Prince of the Blood Raymond E. Feist, 2007-12-18 Prince of the Blood is a work that explores strength and weakness hope and fear and what it means to be a man in a kingdom where peace is the most precious commodity of all If there were two more impetuous and carefree men in the Kingdom of the Isles they had yet to be found Twins Borric and Erland wore that mantle proudly much to the chagrin of their father Prince Arutha of Krondor But their blissful youth has come to an end Their uncle the King has produced no male children Bypassing himself Arutha names Borric the eldest twin by seconds the Royal Heir As his brother Erland will have his own great responsibilities to shoulder To drive home their future roles Arutha sends them as ambassadors to Kesh the most feared nation in the world Borric and Erland will be presented to the Queen of Kesh the single most powerful ruler in the known world at her Seventy fifth Jubilee Anniversary But they have not even left Krondor when an assassination attempt on Borric is thwarted Aware that he is being provoked into war Arutha does not rise to the bait His sons journey will not be deterred for nothing less than peace is riding on it Yet there is to be no peace for the young princes When their traveling party is ambushed Borric disappears and is presumed dead sending Erland into spirals of rage and grief as he is forced to navigate alone the court intrigues at Kesh But unbeknownst to anyone Borric lives and has escaped his captors In a strange land with a price on his head Borric must use all his wits and stamina to find his way back to his brother On separate paths the two men one a fugitive and one a future king make their journey toward maturity honor and duty For every step they take could sway the fragile peace of the land as those who crave war rally against them and become ever more daring

The King's Buccaneer Raymond E.

Feist, 2017-08-22 Long recovered from the ravages of the Riftwar the land and people of the kingdom of the Isles thrive Nicholas the youngest son of Prince Arutha is intelligent and gifted but vastly inexperienced In hopes of hardening him his father sends him and his irreverent squire Harry to live at Rustic Castle Crydee to learn of life beyond the halls of privilege But within weeks of Nicholas and Harry's arrival Crydee is viciously attacked by unknown assailants resulting in murder massive destruction and the abduction of two young noblewomen The raiders have come from a pirate haven and are no ordinary foe but an enemy connected to dark magical forces that threaten the lands Nicholas will someday rule if he survives
