## **Revelation Its Grand Climax At Hand:**

**Revelation** ,1988      *REVELATION ITS GRAND CLIMAX AT HAND* ,1988      **Revelation** Craig S. Keener,2009-09-13

The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. What can we know about the book of Revelation? What should we make of its visions of apocalyptic horsemen, horns with faces, flying angels, and fantastic beasts? Most important, what meaning does it hold for us here and now, and how can we apply it to our lives? Craig S. Keener shares perspectives on Revelation and helps us strengthen our hope in the future while living out our faith wisely in the present. To bring the ancient messages of the Bible into today's context, each passage is treated in three sections: Original Meaning, Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context; Bridging Contexts, A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible; Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

Jehovah's Witnesses George D. Chryssides,2022-01-27 What would happen if I accepted an invitation to Bible Study from Jehovah's Witnesses? What would attending a Kingdom Hall meeting involve? And if I invited door knocking Witnesses into my home? This book introduces Jehovah's Witnesses without assuming prior knowledge of the Watch Tower organization. After outlining the Society's origins and history, the book explains their key beliefs and practices by taking the reader through the process of the seeker who makes initial contact with Witnesses and progresses to take instruction and become a baptized member. The book then explores what is involved in being a Witness: congregational life, lifestyle, rites of passage, their understanding of the Bible and prophetic expectations. It examines the various processes and consequences of leaving the organization, controversies that have arisen in the course of its history, and popular criticisms. Discussion is given to the likelihood of reforms within the organization, such as its stance on blood transfusions, the role of women, and new methods of meeting and evangelizing in response to the COVID-19 pandemic.

**Know Your Religions Volume 3** Alonzo Gaskill,2023-02-02 This provocative series examines some of the great religions of the world, taking into account both similarities and differences with Mormonism, refuting common misconceptions, illuminating little-known practices, and exploring the theological underpinnings of the faith under study. Persons not of the LDS faith may be surprised to learn of doctrinal commonalities with the Latter-day Saints, while LDS readers will no doubt be fascinated by the degree to which they have misunderstood their brothers and sisters of other religious persuasions.

*The Oxford Handbook of the Bible in America* Paul Gutjahr,2017-11-01 Early Americans have long been considered A People of the Book. Because the nickname

was coined primarily to invoke close associations between Americans and the Bible it is easy to overlook the central fact that it was a book not a geographic location a monarch or even a shared language that has served as a cornerstone in countless investigations into the formation and fragmentation of early American culture Few books can lay claim to such powers of civilization altering influence Among those which can are sacred books and for Americans principal among such books stands the Bible This Handbook is designed to address a noticeable void in resources focused on analyzing the Bible in America in various historical moments and in relationship to specific institutions and cultural expressions It takes seriously the fact that the Bible is both a physical object that has exercised considerable totemic power as well as a text with a powerful intellectual design that has inspired everything from national religious and educational practices to a wide spectrum of artistic endeavors to our nation s politics and foreign policy This Handbook brings together a number of established scholars as well as younger scholars on the rise to provide a scholarly overview rich with bibliographic resources to those interested in the Bible s role in American cultural formation

**Blood on the Altar** David A. Reed, 2011-01-27 More kids are dying right now in obedience to the Jehovah s Witness ban on blood transfusions than perished in the fire at Waco Texas says former Witness elder David A Reed How can a major sect with headquarters in New York City and twelve million attending its religious services worldwide quietly lead victims to early deaths without public outcry Reed cites dozens of well documented cases media reports naming victims doctors and hospitals issuing their death certificates as he blows the whistle on a deadly cult that secretly instructs members to kidnap children from hospital beds and teaches children to resist doctors violently and give false testimony in court This former minister now widely recognized as an authority on the sect explains his own role in bringing new members under mind control With captivating anecdotes he details an enforcement apparatus that reaches even into clinics and hospitals He brings to light secret instructions for hospital employees to turn over confidential patient records to the church and tells how the hierarchy conducts bedside trials of members who accept forbidden medical treatment Reed joined the sect as a naive young adult and rose through the ranks until he learned how the secretive leadership operated Realizing that his friends were dying for beliefs supposedly channeled from God but actually fabricated by the church hierarchy After leaving the sect he spent years researching its history and activities evidence revealed here for the first time Reed s warning cannot be ignored

**Israel** Dickson Agedah, 2014-02-04 The nation of Israel is a flag pointing the world to God

**Brooklyn Star** Robert Israel, 2003-04

**Fast Facts on Jehovah's Witnesses** John Ankerberg, John Weldon, 2012-01-10 From blood transfusions to salvation by works John Ankerberg and John Weldon expose the unorthodox doctrines that put Jehovah s Witnesses at risk physically and spiritually With its easy to follow question and answer format this book allows readers to quickly discover Who founded Jehovah s Witnesses and why why medical care essential to life is refused why few Jehovah s Witnesses look forward to eternal life in God s presence how many Jehovah s Witnesses prophecies have failed and why how Jehovah s Witnesses view and interpret God s Word Whether looking for specific teachings or an overall understanding of

Jehovah's Witness beliefs and practices readers will find this guide delivers the information in a concise practical manner

