Kanniah, 2018-12-13 Joy in the Christian life has never been a divine suggestion but an indelible part of His new creation yet we have found that much of what is today dubbed Christianity lacks this intrinsic feature As to naming the source of the problem we have found many views But this author has but one to name and that is the laziness of modern Christians in understanding their position in Christ Christians do not make the study of the scriptures a lifestyle Joy as a concept was God s invention not man s and yet today people are convinced that they can obtain this blessing without Him He gave it and outlined only in His Word how to get it and keep it This is why I call it a theology and not a philosophy It requires thinking biblically A pastor of a local church and loves teaching the Bible verse by verse *Philippians: Rejoice in the Lord* Ralph Robert Gomez, 2023-09-18 This is an eight week precept Bible study on the Apostle Paul s letter to the believers in Philippi The Philippian church was started during Paul s second missionary journey when he led a woman named Lydia and a Philippian jailer to the Lord Fast forward ten years and we find Paul on house arrest in Rome for a crime he did not commit

Paul wrote Philippians to thank them for their financial support and encouragement. He also used this letter to address an issue that was threatening to divide the church. Philippians has been described as Paul's joy letter because it emphasizes the joy of living the Christian life. What makes this letter so remarkable is that Paul was joyful and found contentment while wrongfully imprisoned in Rome. How is this possible? Listen to Paul's answer: "I have learned to be content in whatever circumstances I am. I know how to get along with little and I also know how to live in prosperity in any and every circumstance. I have learned the secret of being filled and going hungry, both of having abundance and suffering need." (Philippians 4:11-12). What was Paul's secret for being content and living a joyful life no matter his circumstances? His secret was simple: it was grounded in his faith in Jesus. That's what this study is about. Join me as we follow Paul and experience the special relationship he had with the Philippians and his deep desire to know Christ above all else.
