Ellery Adams, 2024-03-26 The New York Times bestselling author returns with a mystery with a touch of magical realism and a strong female bookstore owner and bibliotherapist at its heart Miracle Springs North Carolina is famed for its healing springs But bookstore owner Nora Pennington has a tendency to land in a different kind of hot water Though she loves to practice bibliotherapy by finding the perfect books for her customers while listening to their secrets she also likes to bury her nose in the occasional local crime Nora escaped her past a decade ago So it feels like a visit from another world when Kelly Walsh the woman her ex husband left her for walks through the door of Miracle Books along with her son a sweet serious boy with a talent for origami Kelly hasn't come to gloat though As it turns out she's been dumped too She's also terribly ill and all she wants from Nora is forgiveness Shockingly however this woman who's been the victim of so much misfortune is about to become a murder victim Who would do such a thing Certainly not Nora but that doesn't stop the gossip and suspicion especially after Kelly's brother claims that he saw the two women arguing In seeking justice for Kelly The Secret Book and Scone Society joins forces with the sheriff's department but they've barely begun their probe when life throws another wrench After serving a twenty year sentence Estella's father returns to Miracle Springs And when his past comes back to haunt him it might be more than the four friends can handle Red herrings abound along with plenty of tips on choosing books
