**Return to Masada** Robert G Makin, 2019-03-25 Separated from the mountain range by two deep gorges Masada was a natural fortress In 66 CE during the Jewish Revolt against the Romans Masada was captured by a small group of Jews In 72 CE however the Roman General Silva decided to put an end to even the tiniest pockets of resistance against Rome With an army ten to fifteen thousand he began the siege of Masada When the Zealot leader Eleazar ben Jair saw the end nearing he gathered his people and together they chose death with honor by their own hands rather than being captured alive and becoming slaves to the Romans Even today the legends and mystique of Zayin or Seven tells a tale of courage and commitment to those universal principles of love and truth to one's highest self that throughout the ages have nourished and sustained the downtrodden and oppressed and caused even the meek to become risk takers and crusaders for world peace

**Return to Zion** Eric Gartman, 2015-11 The history of modern Israel is a story of ambition violence and survival *Return to Zion* traces how a scattered and stateless people reconstituted themselves in their traditional homeland only to face threats by those who during the many years of the dispersion had come to regard the land as their home This is a story of the ingathering of the exiles from Europe to an outpost on the fringes of the Ottoman Empire of courage and perseverance and of reinvention and tragedy Eric Gartman focuses on two main themes of modern Israel reconstitution and survival Even as new settlers built their state they faced constant challenges from hostile neighbors and divided support from foreign governments as well as being attacked by larger armies no fewer than three times during the first twenty five years of Israel's history Focusing on a land torn by turmoil *Return to Zion* is the story of Israel the fight for independence through the Israeli Independence War in 1948 the Six Day War of 1967 and the near collapse of the Israeli Army during the 1973 Yom Kippur War Gartman examines the roles of the leading figures of modern Israel Theodor Herzl Chaim Weizmann David Ben Gurion Golda Meir Moshe Dayan Yitzchak Rabin and Ariel Sharon alongside popular perceptions of events as they unfolded in the post World War II decades He presents declassified CIA White House and U S State Department documents that detail America's involvement in the 1967 and 1973 wars as well as proof that the Israeli attack on the USS Liberty was a case of mistaken identity *Return to Zion* pulls together the myriad threads of this history from inside and out to create a seamless look into modern Israel's truest self

**Recovered Roots** Yael Zerubavel, 1995-10-15 In the years leading to the birth of Israel Zerubavel shows Zionist settlers in Palestine consciously sought to rewrite Jewish history by reshaping Jewish memory Zerubavel focuses on the nationalist reinterpretation of the defense of Masada against the Romans in 73 C E and the Bar Kokhba revolt of 133-135 and on the transformation of the 1920 defense of a new Jewish

**Herod the Great** Norman Gelb,2013-02-21 Herod the Great king of ancient Judea was a brutal ruthless vindictive and dangerously high strung tyrant He had many of his subjects killed on suspicion of plotting against him and was accused of slaughtering children in Bethlehem when informed that a new king of the Jews had been born there Among the victims of the murderous paranoia that ultimately drove him to the brink of insanity were his three oldest sons and the wife he loved most But there was a crucial aspect to Herod's character that has been largely ignored over the centuries Norman Gelb explores how Herod transformed his formerly stricken kingdom into a modernizing economically thriving orderly state of international significance and repute within the sprawling Roman Empire This reassessment of Herod as ruler of Judaea introduces a striking contrast between a ruler's infamy and his extraordinary laudable achievements As this account shows despite his horrific failings and ultimate mental unbalance Herod was a fascinatingly complex dynamic and largely constructive statesman a figure of great public accomplishment and one of the most underrated personalities of ancient times History buffs and those interested in popular ancient history can be introduced to this ruthless tyrant and his victims *World Empire and the Return of Jesus Christ* ,
