*Gathering* Bernard Palfrey,2011-12-07 Within God s law of Ten Commandments is revealed a vision of God God s law is a reflection of His character In these circumstances it is the height of folly to lightly dismiss the importance of God s Ten Commandments To attempt refutation of God s law of Ten Commandments is a denial of God At this very time God is calling His people out of Babylon Because they are under the influence of the Holy Spirit the people of God will recognise His voice and leave the Babylonian state of confusion This fact is proved to be true by the words of John 10 27 where it says My sheep hear my voice and I know them and they follow me To follow Jesus is to keep God s Ten Commandment which includes the seventh day Sabbath commandment What in Heaven and on Earth Is Jesus Doing? James Mann,2018-08-09 Revelation is about the Lord Jesus Christ of the past present and future events Jesus is called the Beginning and the Last of all history On page 6 I have provided a puzzle as an outline to all of Revelation Study guides after commentaries for each chapter provide answers to difficult verses All attempts for practice applications are made for believers and warnings to those in doubt of God s stated future *Revelation's Seal Team Six* Christopher Walls,2021-11-23 Yes the Bible really says that all living believers will suddenly be snatched away when Jesus appears in the sky for the Rapture Will this happen before after or during what is known as the Great Tribulation Multiple New Testament passages provide the answer with clear and precise language and yet Christians have debated this topic for generations It s time to set our assumptions aside and allow Scripture to speak as we find the true biblical order of end time events **Amplified Cross-Reference Bible** Zondervan,2014-03-25 The Amplified Cross Reference Bible offers the full text of the popular Amplified translation along with an extensive center column cross reference system to help you get the most out of your Bible reading experience The Amplified Bible is designed for readers who want to understand all the rich nuances of the original Bible languages No working knowledge of Greek or Hebrew is required just a desire to know more about what God says in his Word With its unique system of brackets parentheses and italics the Amplified Bible defines and expands key words and phrases right in the text Verse by verse the deeper meaning behind the message of Scripture unfolds as you read **The Mark of the Beast - Second Edition** Bernard Palfrey,2009-04-18 There are glaring examples of error being taught and preached by the vast majority of Christendom such as the belief that people go to heaven when they die and that a place of torment is waiting for those who choose not to believe the Christian message Among much more error being preached there is also the wide spread belief that the Sabbath day has been changed for Christians from the Saturday to the Sunday The mark of the beast is not a figment of the imagination but a real danger that will face all of those who refuse to heed the last call of God to worship Him in truth It is widely believed that at the relevant time it will be an easy thing to refuse to have the mark of the beast However the mark of the beast is not a visible sign to accept or reject but a subtle intrusion upon the mind by Satan the arch deceiver This book contains answers to some important questions However these answers will have no meaning to those who refuse to become spiritually aware of the questions *ESV Global Study Bible* Crossway Bibles,2012 The ESV Global Study Bible is a one

Smith in his book *The Prophecies of Daniel and The Revelation* Particular issues included in this book are the historical information that compliments the visions in Daniel John's often misunderstood writing style and the unique format of both books which is helpful to understanding them

*The Anti-Christ* Bernard Palfrey, 2009-04-18 Could we be Pharisaic self righteous Christians with the pretence of a sincere love for God that God might prove to be false There is a simple test of two questions that will establish whether as professing Christians we are speaking the truth in the matter of love The first question posed is Who do we love most in this world above any other The second question to be posed is Who do we love more the person of the first question or God If the answer is a statement of loving God more there is a need for us to learn the lesson of this book which is a message of truth written to prepare God's people for the final conflict between Christ and Satan There is not one church that is preaching the full truth as proclaimed in Scripture Jesus cannot return triumphant to a church in defeat
