Paulussen, Rebecca Mignot-Mahdavi**

Return To Isis:

Returning Islamist Foreign Fighters Elena Pokalova, 2019-10-24 This book examines the challenges foreign fighter returnees from Syria and Iraq pose to Western countries. A number of returnees have demonstrated that they are willing to use violence against their home countries and some have already staged terrorist attacks on Western soil on apparent orders from ISIS. Through the historical context of previous waves of mobilizations of Islamist foreign fighters, the author tracks the experiences of returnees from previous conflicts and discusses the major security challenges associated with them. The book analyzes the major approaches implemented by Western countries in response to foreign fighter returnees, discusses the prosecution of returnees, and evaluates the corresponding challenges of prison radicalization.

Returning Home Helen Stenger, 2024-12-16 In March 2019, ISIS was territorially defeated. ISIS members were captured and detained: men were sent to prison and women and children to camps in northern Syria. This is an unprecedented situation where, for the first time, thousands of female members of a terrorist group are detained in a foreign country without access to legal mechanisms, rehabilitation, or reintegration measures. What happens to the foreign women and children who are not repatriated from the camps? If they are repatriated, are there rehabilitation and reintegration programmes in place that account for the experiences the women had? Most existing rehabilitation and reintegration programmes are gender neutral; that is, they claim to be universal and are not tailored specifically to male or female beneficiaries. Yet typically these programmes are influenced by implicit gender norms and assumptions such as that men are violent perpetrators of aggression and women are victims who are peaceful and lack agency. Alongside gender norms, intersecting racial and religious dynamics also shape how governments handle the repatriation, rehabilitation, and reintegration of ISIS returnees. This includes racial profiling, the conflation between Islam and extremism, and more broadly, the rising Islamophobia in many countries, particularly since the War on Terror. These dynamics lead to an absence of rehabilitation and reintegration programmes specifically designed for women's diverse experiences, which is the subject of this book. *Returning Home* examines state responses to repatriation, rehabilitation, and reintegration of ISIS returnees from an intersectional perspective, with a focus on ISIS women returnees. This book addresses the biased understandings that are built into scholarship and policy responses that reinforce gendered and racialized inequalities. It outlines how these dynamics can be uncovered and redressed by designing policies that are responsive to gender differences, inequalities, and harmful norms.

Returning Foreign Fighters: Responses, Legal Challenges and Ways Forward Francesca Capone, Christophe Paulussen, Rebecca Mignot-Mahdavi, 2023-03-24 This book is a follow-up publication to the 2016 volume *Foreign Fighters under International Law and Beyond*, which zooms in on the responses that the international community and individual States are implementing in response to prospective and actual returning foreign fighters (FFs) and their families, focusing on returnees from Syria and Iraq to European countries. As States and international organisations are still learning by doing, the role of the academic community is to help steer the process by

bridging the divide between international standards and their implementation at the national level and between security concerns and human rights law Furthermore the academic community can and should assist in identifying ways forward that are both effective sustainable and international law compliant Those are ultimately the goals that the present volume seeks to pursue The observations recommendations and warnings included in this book will be useful in future debates on returning FFs both in the academic world and in the world of policy makers and practitioners as well as to the public at large

Francesca Capone is Associate Professor of International Law at the Istituto DIRPOLIS of the Scuola Superiore Sant Anna in Pisa Italy Christophe Paulussen is Senior Researcher International Law at the T M C Asser Instituut in The Hague The Netherlands Rebecca Mignot Mahdavi is Lecturer in International Law at the Manchester International Law Centre University of Manchester School of Law in Manchester United Kingdom

Intolerant Justice Asif Efrat,2023 The idea of facing a court in a foreign country would typically cause serious doubt about whether the foreign legal process and its outcome would be fair Intolerant Justice examines the political implications of those doubts regarding foreign justice and how they might hinder international cooperation among national legal systems Should we allow our troops to stand trial in foreign courts Should we extradite offenders to countries with a poor human rights record Should we enforce rulings issued by foreign judges This book examines the domestic political controversies over these sensitive legal questions

Cases, Materials, and Commentary on the European Convention on Human Rights Alastair Mowbray,2012-03-29 This edition provides students with an invaluable guide to the key jurisprudence of the European Court as well as essential background on the creation of the Convention

Religicide Georgette F. Bennett,Jerry White,2022-11-22 A brave and timely proposal to name investigate and ultimately stop a new crime the mass murder of millions of people for their faith Religion related violence is the fastest spreading type of violence worldwide Attacks on religious minorities follow a clear pattern and are preceded with early warning signs Until now such violence had no name let alone a set of policies designed to identify and prevent it A unique attempt to create a new moral and legal category alongside other forms of persecution and mass murder Religicide explores the roots of atrocities such as the Armenian Genocide the Holocaust the Bosnian war and other human rights catastrophes The authors tap into their decades of activism interreligious engagement and people to people diplomacy to delve into a gripping examination of contemporary religicides the Yazidis in Iraq the Rohingya in Myanmar Uyghur Muslims and Tibetan Buddhists in China and the centuries long efforts to wipe out Indigenous Americans Yet even in the face of these horrific atrocities the authors resist despair They amplify the voices of survivors and offer a blueprint for action calling on government business civil society and religious leaders to join in a global campaign to protect religious minorities