Mystery In Suffering Michael Craig, 2011-02-26 I wish to show how a person with a debilitating illness such as Bipolar Disorder can overcome so much I cover a variety of situations that can affect a bipolar sufferer including anxiety mental anguish anger hallucinations delusions paranoia guilt and other losses Even with life set backs you can find acceptance and move on to a better place within yourself I also cover topics including work and coping with a mental illness while dealing with my wife's Stroke and Cancer The book has an underlying theme of religious freedom that has emerged as I grew in my Catholic faith     **Jehovah's Witnesses** Edmond C. Gruss, 2001     **Counting the Days to Armageddon** Robert

Crompton, 1996 Counting the Days to Armageddon is work is of vital importance for all concerned with the Jehovah's Witness movement It provides a thorough examination of their eschatological development treating Watch Tower theology objectively but sympathetically Crompton also speculates about the future direction of Jehovah's Witness teaching The book begins with a brief consideration of the biblical foundations of doctrines of the last days particularly the books of Daniel and Revelation There follows an outline summary of some of the main aspects of the history of this doctrine within the Protestant mainstream during the late eighteenth and early nineteenth centuries and an outline of the Adventist teaching of William Miller 1782 1849 in the U S A During the time following the failure of Miller's expectations of the end of the world his ideas were developed by Charles Taze Russell 1852 1916 prime mover of the Watch Tower movement Counting the Days to Armageddon explores the way in which Russell amended Miller's ideas and also the distinctive way in which he handled the Dispensational categorisation of history of John Nelson Darby 1800 1882 to create an extension of historicist speculation on the application of prophecy to the modern world The response of the Watch Tower movement to the failure of Russell's expectations in 1914 is explored and the new body of doctrine which has replaced Russell's is examined The ways in which these doctrines have been modified in the past suggest ways in which future doctrine may develop especially in response to the protracted delay of Armageddon What is envisaged in the light of the history of Watch Tower doctrine is no dramatic collapse of the movement but rather an increasing emphasis upon other less vulnerable areas of doctrine together with a greater turnover of membership which may in due course undermine the movement's stability     *The Gift of God Is Eternal Life* Steven H. Propp, 2016-12-28 According to Christian doctrine what happens to those who have died While traditionally it has been said that one group of people spends eternity in heavenly happiness while another group experiences conscious unending torment in hell there are other Christians who believe in alternatives that hell is simply a separation from God that the lost are simply annihilated and not subject to torment or that actually in the end all will be reconciled to God and live in heavenly glory The Gift of God Is Eternal Life explores a five century journey that traces the development and dispersal of the doctrines of universalism and conditional immortality in a compelling narrative collection of short stories Beginning from when these doctrines were merely whispered about or published anonymously to the days when traveling evangelists

preached them in the new and growing American republic these engaging vignettes show how this once intense debate between Christians has evolved into modern times where such ideas can be freely discussed even in mainstream television and evangelism Do infants who die prior to an age of accountability receive salvation and are those who have never heard the Christian message simply doomed What about loved ones who die without having embraced the Christian gospel or those who believe in less traditional Christian dogmas and institutions The Gift of God Is Eternal Life can help both believers and nonbelievers understand the implications of these theological perspectives not just in an afterlife but in their own lives here and now

**Christian Denominations** Rev. Dr. Salatiel Sidhu, 2015-02-12 This book deals with the causes that led to the formation of so many denominations The main reason behind this is the misinterpretation of the word of God Initial faith was purely Catholic based upon the Church founded by the disciples of Christ but when it became the Roman Catholic Church the drawbacks started surfacing in the Church So the believers thought of other groups and sects and they started leaving the Roman Catholic Church and formed other denominations Behind all this was the human factor of pope at that time Whatever I got from my study I have tried to write about the different denominations

*Jehovah's Witnesses Answered Verse by Verse* David A. Reed, 1987-08-01 No other book answers the Jehovah s Witnesses misinterpretation of Scripture so immediately and shows how to use the same Scripture in leading Jehovah s Witnesses to Christ

Apocalypse Delayed M. James Penton, 2015-01-01 For almost thirty years M James Penton s *Apocalypse Delayed* has been the definitive scholarly study of the Jehovah s Witnesses As a former member of the sect Penton offers a comprehensive overview of this significant religious movement

**Answering Jehovah's Witnesses** David A. Reed, 1996-05-01 This book guides Christians to discuss non biblical issues with Jehovah s Witnesses subject by subject in a non confrontational manner

**The Kingdom of the Cults** Walter Martin, Ravi Zacharias, 2003-10 Newly updated this definitive reference work on major cult systems is the gold standard text on cults with nearly a million copies sold

**Minority Religions and Religious Tolerance** Zoe Knox, Emily B. Baran, 2025-09-04 This book is founded on a simple premise that Jehovah s Witnesses are a crucial litmus test for tolerance When Witnesses do not enjoy basic freedoms to practice their faith scholars should consider what their treatment reveals about the broader state of tolerance and respect for religious pluralism and religious minority groups They should also examine how the Witnesses struggle for acceptance has shaped religious freedom and the protections enshrined in law in many modern states in the twenty first century This is what the authors call the Jehovah s Witness test The contributors have run the JW test across a range of countries from Egypt and Mexico to Russia and South Korea addressing religious political and medical opposition and their outcomes for modern states and societies They bring to their conclusions a wealth of perspectives among them are medical experts sociologists political scientists historians anthropologists and representatives of the Witness community Taken together this volume is a call for scholars to look to the treatment of Jehovah s Witnesses as a barometer for the overall health of religious tolerance and basic civil liberties in our contemporary world
