Frank Stephens,2001-09-15 This book is about a loving and warm family who made their home in the area of Tumbling Creek Virginia in the early 1900s It brings to life an era long ago when there was time for porch sitting and visiting with neighbors When molasses making and taffy pulling parties were the social functions Ben Jensen was very strict in his ways He was compassionate toward his family especially his lovely daughters Katie and Dolly Mammy Belle and Daddy Jensen raised their children in the ways of the Lord with church attendance a priority in their lives One spring day while picking strawberries in the meadow below their home Katie and Dolly Jensen had their first glimpse of the two brothers Seth and Tom Hankins who were fishing in the creek nearby They didn't know that this day they had come face to face with their destiny Three years passed with only vague memories of the two brothers Life continued on Tumbling Creek and Katie and Dolly grew into beautiful young ladies They often wondered what became of the two brothers they had seen fishing on that long ago spring day Mammy Belle was shopping at the local general store and she heard the news that the two brothers had returned from their three year journey across Clinch mountain where they had been employed on a cattle farm Katie and Dolly could hardly contain their excitement Soon romance blossomed and life was never the same again Follow Katie and Dolly as they face great challenges while maturing into womanhood Rejoice with them when they find true love and cry with them when tragedy strikes in the lives of each This is a work of fiction with historical facts added in certain circumstances By Violet June Richardson *Notebook* Denise Gutierrez,2020-01-11 Great present for parents new mom mom mamma mam girl best friend daughter sister aunt aunty baby kids grandma grandmother wife niece girlfriend on Birthday Childbirth Great gift from dad mom little brother big sister husband wife boyfriend son daughter uncle grandpa girlfriend aunt grandma on birthday valentine thanksgiving christmas mother's day father's day *Fiction Ruined My Family* Jeanne Darst,2011-09-29 Beautifully paced heartbreaking and hilarious USA Today Augusten Burroughs meets Mary Karr a deeply funny and wickedly entertaining family memoir The youngest of four daughters in an old celebrated St Louis family of prominent journalists and politicians on one side debutantes and equestrians on the other Jeanne Darst grew up hearing stories of past grandeur And the message she internalized as a young girl was clear While things might be a bit tight for us right now it's only temporary Soon her father would sell the Great American Novel and reclaim the family's former glory The Darsts move from St Louis to New York and Jeanne's father writes one novel then another which don't find publishers This combined with her mother's burgeoning alcoholism lead to financial disaster and divorce And as Jeanne becomes an adult she is horrified to discover that she is not only a drinker like her mother but a writer like her father At first and for years she embraces both activities and until she can stop putting drinking and writing ahead of everything else it's a questionable choice Ultimately Darst sets out to discover whether a person can have the writing without the ruin whether it's possible to be both sober and creative ambitious and happy a professional author and a parent Filled with brilliantly flawed idiosyncratic characters and punctuated by Darst's irreverent eye for absurdity *Fiction Ruined My Family* is a lovingly told wickedly funny portrait of an

The Character Louise Meldrum Anderson, 2011-08-04 Some people tell stories Some people live them This man did both He charmed Air Force Generals and CEO S of huge companies and just as often invited guys with no teeth to dinner He loved life in spite of an atypical childhood and flew his little Piper Cub with only a watch and a ruler for instruments until he was 83 years old He had many incidents flying into major airports got asked to never come back to Sea Tac Airport dropped rocks on our high mountain lakes to see if the ice was solid enough on which to land He had an amazing sense of humor and could turn any situation into a pun or story As you will see *No More Green Chili* Albert Quintana, 2011-04-28 Not to brag but I truly believe that my Mother is the best cook in the world Bar none she has a great heart when it comes to making her best cuisine Her specialty is green chili In Spanish it s pronounced chile verde This homemade chili verde could be the main dish eaten at any given meal but add a homemade tortilla and a side of frijoles beans or a side of fried potatoes or maybe mashed it was a meal to die for One of my favorite dishes was smothered bean burritos So anything you added to the green chili was always a feast The process of making the best dish in world comes quite simply by getting a pound of pork butt and cutting it into small one half inch squares Then fry the squares until they are golden brown Using the grease from the fried pork you then brown the flour to make the gravy add your green chili preferably jalapenos diced tomatoes Mexican oregano cominos garlic salt and of course salt and pepper I can t give it all away because then it would be giving away an old family recipe and that would be taboo Making great meals is a learned thing By this I mean that Mom learned to make green chili from a Mexican woman from Guanajuato Mexico back in 1960 This is the year that Mom and Dad started a Mexican restaurant business in Denver The restaurant was called Quintana Roo Whoever ate her chili always would craved for more The neighboring kids would always hang around to see if Mom would roll them a quick burrito and then they would walk away with the biggest smiles In 1927 Great Grandfather Francisco Duran visited Henry Manuelita and the kids prior to Mom s birth He shared with them a story about a humongous garden that was full of green chili Within this garden the chili was thriving growing in abundance Then one day the chili started dying off The

garden was over taken with weeds and eventually became nonexistent The metaphor here is that Grandpa Francisco equated the garden to our nation and the people who work as the chili When you take the chili out of the garden then your garden is dead When you take the worker laborer bracero miner gardener lumber jack out of our nation you have nation that is dying Who built the Great pyramids The Panama Canal the Empire State Building Hoover Dam and that Golden Gate Bridge Yes you ve guessed it the Chili Verde of our society Have fun reading this book The stories are real and only reflect a part of your history We all need a little chili verde in our lives so enjoy its flavor May it be hot medium or mild **Just Grace Goes**

Green ,2009 Grace can do a lot of things but can she save the planet Or at the very least can she help her best friend Mimi get her favorite stuffed animal back Lots of exciting things are happening to Grace and her friends Most exciting of all Mimi s older cousin Gwen is coming to stay with Mimi and Miss Lois s class is GOING GREEN For their green project Grace and Mimi aim to inspire their friends and classmates to conserve plastic bottles But a far more important issue is that Gwen has taken a strong liking to Mimi s favorite stuffed toy Willoughby Just Grace uses her empathy superpower to figure out ways to make her best friend feel better and she makes a difference for the environment too Yard sales toy owls decorated plastic water bottles flaming onion rings and a very entrepreneurial Sammy Stringer make this another winning entry in the JUST GRACE series
