Autobiography and Reminiscences William Powell Frith, 1888 *David Weir: Extra Time - My Autobiography* David Weir, 2011-09-15 David Weir's career is a tale of triumph on the pitch but also of victory over the assumption all top level footballers are finished in their mid 30s. Weir, who turned 41 in May 2011, is the oldest outfield player to represent Rangers since 1945, passing the mark set by their famous full back Jock Tiger Shaw. In this revealing autobiography, Weir gives an insight into the high of playing in the 1998 World Cup finals for his country to the low of the chaotic 2-2 draw in the Faroes four years later, which led to his decision to stop playing for Scotland. For the first time, he gives his side of the story. How he felt Berti Vogts, Scotland's boss, used him as a scapegoat. Many felt Weir's international career would end on that sour note and that his club career was approaching its conclusion too. He was 32 and David Moyes, his manager at Everton, made no secret he was on the lookout for new younger defenders. Like thousands of footballers before him, Weir could just have accepted his time was up. He had a young family and a father who was suffering from Alzheimer's to help care for and self-doubt gnawed at him. Could he cut it any more? Instead, he moved to Rangers in January 2007, making his debut for his childhood favourites at a mere 36 years and 236 days and has helped them to eight trophies since and a European final in 2008. Weir's is a story of battling against the odds to keep playing at the top level and proving he could despite the doubts of others and indeed himself. *Theodor Herzl's Zionist Journey - Exodus and Return* Mordechai (Motti) Friedman, 2021-06-08

This book provides in-depth investigation into the secret of Theodor Herzl's success in changing the fate of the Jewish People. More than a biography, the book delves deep into Herzl's personality and physique, which left a deep impression on his followers and opposers alike. The book traces Herzl's transformation from a newspaper editor and playwright into a man of vision and action, the star in a drama he could never write for the stage. Твен, 2022-01-29 Mark Twain began writing his autobiography long before the 1906 publications of *Chapters from my Autobiography*. He originally planned to have his memoirs published only after his death but realized once he'd passed his 70th year that a lot of the material might be OK to publish before his departure. While much of the material consists of stories about the people, places, and incidents of his long life, there are also several sections from his daughter. **Jesus: My**

Autobiography Tina Louise Spalding, 2015-06-01 I have come at this time in this place and through this being to speak my truth, to speak the story of my life, the true story of my life. The purpose of this book is to clarify, to tell the truth, and to share my energies with you so that you can begin the transformation of your mind and therefore the transformation of your heart and your world. It is in the misteachings that have been associated with my name that much death and pain has been caused.

and that much guilt and self recrimination has been expressed That was not my purpose that was not my lesson This story will begin the change It will not make the change It will facilitate turning the key in the lock but you must open the door and walk through it into a new realm that is opened by this information That is your responsibility We can only bring you the message this channel and I We can only work together to transmit the information but it is through your actions and your transformation that you will see a change in your world a change in the subjective world that is manufactured from your beliefs your thoughts and your feelings I talk about the truth of my birth and the truth of my life I cover some stories that are recounted in the Bible and tell you the true story of those events I describe some of my personal traits my human traits and I define what I am who I am and why these things happened You will be able to understand the truth and you will begin this reconditioning this retooling of your mind of your thoughts and beliefs on this subject of my life my meaning and my purpose for it is a long process The time is ripe The need for a spiritual revolution is here Jesus Carra: My Autobiography Jamie Carragher,2008-09-11 For the Anfield faithful Jamie Carragher represents everything that is great about Liverpool Football Club prompting the Kop to sing we all dream of a team of Carraghers The club s vice captain longest serving player and one of a select band of players to have made more than 500 appearances for the Reds Carra never gives less than 100 per cent for the cause He is the embodiment of old fashioned football values a rarity in the modern game honest and uncompromising In Carra My Autobiography the Liverpool defender takes us deep into the heart of Anfield into the club s past glories and its uncertain future In his typically down to earth style Carra reveals what made him discard his blue Evertonian roots to become a fully fledged Red how he mended his wild ways to become a true professional and a multiple trophy winner and the truth about a succession of managers Evans Houllier Ben tez in the hottest seat in football A Scouser through and through Carra also has some forthright views on the England team and tells why he rejected calls to return to the international fold Full of sensational stories and controversial opinions of glory and heartbreak on and off the pitch Carra My Autobiography is a football book unlike any other The authentic voice of Anfield Carra is one of the Bootroom Boys in true Liverpool tradition and is as committed on the page as in every game he has played Leaves from My Autobiography Charles Rogers,1876
