The Girl Who Gave Birth to Rabbits Clifford A. Pickover, 2010-06-03 This can justifiably be called history's most fascinating medical mystery a dark true life Alice in Wonderland tale with a streak of horror Why should we care today about a poor eighteenth century girl who gave birth to monstrosities Mary Toft's story bears uncanny parallels with our own time and contains perennial themes science and superstition separated by the flimsiest of curtains justice and morality crime and punishment and the greed and basic fears at the core of human nature Prepare yourself for a shattering odyssey as acclaimed polymath Clifford Pickover takes you to the ultimate frontier of medical speculation With numerous illustrations this is an engrossing and thoroughly unique introduction to eighteenth century science and its metaphor for today's scientific superstitions and politics For Mary conspiracies are everywhere the line between good and evil lost and the consequences exceed her most unthinkable private desires

Sorry, Wrong Answer Rod L. Evans Ph.D., 2010-06-01 Where were Venetian blinds invented What color is the black box on a commercial airplane Where did India ink originate Most of us know more than we think we know We also think we know more than we actually do because some of what we think we know simply ain't so We all harbor misconceptions that are accepted not only because they are popular but also because they make sense It makes sense to believe for example that German chocolate originated in Germany rather than the truth that German chocolate is so named because it was created by Sam German It seems logical to believe that Mercury is the hottest planet because of its proximity to the sun or that buttermilk contains butter that Danish pastry is from Denmark and that the boat race America's Cup was named after the United States of America In Sorry Wrong Answer Rod Evans takes readers on a tour of misleading trivia debunking commonly held assumptions and sharing surprising right answers Answers Japan Orange China
