The Seven Cities of the Apocalypse and Roman Culture

Roland H. Worth, 2019-05-07 To understand the immediate cultural and societal background of the cities to which John wrote in Revelation 1 and 2 we must first understand the broader background of Roman civilization and its impact upon Asian province writes Roland H. Worth in the introduction to this fascinating information packed work. It is an in depth study of the history, culture, society, economics, and environment of early Christians living in Roman Asia. Drawing on a multitude of resources from diverse disciplines, Worth surveys Roman life and attitudes in general and demonstrates how Roman power developed and was exercised in Asia. He describes life in Roman Asia, what it was like to live in that province, how the imperial cult grew and prospered there, as well as the nature of official governmental persecution in the first century. A second book, **The Seven Cities of the Apocalypse and Greco-Asian Culture**, will fill in the details of the local background of the Christians for whom the mini epistles in the book of Revelation were written.

The Seven Cities of the Apocalypse and Greco-Asian Culture Roland H. Worth, 2019-05-07 The companion to **The Seven Cities of the Apocalypse and Roman Culture**, this study explores the social world in which early Christians functioned in Asia, providing a comprehensive picture of life in this eastern province of the Roman Empire and focusing on how the local environment affects the interpretation of the book of Revelation. The history, population, local culture, economies, and cults of each city are examined in detail. Including data from hundreds of sources, this volume should prove useful to students of both the Bible and Roman history, as it bridges the gap between the two specialties and provides many details that enable the reader to imagine what life would really have been like in those ancient cities. As such, this study provides a valuable supplement to the broader question of Rome's general impact upon the region traced in the **Roman Culture** volume. Although there are many works on the subject, this is the only place where all the information is pulled together. It is a useful resource for Scripture scholars, nonprofessionals with an interest in Bible study, professors, and students of Scripture and historians specializing in the first century CE.

Woman, Mother, and Bride Felise Tavo, 2007 Over the past fifty years, studies pertaining to the reality of the church in the Apocalypse have for the most part tended to be either selective or sketchy in their treatment of the relevant material of the book. Yet in all fairness to the seer of Patmos, his portrayal of the church as a reality, decidedly complex and at once profound, can only be attained in a thoroughgoing study of the principal ecclesial narratives of his work, so as to allow for that indispensable synoptic overview of such intentionally correlated material. **Woman, Mother, and Bride** is such a study. It re-examines the relevant imagery of the Apocalypse but from the perspective of the seer's ecclesial thought world and on the basis of his overriding pastoral concerns for the seven churches, without which his work will continue to puzzle and trouble at every page. The ensuing outlook on the church is panoramic in its scope yet compelling in its appeal, which further goes to confirm the Apocalypse as one of the most significant theological achievements of early Christianity.

Resurrection John F. Wilson, 2016-12-22 John Polkinghorne ordained member of the Royal Society past President of Queen's College Cambridge Knight Commander of the Order of the British Empire 2002 Templeton Prize winner theoretical physicist and theologian writes in breathless style to unfold core Christian doctrine in dialogue with science His work deftly addresses how one would interpret and commend Christian faith in the contemporary world as he elucidates the key topics in the dialogue of religion with science Polkinghorne's work addresses the hope Christians have present and future in the faithfulness of a loving God who stands alongside them today and for all eternity Eschatological hope enables and empowers Christian life and emerges in God's resurrection of Jesus from the horrific crucifixion Polkinghorne ably supports his thesis with a strong argument for the resurrection built on the kenotic acts of God His thesis sees Christian eschatology as the advent of hope the heart of faith In Christian eschatology as argued by Polkinhorne and supported in the work of Jurgen Moltmann and Nicholas T Wright Christ's presence is not some far off event but present reality **Eco-Reformation** Lisa E. Dahill, Jim B. Martin-Schramm, 2016-10-31 In 2017 Christians around the world will mark the five hundredth anniversary of the Reformation In the midst of many appeals for reformation today a growing number of theologians scholars and activists around the world believe Reformation celebrations in 2017 and beyond need to focus now on the urgent need for an Eco Reformation The rise of industrial fossil fuel driven capitalism and the explosive growth in human population endanger the fundamental planetary life support systems on which life as we know it has evolved The collective impact of human production consumption and reproduction is undermining the ecological systems that support human life on Earth If human beings do not reform their relationship with God's creation unspeakable suffering will befall many especially the weakest and most vulnerable among all species The conviction at the heart of this collection of essays is that a gospel call for ecological justice belongs at the heart of the five hundredth anniversary observance of the Reformation in 2017 and as a if not the central dimension of Christian conversion faith and practice into the foreseeable future Like Luther's Ninety Five Theses this volume brings together critical biblical pastoral theological historical and ethical perspectives that constructively advance the vision of a socially and ecologically flourishing Earth **Horizons**, 1982 **Lake of Fire - Hope for the Wicked One Day? - Essays in First Christianity** Jonathan Ramachandran, 2019-01-01 Christ Centered Universalism has been a Hope in First Christianity among the earliest orthodox Christians as testified even as late in St Augustine of Hippo's infamous quote in that even he didn't call them as heretics but soft hearted Christians who did not deny Holy Scripture A form of Christian Universalism by Origen of Alexandria may have been condemned by a later council For protestants please take note that both St Augustine and that later council consists of members who Pray to Virgin Mary something which is absent from even Origen of Alexandria Therefore just because something is majority by later early Christianity it does not necessarily mean that it was First Christianity Doctrine In light of this we discuss various viewpoints quotes by Church Fathers and Ancient Christian Writings in support of this Hope Since the time lapse and loss of records to these First Christians being replaced by

