Racing's Return from the Brink James C. Nicholson,2025-06-24 At the dawn of the twentieth century American horse racing clung to a precarious existence A wave of anti gambling legislation threatened to destroy the industry until one extraordinary Thoroughbred gelding dubbed the Miracle Horse by the media helped steer it away from extinction In Racing s Return from the Brink James C Nicholson tells the story of Old Rosebud within the context of horse racing and national movements of the early 1900s Named for a brand of bourbon produced by his owners family distillery Old Rosebud set a track record when he won the 1914 Kentucky Derby by eight lengths After sustaining an injury in his next race Old Rosebud was sidelined for years before returning to the track ultimately recording forty wins in a career that lasted until 1922 Meanwhile opportune promotion from certain pillars of the Thoroughbred racing community sold policymakers and the public on the notion that horse racing was vital to US security at a time when the Mexican Revolution and World War I were still fresh in Americans minds Though his fame has since faded Old Rosebud was one of the most talented racehorses of his era and was once among the most recognizable names in US sports Racing s Return from the Brink is the first book to examine this critical period in American Thoroughbred racing history and one of the sport s forgotten superstars

Walsh,2016-02-16 In the tradition of Barbara Ehrenreich s classic Nickel and Dimed a talented young journalist goes undercover as a casino labor union organizer in this rare inside look at the ongoing struggle of hourly wage service workers to survive in America Salting is a simple concept get hired at a non union company do the job you were hired to do and with the help of organizers on the outside unionize your coworkers from the inside James Walsh spent two years as a salt in two casinos in South Florida working as a buffet server and a bartender Neither his employers nor the union knew of Walsh s intentions to write about his experience Now he reveals hard won and little known truths about how unions fight to organize service workers the vigorous corporate opposition against them and how workers get caught in the middle As a salt Walsh witnessed the cultish nature of labor organization and was constantly grilled by his union organizer as to whether he had enough grit and determination to win converts to the cause while remaining undercover At work Walsh witnessed the oddities of casino life and management s stunning mistreatment of service industry employees most of whom were hanging on to economic survival by their fingernails His meticulous reporting reveals supervisors berating workers for the smallest infractions even as employees submit to relentless scrutiny ever changing work schedules and the callous behavior of casino customers A clear eyed and balanced account *Playing Against the House* explores the trials of day to day life for the working poor and the face of twenty first century union organizing and union busting in unprecedented detail *The Story of the Return of God and the Arrival of Goddess* Stoughton K K White,2016-05-06 The time has come for humanity to triumph over sin This triumph will come by one of two means Either there will be a literal destruction of human life and a new life wave begun on this generation of human beings will turn away from its present morality and put war and other tyrannies aside Internationalism will replace nationalism production will be geared to need and extortion in the name of God will be ended A perpetual end to war among human beings can begin among you at this time All that is required is that you insist that your governments sign a treaty of no war with each other Let this treaty at first be for a specified number of years twenty five or fifty years Then during these years of no war let all technology of the Earth be directed toward creating a decent standard of living for all people Remember peace is dead and will remain so so long as you think in terms that set nation against nation I know that this truth is most painful for many of you that peace is dead and so too will life on Earth be unless internationalism replaces nationalism and other self isms The matter is entirely in your hands There is one humanity on in Earth The resources of the Earth are for all to share *Katelyn's Choice* Ilene J. Committee on Homeland Security and Governmental Affairs. Ad Hoc Subcommittee on Disaster Recovery, 2008 *The Aliites* Spencer Dew, 2019-08-20 Citizenship is salvation preached Noble Drew Ali leader of the Moorish Science Temple of America in the early twentieth century Ali's message was an aspirational call for black Americans to undertake a struggle for recognition from the state one that would both ensure protection for all Americans through rights guaranteed by the law and correct the unjust implementation of law that prevailed in the racially segregated United States Ali and his followers took on this mission of citizenship as a religious calling working to carve out a place for themselves in American democracy and to bring about a society that lived up to what they considered the sacred purpose of the law In *The Aliites* Spencer Dew traces the history and impact of Ali's radical fusion of law and faith Dew uncovers the influence of Ali's teachings including the many movements they inspired As Dew shows Ali's teachings demonstrate an implicit yet critical component of the American approach to law that it should express our highest ideals for society even if it is rarely perfect in practice Examining this robustly creative yet largely overlooked lineage of African American religious thought Dew provides a window onto religion race citizenship and law in America *An Autobiography of a Colonial Doctor* Cecil Isola, 2011-11-02 The book is an autobiography of the writer who from an early age was a prolific note keeper a habit which enabled him to amass thousands of written pages of information which he incorporated into this text In the storyline are to be found descriptions of incidents he witnessed during the period 1928-56 The book's cover is a photograph of Gibraltar taken in 1890 from Campamento Spain and before Gibraltar's harbour was built It shows the fortification walls as the French and Spaniards would have seen them during the Great Siege 1789-83 The Irish Flag represents his wife's birthplace and the Union Jack his Most of the photographs in the book are from the family's archives and were taken when photography was in its primitive and non-pixel stage In his young life the writer oblivious to the landings occurring in the nearby Port of Algeciras missed the advancing army of General Franco by a few hours despite the fact that gunfire could be heard a few miles away Four years later he was to cross a devastated Spain on his way to boarding school in England On that occasion they were also unaware that Hitler's armies were testing the Dutch defences before coming down in top gear Their experiences in wartime Britain the doodlebug the North West blitz his Stonyhurst College experience and the aftermath of peace are all recorded The writer talks about the changes that took place in Gibraltar and his father's election to the 1st legislative Council as the only candidate elected on the 1st count The Queen's visit to Gibraltar and their connections with the Maharaj of Jodhpur during the last days of Imperial Britain are also described The book is one of the
