## **Return To Tsugaru Travels Of A Purple Tramp:**

*Return to Tsugaru* Osamu Dazai, 1987      **Return to Tsugaru** 峠, 1985      **Rituals of Self-Revelation** Irmela Hijiya-Kirschnereit, 2020-03-23 Irmela Hijiya Kirschnereit brings a sophisticated and graceful method of analysis to this English translation of her book on the shish setsu one of the most important yet misunderstood genres in Japanese literature Thorough and insightful this study of the Japanese version of the I novel provides a means of researching and interpreting the tradition of the genre linking it to forms of autobiographical fiction as well as to cultural assumptions of the classical period of Japanese history Hijiya Kirschnereit provides a model of systematic inquiry into literary traditions that will stimulate American and English Japanologists providing a much needed bridge between German Japanologists and the rest of the field      **Listening to the Voices of the Dead** Jun'ichi Isomae, 2024-11-04 Listening to the Voices of the Dead is an account of the author's search for the disquieted voices of the dead in the wake of the March 11 2011 T hoku Disaster and his attempt to translate those voices for the living Isomae Jun ichi considers the disaster a challenge for outside observers to overcome especially for practitioners of religion and religious studies He chronicles the care and devotion for the dead shown by ordinary people people displaced from their homes and loved ones Drawing upon religious studies Japanese history postcolonial studies and his own experiences during the disaster Isomae uncovers historical symptoms brought to the surface by the traumas of disaster Only by listening to the disquieted voices of the dead translating them and responding to them can we regain our true selves as well as offer peace to the spirits of the victims While Listening to the Voices of the Dead focuses on a specific event in Japanese history and memory it captures a broadening critique at the heart of many movements responding to how increasing globalization impacts our sense of place and community      *The SAGE Handbook of Modern Japanese Studies* James D Babb, 2014-12-15 A welcome addition to any reading list for those interested in contemporary Japanese society Roger Goodman Nissan Professor of Modern Japanese Society University of Oxford I know no better book for an accessible and up to date introduction to this complex subject than The SAGE Handbook of Modern Japan Studies Hiroko Takeda Associate Professor Organization for Global Japanese Studies University of Tokyo Pioneering and nuanced in analysis yet highly accessible and engaging in style Yoshio Sugimoto Emeritus Professor La Trobe University The SAGE Handbook of Modern Japanese Studies includes outstanding contributions from a diverse group of leading academics from across the globe This volume is designed to serve as a major interdisciplinary reference work and a seminal text both rigorous and accessible to assist students and scholars in understanding one of the major nations of the world James D Babb is a Senior Lecturer in the School of Geography Politics and Sociology at Newcastle University      **Passages to Modernity** Kathleen S. Uno, 1999-04-01 Contemporary Japanese women are often presented as devoted full time wives and mothers At the extreme they are stereotyped as education mothers kyoiku mama completely dedicated to the academic success of their children Children of working mothers are pitied day care users both children and mothers are faintly disparaged for their

inadequate home lives hired babysitters are virtually unknown Yet historical evidence reveals a strikingly different picture of Japanese motherhood and childcare at the beginning of the twentieth century In contrast to today child tending by non maternal caregivers was widely accepted at all levels of Japanese society Day care centers flourished and there was virtually no expectation of exclusive maternal care of children even infants The patterns of the formation of modern Japanese attitudes toward motherhood childhood child rearing and home life become visible as this study traces the early twentieth century rise of Japanese day care centers institutions established by middle class philanthropists and reformers to provide for the physical well being and mental and moral development of urban lower class preschool children Day care gained broad support in turn of the century Japan for several reasons For one day care did not clash with widely accepted norms of child care A second factor was the perception of public and private policymakers that day care held the promise of social and national progress through economic and moral betterment of the urban lower classes Finally day care offered working mothers the opportunity to earn a better livelihood with fewer worries about their children In spite of emerging notions that total devotion to child rearing was a woman s highest calling Japanese nationalism a signal force in the genesis of the modern Japanese state economy and middle class culture fed a deep wellspring of support for day care and fostered significant reshaping of motherhood childhood home life and view of the urban lower classes Passages to Modernity is an important and original contribution to our understanding of the institutional and ideological reach of the early twentieth century state and the contested emergence of a striking new discourse about woman as domestic caregiver and homemaker **The Postwar**

**Developments of Japanese Studies in the United States** Helen Hardacre,1998 This volume of twelve essays with useful bibliographies in the fields of history art religion literature anthropology political science and law documents the history of United States scholarship on Japan since 1945 **Liquid Life** William R. LaFleur,2020-11-10 Why would a country strongly

influenced by Buddhism s reverence for life allow legalized widely used abortion Equally puzzling to many Westerners is the Japanese practice of mizuko rites in which the parents of aborted fetuses pray for the well being of these rejected lives In this provocative investigation William LaFleur examines abortion as a window on the culture and ethics of Japan At the same time he contributes to the Western debate on abortion exploring how the Japanese resolve their conflicting emotions privately and avoid the pro life pro choice politics that sharply divide Americans on the issue *The Spirit of Tsugaru* Gerald

