Return to Canada Patrick Anderson, 1977 **Canadian Poetry 1920 to 1960**, 2010-03-30 The best in four decades of exceptional Canadian poetry now in a limited hardcover edition The poets in this anthology all of whom matured creatively between 1920 and 1960 considered it one of their primary obligations to modernize Canadian writing to bring the country's poetry out of late Romantic stasis after the Great War into a fertile and combative response to the cultural political technological philosophical religious and economic conditions of the modern era In their common reaction against Romanticism and in their commitments to modern poetry's possibilities of profound newness the poets in this volume make up one great movement in Canada's cultural history The anthology includes 250 poems by 44 poets Regionally diverse voices from Newfoundland the Maritimes Quebec Ontario the Prairies and B C Extensive selections of the work of major poets An afterword and biographical headnotes provide important historical and literary context The poets included in *Canadian Poetry from 1920 to 1960* are Frank Oliver Call Louise Morey Bowman Raymond Knister Joe Wallace E J Pratt W W E Ross F R Scott A J M Smith Charles Bruce Earle Birney A M Klein Dorothy Livesay Leo Kennedy Audrey Alexandra Brown Kenneth Leslie Robert Finch Floris Clark McLaren L A Mackay Anne Marriott Bertram Warr Patrick Anderson P K Page Kay Smith Miriam Waddington Margaret Avison A G Bailey Louis Dudek John Glassco Ralph Gustafson Raymond Souster Irving Layton Roy Daniells Douglas LePan George Whalley James Reaney Elizabeth Brewster George Johnston Goodridge MacDonald Jay MacPherson Anne Wilkinson Phyllis Webb Wilfred Watson R A D Ford Eldon Grier **The Oxford Handbook of Canadian Literature** Cynthia Conchita Sugars, 2016 The Oxford Handbook of Canadian Literature provides a broad ranging introduction to some of the key critical fields genres and periods in Canadian literary studies The essays in this volume written by prominent theorists in the field reflect the plurality of critical perspectives regional and historical specializations and theoretical positions that constitute the field of Canadian literary criticism across a range of genres and historical periods The volume provides a dynamic introduction to current areas of critical interest including 1 attention to the links between the literary and the public sphere encompassing such topics as neoliberalism trauma and memory citizenship material culture literary prizes disability studies literature and history digital cultures globalization studies and environmentalism or ecocriticism 2 interest in Indigenous literatures and settler Indigenous relations 3 attention to multiple diasporic and postcolonial contexts within Canada 4 interest in the institutionalization of Canadian literature as a discipline 5 a turn towards book history and literary history with a renewed interest in early Canadian literature 6 a growing interest in articulating the affective character of the literary including an interest in affect theory mourning melancholy haunting memory and autobiography The book represents a diverse array of interests from the revival of early Canadian writing to the continued interest in Indigenous regional and diasporic traditions to more recent discussions of globalization market forces and neoliberalism It includes a distinct section dedicated to Indigenous literatures and traditions as well as a section that

reflects on the discipline of Canadian literature as a whole The Selected Poems of Jeni Couzyn Jeni Couzyn, 2000 Through this collection of poems that are at once tough minded and tender readers see a woman's mind span our collective lives resulting in an account that is chastening exhilarating and deeply moving **The Oxford Companion to Modern Poetry in English** Jeremy Noel-Tod, Ian Hamilton, 2013-05-23 This impressive volume provides over 1 700 biographical entries on poets writing in English from 1910 to the present day including T S Eliot Dylan Thomas and Carol Ann Duffy Authoritative and accessible it is a must have for students of English and creative writing as well as for anyone with an interest in poetry

The Collected Poems of Miriam Waddington Miriam Waddington, 2014-05-08 This anthology brings together for the first time the complete published works of Jewish Canadian poet Miriam Waddington and features a rare selection of previously unpublished poems Collected Poems Francis Webb, 2011 Francis Webb 1925 1973 grew up in North Sydney with his paternal grandparents who encouraged his love of music books and the sea This is a collection of poems by Francis Webb

When Canadian Literature Moved to New York Nicholas James Mount, Nick Mount, 2005-01-01 Canadian literature was born in New York City It began not in the backwoods of Ontario or the salt flats of New Brunswick but in the cafés publishing offices and boarding houses of late nineteenth century New York where writing developed as a profession and where the groundwork for the Canadian canon was laid So argues Nick Mount in *When Canadian Literature Moved to New York* The last decades of the nineteenth century saw an extraordinary exodus from English Canada draining the country of half its writers and all but a few of its contemporary and future literary celebrities Motivated by powerful obstacles to a domestic literature most of these migrants landed in New York by the 1890s the centre of the continental literary market and found for the first time a large receptive literary market and recognition from non Canadian publishers and reviewers While the expatriates of the 1880s and 1890s including Bliss Carman Ernest Thompson Seton and Palmer Cox were recognized for their achievements in Canada the domestic literature they themselves spurred into existence rekindled a nationalist imperative to distinguish Canadian writing from other literatures especially American and this slowly eliminated most of their work from the emerging English Canadian canon *When Canadian Literature Moved to New York* is the story of these expatriate writers who they were why they left what they achieved and how they changed Canadian literary history *The Annual Canadian Catalogue of Books* Willet Ricketson Haight, 1904

