Longbrake,2019-01-03 Through the ages many kings and prophets have desired to see the things we see and they did not see them we are the chosen generation Many prophecies of scripture are being fulfilled before our eyes and there are many more that are about to come The rebirth of the state of Israel and the return of the Jews to the Holy Land is prophesied more than any other event in scripture it is a sign of the times Theodor Herzl is considered to be the father of the modern state of Israel In his book *The Jewish State* published 1896 it is said that as a child he saw King Messiah in a dream who said to him Go declare to the Jews that I shall come soon and perform great wonders and great deeds for My people and for the whole world Theodor s prophetic dream comes to life in the Biblical prophecies presented in this book There is seen in the prophets a great and awesome SHOW of God s mighty power that shall take place in the last days It is a show of God s power that is greater than anything He has done before it is God s Grand Finale End Time events and the return of Christ will soon follow Revelation Revealed Dr. Paul A Vallee,2019-11-22 In popular culture

the focus of the biblical book of Revelation has been on the identity of the antichrist and the end of the world Though Revelation speaks to these issues the book is primarily about Christ and how he addresses humanity's enemies including our greatest enemy death Revelation Revealed is an expository commentary that pushes through popular misconceptions and explains Revelation in a clear and engaging manner Often viewed as a confusing book that is difficult to understand filled with all kinds of incredible imagery Revelation actually brings a message of hope in times of perplexity and crisis In Revelation Revealed Dr Paul A Vallee addresses the cultural background in which the ancient readers understood the text and shows the relevancy of that message to today's readers This book is the culmination of forty years of biblical study The content was originally presented to a live audience over the course of twenty six weeks The response encouraged Dr Vallee to put into print what the audience described as a positive message clarifying and removing misunderstandings and fear by instilling hope in a world that like the book of Revelation itself is often confusing and overwhelming

*God Is Not...* D. Brent Laytham, 2004-07 Takes on culturally formed misconceptions about who God is by boldly stating who God is not *When Time Shall Be No More* Paul Boyer, 1994-01-01 As influential as prophecy is in the worldview of so many the belief in the phenomenon remains a popular mystery largely unstudied and little understood *When Time Shall Be No More* offers for the first time an in depth look at the subtle pervasive ways in which prophecy belief shapes contemporary American thought and culture *Reclaiming the Book of Revelation* Wilfried E. Glabach, 2007 Progressive Christians have largely resisted studying the book of Revelation but *Reclaiming the Book of Revelation* shows that the last book of the Bible has great relevance for progressive Christians and congregations in this world It addresses themes such as how to avoid being drawn into the values of a consumerist society how to describe our fears instead of fleeing from them and how to live with hope in difficult times Because Revelation has been claimed by the religious right and proponents of rapture theology Wilfried E Glabach addresses the need for more progressive Christians to give another interpretation of the book

Reclaiming the Book of Revelation offers an interpretation that stresses God's forgiveness and the healing of the nations rather than the destruction of many and the redemption of a few. Dr. Glabach motivates and encourages preachers, teachers, and lay readers to explore Revelation's vision of assurance, justice, and peace. Back cover

**The End of the World** Tom McIver, 1999. This bibliography contains careful and bias-free annotations of close to 3,500 works written over many centuries about the end of the world, predominantly but not entirely from a Christian perspective. The books, pamphlets, websites, and selected other media cover a wide variety of eschatological beliefs, from the numerous fundamentalist scenarios to the mystical and the violent, and include such topics as the Tribulation, the Rapture, the Millennium, Armageddon, the Second Coming, the Antichrist, and the Apocalypse. Works on other major religions such as Judaism, Islam, the mythos of popular cultures, Mayan prophecies, Norse Ragnarok, UFO, occult, and psychic theories, Heaven's Gate, Nostradamus, and secular theories, Y2k, computer chaos, can be found. The work is in four parts plus indexes. Entries in the pre-1800 part are arranged chronologically, beginning with the Books of Enoch in the second century BC. Other entries are arranged alphabetically within the three chronological subdivisions of 1800-1910, 1910-1970, and post-1970. All include full bibliographic information and annotations regarding format, type of work, theme, the author's background, the category of theories espoused, distinctive or notable characteristics, the intended readership, and the significance of the work. There are cross-references to works by the same author. An introduction describes major types of beliefs, outlines basic Fundamentalist end-of-the-world scenarios, summarizes Biblical sources, and explains important terms, concepts, and relationships among sources. The work is extensively indexed by author, title, and subject.