Groemer,1999 **Immortal Wishes** Ellen Schattschneider,2003 An ethnography of female asceticism and spiritual practice in Japan **Reading East Asian Writing** Michel Hockx,Ivo Smits,2014-02-05 This book presents contributions by thirteen

scholars of Chinese and Japanese literature whose work is characterised by a strong interest in literary theory They focus in particular on the various new theories that have emerged during the past two decades uprooting traditional forms of understanding literary texts their function their readership and their interpretation Often confined to discussion of a specific country or area these theories have been criticised for their Western bias This collection breaks through these barriers

providing an opportunity for scholars of two closely related yet often independently studied cultures to present and compare their views on specific theories of literature to discuss the advantages and shortcomings of those theories and to consider specific difficulties related to the East West dimension *Japan* Patrick Smith,2011-03-30 The Japanese are in the process of re creating themselves an endeavor they have undertaken at intervals throughout history always prompted by a combination of domestic and global forces In this landmark book Patrick Smith asserts that a variety of forces the achievement of material affluence the Cold War s end and the death of Emperor Hirohito are now spurring Japan once again toward a fundamental redefinition of itself As Smith argues this requires of the West an equally thorough reevaluation of the picture we have held of Japan over the past half century He reveals how economic overdevelopment conceals profound political social and psychological under development And by refocusing on internal history and the Japanese character Smith offers a new framework for understanding Japan and the Japanese as they really are The Japanese he says are now seeking to alter the very thing we believe distinguishes them the relationship between the individual and society Timely measured and authoritative this book illuminates a new Japan a nation preparing to drop the mask it holds up to the West and to steer a course of its own in the world Jacket image The Great Wave of Kanagawa from 36 Views of Mount Fuji detail by Katsushika Hokusai Private collection **Historical Dictionary of Modern Japanese Literature and Theater** Scott J.

Miller,2009-07-01 With the Meiji Restoration in 1868 Japan opened its doors to the West and underwent remarkable changes as it sought to become a modern nation Accompanying the political changes that Western trade ushered in were widespread social and cultural changes Newspapers novels poems and plays from the Western world were soon adapted and translated into Japanese The combination of the rich storytelling tradition of Japan with the realism and modernism of the West produced some of the greatest literature of the modern age Historical Dictionary of Modern Japanese Literature and Theater presents a broad perspective on the development and history of literature narrative poetry and drama in modern Japan This book offers a chronology introduction bibliography and over 400 cross referenced dictionary entries on authors literary and historical developments trends genres and concepts that played a central role in the evolution of modern Japanese literature

**The A to Z of Modern Japanese Literature and Theater** Scott J. Miller,2010-04-01 With the Meiji Restoration in 1868 Japan opened its doors to the West and underwent remarkable changes as it sought to become a modern nation Accompanying the political changes that Western trade ushered in were widespread social and cultural changes Newspapers novels poems and plays from the Western world were soon adapted and translated into Japanese The combination of the rich storytelling tradition of Japan with the realism and modernism of the West produced some of the greatest literature of the modern age The A to Z of Modern Japanese Literature and Theater presents a broad perspective on the development and history of literature narrative poetry and drama in modern Japan This book offers a chronology introduction bibliography and over 400 cross referenced dictionary entries on authors literary and historical developments trends genres and concepts that

played a central role in the evolution of modern Japanese literature      **Historical Dictionary of Modern Japanese Literature and Theater** J. Scott Miller, 2021-06-05 With the Meiji Restoration in 1868 Japan opened its doors to the West and underwent remarkable changes as it sought to become a modern nation Accompanying the political changes that Western trade ushered in were widespread social and cultural changes Newspapers novels poems and plays from the Western world were soon adapted and translated into Japanese The combination of the rich storytelling tradition of Japan with the realism and modernism of the West produced some of the greatest literature of the modern age Historical Dictionary of Modern Japanese Literature and Theater Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries authors literary and historical developments trends genres and concepts that played a central role in the evolution of modern Japanese literature      **Shaping the Field of Translation In Japanese ↔ Turkish Contexts II** Ryō Miyashita ,Esin ESEN, 2019-05-31 The academic discipline of translation studies is only half a century old and even younger in the field of bilateral translation between Japanese and Turkish This book is the second volume of the world s first academic book on Turkish Japanese translation While this volume gathered discussions on translation studies with theoretic and applied aspects literature linguistics and philosophy the second volume deals with the history of translation philosophy culture education language education and law It also covers the translation of historical materials and divan poetry These books will be the first steps to discuss and develop various aspects of the field Such compilation brings together experienced and young Turkology and Japanology scholars as well as academics linked to translation studies and translation and also translators Both volumes contain 24 essays written by twenty two writers from Japan Turkey USA and China Special notes by zlem BERK ALBACHTEN Special notes by Nobuo MISAWA Ry MIYASHITA Esin ESEN Shingo YAMASHITA G Izemin ZRENK AYDIN Iku NAGASHIMA brahim Soner ZDEM R Sinan LEVENT Bar KAHRAMAN Derya AKKU SAKAUE Yukiko KONDO Okan Haluk AKBAY Ayatemis DEP      **Japan English Publications in Print** ,1998      **Positions** Tani E.
