Return Of Daniels Father:

The Return of Daniel's Father Janice Kaiser, 2011-07-15 The black sheep had returned Ethan Mills was back To clear his name and claim his only son little Daniel But the town the sheriff and the Rawley family were strongly united against him Dr Kate Rawley was torn She d raised her nephew since her sister died in childbirth Now Ethan wanted time with Daniel and her Kate couldn t deny the heated attraction escalating between herself and the proud renegade And she knew Ethan wanted her in every sense of the word But when it came to Daniel s future any tug of love between them could only become a tug of war Janice Kaiser creates a sexy unforgettable hero who embodies all that women find most seductive about men Romantic Times

Daniel's Return George Woodbridge, 2012-09 Daniel s Return tells the story of a Hopi Indian boy who is forced to leave his family and friends on the Hopi Indian Reservation in Arizona to attend compulsory Bureau of Indian Affairs schools that at the time the 1950s separated Native American children from their tribal cultures in an effort to assimilate them into the dominant Anglo culture At school he is taught that his race is inferior his religion is evil and his way of life is primitive and that only by adopting the culture religion and values of white society will he ever make something of himself Daniel s father died before his son was born so for Daniel growing up without a father is made doubly difficult by being torn away from his mother his uncle and his whole way of life He runs away from every school he is sent to until the government authorities decide to send him to a school so far from his family that he will never be able to find his way home again But in this they are wrong because Daniel in running away from this last school is also running away from an abusive army colonel who tries to exploit Daniel s innocence for his own twisted purposes In the end Daniel successfully escapes from his new school his powerful abuser and a system designed to uproot Native American children from their homes and annihilate their identity The narrative is rich in Hopi myth legend and history and takes place against the backdrop of postwar America when nuclear testing in the deserts of the American Southwest was routine and the Enforced Assimilation Era in Native American history was in full swing The Return of Daniel's Father Janice Kaiser, 1998

Sins of His Fathers: Daniel's Story Hilaria Grace, 2022-08-01 Who was Daniel Where did he come from Why was he acting out this aggressively How many secrets does he have What are they This is part two of the Sins of His Fathers Series will answer all the questions you think you have about Daniel but SURPRISE IT will create more questions This story goes into Daniel s past and you learn what other things are hiding in the shadows lurking around waiting to come out But even though this had some hard sad and difficult situations the worst is yet to come Yes That s right Be prepared and stay alert because Daniel and his family have more secrets to reveal I would like to thank Tatum Cook for her illustration for the cover of Daniel s Story