FHWA News ,2006 World History Philip Parker,2017-10-03 Take a trip through the defining moments of our global story and see the thinkers leaders ideas and inventions that have shaped the

world Presented in a beautiful slipcase World History is an essential guide for anyone who loves history or wants to broaden their knowledge This accessible book covers over 350 of the world s most important turning points from our earliest human ancestors of prehistory to political events of the modern world Follow detailed maps showing the continuous movement of humans across the Earth and examine fascinating paintings illustrating the events and individuals that took them there Beautiful photography throughout the book will carry you back in time to see the people and places of the stories along with stunning artifacts from every historical period From magnificent buildings like the Colosseum to magnificent words like I have a dream this guide brings history s most significant events to life for every reader to discover and enjoy ICSGS 2019

Muhammad Syaroni Rofii, Adis Imam Munandar, Danial Mohd. Yusof, 2020-11-13 The International Conference on Strategic and Global Studies is organized by the School of Strategic and Global Studies SSGS Universitas Indonesia The ICSGS conference is an annual meeting event involving lecturers students and researchers who are concerned with contemporary national and international issues that are directly related to the problems faced by the government and the private sector using a multidisciplinary approach Participants of this conference came from the ASEAN region and the global network of the Universitas Indonesia **Granta 143** Sigrid Rausing, 2018-05-14 Jason Cowley it wasn t a Brexit murder David Flusfeder the last shopkeepers of London Charles Glass in Palmyra Stephen Sharp Mother s death Sana Valiulina remembers her father a Gulag prisoner Anthony Doerr on Edward Burtynsky New fiction from Brian Allen Carr Joshua Cohen Ho Sok Fong A M Homes and Susan Straight Photography by Edward Burtynsky Don McCullin and Gus Palmer Poetry Will Harris Nathaniel Mackey and Chelsea Minnis **Nine for the Devil** Eric Mayer, Mary Reed, 2012-03-01 The year is 548 and Empress Theodora is dead Emperor Justinian suspects murder and orders John his Lord Chamberlain to find her killer or suffer the consequences Many aristocrats at the imperial court had reason to want Theodora dead General Artabanes Justinian s cousin Germanus and Antonina and her husband General Belisarius have suffered at Theodora s hands Might Gaius palace physician have tampered with Theodora s medication Even Pope Vigilius detained in the capital by a religious controversy is not above suspicion Meanwhile John must also grapple with domestic upheavals His daughter is about to give birth and his aging servant Peter is dying Will John be able to serve justice his loved ones and the emperor *The History of Syria* John A. Shoup, 2018-10-25 Syria is a country in turmoil making headlines almost daily with news about its violent civil war and refugee crisis This one volume addition to the Greenwood Histories of the Modern Nations series focuses on the events in the history of Syria from ancient times to the present allowing readers to place current events within the context of the country s history Following the series format the book opens with a timeline of key events in Syria s history An introductory chapter provides a broad overview of life in Syria today Chronologically arranged chapters follow beginning with Prehistory to the Byzantine Period The latter half of the volume focuses on the modern historic events that have occurred since World War II A glossary of terms an appendix of notable people and an annotated bibliography round out the work making it an ideal

resource for high school students undergraduates and other general readers who are looking for an introductory text on Syrian history **Insight Turkey 2016 - Spring 2016 (Vol. 18, No.2)** , The Syrian Crisis the bloodiest front of the Arab uprisings and one of the main determinants of policies of regional and global powers has been dominating international politics for the last five years Having caused the death of more than 300 thousand civilians and forced relocation of more than 7 million Syrians it is one of the direst international problems that the global powers must deal with It began as a local issue but after a very short period of time it morphed into a proxy war between regional and global powers Redlines drawn by regional and global actors were crossed yet there has been no tangible reaction to these violations Among others chemical weapons were used crimes against humanity were committed fundamental human rights were repeatedly violated Over time the crisis has revealed limitations and maladies of the actors involved *New Age Magazine* ,1913 **Technical Report** ,1981 Non-State Armed Actors in the Middle East Murat Yeşiltaş,Tuncay Kardaş,2017-07-06 This volume investigates the nature and changing roles of the non state armed groups in the Middle East with a special focus on Kurdish Shia and Islamic State groups To understand the nature of transformation in the Middle Eastern geopolitical space it provides new empirical and analytical insights into the impact of three prominent actors namely ISIS YPG and Shia Militias With its distinctive detailed and multi faceted analyses it offers new findings on the changing contours of sovereignty geopolitics and ideology particularly after the Arab Uprisings Overall this volume contributes to the study of violent geopolitics critical security studies and international relations particularly by exploring the ideologies and strategies of the new non state armed actors

Human Rights Law and Counter Terrorism Strategies Diane Webber,2022-06-17 In 2006 the United Nations urged Member States to ensure that counter terrorism policies guaranteed respect for human rights and the rule of law This book demonstrates that in many cases counter terrorism policies relating to preventive detention targeted killing and measures relating to returning foreign terrorist fighters have failed to respect human rights and this encourages vulnerable people to be drawn towards supporting or committing acts of terrorism Furthermore in recent years jurisprudence and public opinion in some countries have shifted from being at one stage more protective of human rights to an acquiescence that some particularly draconian counter terrorism methods are necessary and acceptable This book analyzes why this has happened with a focus on the United States United Kingdom and Israel and offers suggestions to address this issue The work will be essential reading for students academics and policy makers working in the areas of human rights humanitarian law and counter terrorism

Return To Isis Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Return To Isis free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Return To Isis free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Return To Isis free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source

before downloading Return To Isis. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Return To Isis any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Return To Isis Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Return To Isis is one of the best book in our library for free trial. We provide copy of Return To Isis in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Return To Isis. Where to download Return To Isis online for free? Are you looking for Return To Isis PDF? This is definitely going to save you time and cash in something you should think about.