later Christianity is hard to trace or prove due to scarcity of evidences nevertheless we endeavour to present as much as we can including some rarely known quotes within Christian Universalism Hopefuls itself An example of a set of rare quotes which point to Christ Centered Universalism in this book which may not be popularly known is that by St Hillary of Poitiers the Champion of Trinity in the West and a set of interesting quotes likewise by St Ignatius of Antioch who was a direct disciple if St John the Apostle of Christ himself We see traces of such an understanding in a quote by St Justin Martyr toward the Wicked being made subject to obey God eventually as one child while St Ireneous of Lyons has a few interesting quotes especially those that relate to the Concept of Ages Aeons Olam to come where in a particular instance St Ireneus clearly shows that the strongest phrase ages of Ages refers to the subset ages out of a larger set of Ages implying limitedness Just like God of Abraham does not limit God to Abraham only the phrase God s Glory to the Age Aeon Olam singular need not limit God s Glory to one Age only but may be highlighting it for that Age unknown long time period We do not need to teach it as a 100% certain doctrine but we may hope for it as the Bible Verses can also be understood consistently to present this Hope in some Way One Day we will know and all things are possible with God Who Alone Decides Peace to you **New Testament Abstracts** ,1983 **Prophecy Phenomena Hope** Robert A. Shut Brad Jersak,2010-01-01 Everlasting hell and divine judgment a lake of fire and brimstone these mainstays of evangelical tradition have come under fire once again in recent decades Would the God of love revealed by Jesus really consign the vast majority of humankind to a destiny of eternal conscious torment Is divine mercy bound by the demands of justice How can anyone presume to know who is saved from the flames and who is not Reacting to presumptions in like manner others write off the fiery images of final judgment altogether If there is a God who loves us then surely all are welcome into the heavenly kingdom regardless of their beliefs or behaviors in this life Yet given the sheer volume of threat rhetoric in the Scriptures and the wickedness manifest in human history the pop universalism of our day sounds more like denial than hope Mercy triumphs over judgment it does not skirt it Her Gates Will Never Be Shut endeavors to reconsider what the Bible and the Church have actually said about hell and hope noting a breadth of real possibilities that undermines every presumption The polyphony of perspectives on hell and hope offered by the prophets apostles and Jesus humble our obsessive need to harmonize every text into a neat theological system But they open the door to the eternal hope found in Revelation 21 22 the City whose gates will never be shut where the Spirit and Bride perpetually invite the thirsty who are outside the city to Come drink of the waters of life *Optimism Out of Control* Jeff Martin,2019-02-09 After decades of

Source of Hope John S. Hammett,2025-08-01 In *The Source of Hope* John Hammett crafts a detailed and accessible introduction to the discipline of eschatology **Rhyming Hope and History** Russell Rook,2011-10-26 The subject of

culture has provided theologians with a whole new realm of exploration By the turn of the twentieth century and the beginning of this new millennium the subject of culture had presented itself to theologians and church leaders for vital consideration As one of the world s leading theologians Robert Jenson s eminent career has coincided with the pre eminence of culture in theological and churchly discussion Having described himself as a theologian of culture in his earliest works culture continually informs Jenson s systematic theology which in turn works its way out in countless cultural forms In *Rhyming Hope and History* we explore the philosophical and theological influences of Jenson s work and outline their vast and varied applications to the world of culture and the life of the church For Jenson the church is the cultural embodiment of the risen Christ in the fallen reality of our world In a series of conversations between Jenson and leading thinkers including G W F Hegel Jonathan Edwards Wittgenstein Richard H Niebuhr Kathryn Tanner Paul Tillich Nicholas Wolterstorff Augustine