The Dictionary of Canadian Biography William Stewart Wallace, 1926 *Charles Tomlinson* Timothy Clark, 1999 Ever since his early collections of the late 1950s and early 1960s repudiated the parochialism of some of the Movement poets Charles Tomlinson has formed a unique voice in contemporary British Poetry Cosmopolitan intellectual and polyglot he has achieved an original blend of the high modernist tradition English Romantic aesthetics and contemporary phenomenology His work forms in his own words a phenomenology of perception one adapted to what could be termed an environmentalist ethic and aesthetic a defence of the irreducible idioms of place This book the first on this major English writer from a British publisher forms a comprehensive defence of

Tomlinson's project including his work as a graphic artist as a translator and as a participator in experiments in multiple authorship and multi lingual poetry *The Oxford Companion to Twentieth-century Literature in English* Jenny Stringer,1996 Survey of twentieth century English language writers and writing from around the world celebrating all major genres with entries on literary movements periodicals more than 400 individual works and articles on approximately 2 400 authors **Profiles in Canadian Literature** 7 Jeffrey M. Heath,1991-09-01 Profiles in Canadian Literature is a wide ranging series of essays on Canadian authors Each profile acquaints the reader with the writer's work providing insight into themes techniques and special characteristics as well as a chronology of the author's life Finally there is a bibliography of primary works and criticism that suggests avenues for further study I know of no better introduction to these writers and the studies in question are full of basic information not readily obtainable elsewhere U of T Quarterly **Felicia Hemans: Selected Poems, Prose and Letters** Felicia Hemans,2002-01-22 Felicia Hemans was the most widely read woman poet in the nineteenth century English speaking world Broadview's edition shows why she was one of the few standard poets to be found in middle class homes on both sides of the Atlantic despite being routinely disparaged as a merely feminine poet Included here is poetry representative of her entire career from often anthologized works such as *The Homes of England* and *Casabianca* to several long poems in their entirety such as *The Forest Sanctuary* Also included are selections of her prose and letters a comprehensive introduction and selections of views and reviews showing her changing and controversial place in culture into the twentieth century All selections are edited annotated and introduced *Canadian Book Review Annual* ,1984 Canadian Primal Mark Dickinson,2021-02-18 Over the past few decades a group of writers we might call the Thinking and Singing poets have stood at the forefront of poetry in Canada These five poets Dennis Lee Don McKay Robert Bringhurst Jan Zwicky and Tim Lilburn are major voices in an era of ecological devastation and spiritual unease Their diverse questioning work suggests new ways to confront some of the most pressing issues of our time In vibrant prose Mark Dickinson explores the relationship between the lives of these poets and their writing examining their intersecting careers and friendships and the ways they learned from and challenged one another Canadian Primal uses an unconventional approach blending biography with literary analysis and drawing from meetings and correspondence with each poet over many years to trace the people and events that inspired the creation of important texts Dickinson tracks how each of the writers arrived at poetry as a way of being and at the heart of their poetics he finds both a musical intelligence and the crucial importance of the land Canadian Primal is literary biography reconceived as an adventure of the mind body and spirit Ebullient intelligent and eminently readable it reminds us that we can live on the earth in a different way true to the defining experiences of our lives surrounded by meaning and presence beyond our imagining **The Canadian Encyclopedia** James H. Marsh,1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is

represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada s finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada Canadian Gothic Cynthia Sugars, 2014-01-15 This book explores the Gothic tradition in Canadian literature by tracing a distinctive reworking of the British Gothic in Canada It traces the ways the Gothic genre was reinvented for a specifically Canadian context On the

one hand Canadian writers expressed anxiety about the applicability of the British Gothic tradition to the colonies on the other they turned to the Gothic for its vitalising rather than unsettling potential After charting this history of Gothic infusion Canadian Gothic turns its attention to the body of Aboriginal and diasporic writings that respond to this discourse of national self invention from a post colonial perspective These counter narratives unsettle the naturalising force of this invented history rendering the sense of Gothic comfort newly strange The Canadian Gothic tradition has thus been a conflicted one which reimagines the Gothic as a form of cultural sustenance This volume offers an important reconsideration of the Gothic legacy in Canada

E.J. Pratt: Letters E.J. Pratt Library,2017-01-18 This edition of E J Pratt s letters is the final volume in the Collected Works series Because of Pratt s role in the making of Canadian culture between and after the World Wars his correspondence highlights key moments in our cultural history and provides a view of the enterprise from its very centre The letters take us into his workshop illuminating the research behind his distinctive documentary long poems and the social nature of his creative production They also reveal the complex network of writers critics artists and political figures of which Pratt was a part the evolution of the Canadian book trade from the 1920s through to the early 1960s and the emergence of radio and specifically of the Canadian Broadcasting Corporation as a tool for forging national identity Pratt s correspondence both confirms the public persona of one of Canada s first literary celebrities and provides glimpses of the private character behind the mask
