important for contemporary mission These include such things as the cosmic scope of the mission the gospel as the power of salvation who does evangelism the miraculous social justice ecology social transformation generosity and hospitality God s sovereignty and human volition prayer the State culture Israel apologetics and theological thinking This is a must read for those serious about Paul Romans and God s mission *Reading Romans with Roman Eyes* James R.

Harrison,2020-06-22 Paul s letter to the Romans has a long history in Christian dogmatic battles But how might the letter have been heard by an audience in Neronian Rome James R Harrison answers that question through a reader response approach grounded in deep investigations of the material and ideological culture of the city from Augustus to Nero Inscriptional archaeological monumental and numismatic evidence in addition to a breadth of literary material allows him to describe the ideological value system of the Julio Claudian world which would have shaped the perceptions and expectations of Paul s readers Throughout Harrison sets prominent Pauline themes his obligation to Greeks and barbarians newness of life and of creation against the power of death the body of Christ boasting in glory and God s purpose in and for Israel in startling juxtaposition with Roman ideological themes The result is a richer and more complex understanding of the letter s argument and its possible significance for contemporary readers *Paul in the Greco-Roman World: A Handbook* J. Paul

Sampley,2016-10-06 This landmark handbook written by distinguished Pauline scholars and first published in 2003 remains the first and only work to offer lucid and insightful examinations of Paul and his world in such depth Together the two volumes that constitute the handbook in its much revised form provide a comprehensive reference resource for new testament scholars looking to understand the classical world in which Paul lived and work Each chapter provides an overview of a particular social convention literary of rhetorical topos social practice or cultural mores of the world in which Paul and his audiences were at home In addition the sections use carefully chosen examples to demonstrate how particularly features of Greco Roman culture shed light on Paul s letters and on his readers possible perception of them For the new edition all the contributions have been fully revised to take into account the last ten years of methodological change and the helpful chapter bibliographies fully updated Wholly new chapters cover such issues as Paul and Memory Paul s Economics honor and shame in Paul s writings and the Greek novel