and Jeremy Begbie we explore this creative and courageous proposal **What Can Love Hope For?** William Loader, 2020-10-06 This book raises thorny questions about the themes of faith hope and love Is God really like Jesus or was Jesus a temporary exception to the way God usually is Was there forgiveness before the cross Will God one day stop loving What do we do with the fact that the hopes they had for change were not fulfilled What happened to good news for the poor Why did some replace it with something else Does Christian freedom mean we no longer need the Law Were early responses to rejection always healthy Does the Bible say all we need to know about sexuality It responds to what the author observes is a widespread hunger and interest for discussions which identify and tackle some of the troubling themes of New Testament interpretation in ways that are not defensive but yet are also supportive of faith especially an informed faith It draws together the fruit of over half a century of scholarly research and teaching Anti-Roman Cryptograms in the New Testament Norman A. Beck, 2010 The first basic thesis of Anti Roman Cryptograms in the New Testament Hidden Transcripts of Hope and Liberation is that the Jesus of history and his earliest and closest followers during his lifetime and during the decades after he had been crucified by the Romans had not only a deep longing for eternal life with God beyond the limits of this world but also a strong desire for liberation from Roman political economic and social oppression The second basic thesis of Anti Roman Cryptograms in the New Testament is that within the Christian Scriptures there are more hidden transcripts coded messages anti Roman cryptograms of hope and liberation for freedom now within this life than we have realized throughout most of the history of interpretation Hidden transcripts of hope and liberation are coded so that oppressed people are able to communicate to their fellow oppressed people in ways in which their message and their intent are shielded from the perceptions of their oppressors These messages by the Jesus of history and by the writers of New Testament and related literature use the language of faith of salvation of Deity and of adversaries of Deity giving words that are commonly used by the oppressed people new and double meanings Within interaction with other scholars who are publishing studies of hidden transcripts this book is an analysis of hidden transcripts within each of the New Testament documents The book is designed to be used in New Testament Studies courses at undergraduate and or graduate levels by study groups and by all persons who desire a more adequate understanding of the Jesus of history his closest followers and their oral and written communications during the first three centuries C E Hope in the Thought of Jacques Ellul Lawrence J. Terlizze, 2005-10-30 Hope expresses more than an area of concentration in Ellul s thought it is the central idea that binds his disparate elements together Ellul believed that at this moment of history the world since 1945 hope must preoccupy our thinking and lives To understand hope we must first comprehend its absence This entails discerning what causes the absence of hope namely the world s embrace of technique and the abandonment of God Ellul also rejected these as a positive affirmation He wanted to make a firm distinction between reality and truth He affirmed modern abandonment as a realistic fact as an accurate analysis of the present condition not as an affirmation of the truth Hope is truth in Jesus Christ but truth

must be asserted against these harsh facts He used facts to incite hope in believers to shake their complacency and to realize their actual condition in the world The idea of hope in the thought of Jacques Ellul can only be properly understood in light of dialectic struggle between negatives which amount to factual representations of the modern world and positives through which hope exerts itself in the face of these facts From this tension will issue personal resolve Technique has brought the world to great collective heights and achievements but this has come at the expense of personal ends and meaning Ellul attempted to bridge this gap by asserting individual meaning against the aggregated progress of technique without destroying the gains made by collective advance This represents the central dilemma in Ellul s thought how does one maintain meaning and personal aims in a world founded on corporate necessity from the Introduction

Prayer as Joy, Prayer as Struggle Mark Braaten, 2008 Mark Braaten describes the experience of seeing the sun rise on a northern Minnesota lake and spontaneously offering thanks to God He describes sitting beside his children s bed as they sleep and resting in the awareness of God s blessings Confronted by such beauty prayer flows out of us That is to say there are times when we are easily aware that we are in the presence of God our awe comes naturally and our prayer is full of joy But Braaten also points out that at times prayer is a struggle Life is often not awe inspiring and prayer is often not easy We find our praying frustrating and difficult Our prayer life is a journey of both joy and struggle It is learning to recognize and reach out to God even more it is recognizing how God is constantly reaching out to us Braaten explores many types of prayer including thanksgiving confession praise wrestling petition intercession listening and hope He also explores what it means when the answer to prayer is no and how we experience prayer in doubt and in confidence In each chapter he uses an extended biblical example of prayer and also provides the text of prayers we can use in our own practice For all who seek joy in prayer even as we struggle Braaten offers an engaging personal and pastoral reflection on the ways we pray

Hope & Death: Christian Responses MICHAEL A. DAUPHINAIS, ROGER W. NUTT, 2023-01-27 Paul famously challenges his readers in 1 Corinthians If for this life only we have hoped in Christ we are of all men most to be pitied What does it mean to hope in Christ for the life to come How can we intellectually defend such hope in the midst of secularist and materialist trends so prevalent in contemporary society Even if we believe as Christians in eternal life how do we find meaning in such hope when the injustices of the world and our own suffering often loom so large Drawing primarily upon the witness of biblical revelation and its reception and formulation in the teachings of Thomas Aquinas the essays in Hope Death Christian Responses answer contemporary questions related to how Christians might face suffering and death with hopeful minds and hearts The essays recover Christian hope in three main parts what hope reveals about God s nature and his providence how hope responds to and clarifies the meaning of human suffering and the way in which all hope draws human beings to an end beyond this world
