**Unfolding the Mysteries of Revelation** Roger Hartman,2006-05 Hartman offers a guide to understanding the mysteries of Revelation and what it takes to be prepared to meet Jesus face to face      **The Mysteries of God Revealed** Roy Dixon,2010-07-27 This Book of Redemption is God s master plan to redeem his children back from the fall of sin caused by the serpent Satan in the beginning Satan has deceived the whole world with his lies and has caused the people to sin against their creator This book will reveal that Jesus is both Lord and Christ Father Son and Holy Ghost in One PERSON manifested in flesh and existed from eternity past to eternity future and that He is Supreme not God in three persons blessed trinity but One God One Person who created the heavens and the earth in the beginning with three major titles with three Dispensations manifesting those titles      *The Book of Life Secrets for Today's World* Rai Flowers,Rasheed Flowers,2021-05-09 The Book of Secrets is a unique manuscript that aims to help its reader focus on different mindful thoughts for each day of the year Each day s entry includes a focus point and that point is emphasized and supported by specific citations from The Bible The author hopes to invite the reader to explore different aspects of their life and to find meaning and support for that exploration through God s words Each day is structured with a thought starter and at least one Bible reference to support the idea that this thought starter is not unique but rather something that originates from God s words The format of this manuscript is engaging The daily entries give the reader a new thought to ponder each day The inclusion of a Bible citation further solidifies the importance of that thought and gives the reader the motivation to think deeply about that prompt as well as feel comfort knowing that God s words support this thought      The Genesis of Revelation Aerik Vondenburg,2012-03-18 According to Jesus the primary underlying message of his teachings was hidden from those who were not ready to know the truth Mark 4 22 and Luke 19 42 This special knowledge is related to what is referred to in the Old Testament as the secret things of the Lord Deuteronomy 29 29 Until now the sacred secrets of the kingdom of God Luke 8 10 Matthew13 11 have never been made public to the world However clues left to us in the writings of the ancient Gnostic Christians as well as the Bible itself have made it possible to understand and reveal these incredible hidden matters for the first time in the modern era The result will shake the very foundations of Judeo Christianity What the ground breaking findings reveal is that almost everything that the world knows about the Bible were formulated by men who did not understand the true underlying history and teachings of God and Jesus What the findings reveal is that almost everything that the world knows about God Jesus and the Bible is wrong      **The Secrets God Kept** John Van Diest,Alton Gansky,2005 God does keep secrets Even great heroes of faith like Abraham Moses and the Old Testament prophets faced mysteries about God and his kingdom Understanding God s plans is like watching a train emerge from a tunnel you can see the cars that have emerged and get a sense of where the

train is going but you can't see the cars still in the tunnel While many details of God's revelation train are still shrouded secrets hidden for centuries are now revealed to us John Van Diest and Alton Gansky help us see and understand these secrets which are hiding in plain sight in the words of Jesus and throughout the Bible *Guardians: Keepers of God's Secret Code* Donald Alexander, 2020-02-18 Theories of evolution origin of the Universe and deep time have led many scientists like my former self to conclude that Creation is just a chance sequence of events that can ultimately be explained by natural laws I was skeptical and even tried to disprove God's existence until I found a Secret Code embedded in the Scriptures This code provides undeniable evidence of God based upon event sequences in the lives of a Great Cloud of Witnesses like Joseph Samson David Jonah Elisha Moses and Joshua By unlocking the Earthly Sanctuary pattern given to Moses I've found that it reveals events of the Exodus from Egypt to the Promised Land which even applies to Spiritual Israel today The veil to the Holy Place aligns with the Exodus opening of the Red Sea And the veil to the Holiest Place points to the opening of the Jordan where we now stand waiting to cross at the End of Time The code reveals probabilities of the existence of God far greater than finding an atom in Planet Earth by chance **Daniel & Revelation** Amazing Facts, David C. James, 2013-06-11 The Biggest Evangelism Resource of 2013 All new full color 84 page magazine on Daniel then take the knowledge of Daniel and unlock the secrets of Revelation This magazine has been designed especially for sharing to the audiences of today a brand new evangelism tool for churches schools friends and neighbors over 20 million people search each month for How will the world end You know one of them and now you can give them the answer Daniel and Revelation reveals God's true plans for the future The Mystery of God C. C. Rowland, Christopher R. A. Morray-Jones, 2009 This book brings together the perspectives of apocalypticism and early Jewish mysticism to illuminate aspects of New Testament theology The first part begins with a consideration of the mystical character of apocalypticism and then uses the Book of Revelation and the development of views about the heavenly mediator figure of Enoch to explore the importance of apocalypticism in the Gospels and Acts the Pauline Letters and finally the key theological themes in the later books of the New Testament The second and third parts explore the character of early Jewish mysticism by taking important themes in the early Jewish mystical texts such as the Temple and the Divine Body to demonstrate the relevance of this material to New Testament interpretation *Power of Samson: Guardian of God's Secret Code* Donald Alexander, 2020-02-07 Initially setting out to disprove God's existence a scientist stumbles upon mysterious Biblical codes and patterns that point to God's fingerprint Through his personal testimony he proves that these incredible discoveries reveal undeniable reproducible objective evidence that God Exists 52 embedded associations connect Samson to Jesus in the same order in just 96 verses in the Book of Judges The probability of this happening by chance is smaller than finding a single atom on Planet Earth by chance Yet numerous other code sequences are also embedded in the lives of a Great Cloud of Witnesses including Joseph Samson David Jonah Elisha Moses and Joshua in the same order as those in the life of Christ How could numerous independent authors

have known about the steps of Christ in such detail hundreds to over a thousand years in advance The Author behind these accounts somehow can see events in the distant future How can this be Could He be the Omniscient One called God **The God of Jesus Christ** Walter Kasper,2012-03-01 Kasper is a master synthesiser and his display of erudition alone makes this book a worthy read and an invaluable resource for questions of God and Trinity Using admittedly polemical language he calls for a theological theology which makes the explanation of the confession of the triune God its first priority not only for speculative but also for pastoral reasons This is the reissue of a theological work of considerable importance for which Cardinal Kasper has written an entirely new introduction taking modern developments in theology fully into account **The Secret Life of God** Rabbi David Aaron,2005-07-12 How much does our perception of God really matter Many of us aren't conscious of our image of a higher power For some of us that unspoken image is a Judgmental Parent or an exacting Old Man in the Sky For others God is an Imaginary Friend who is there to fix problems after we create them David Aaron can help you discover a mature new understanding of God and lead you to discover the wellspring of Divinity within you By drawing on teachings of Kabbalah that were secret for millennia he helps you to reclaim the power you've given away to negative images of God or passive images of yourself These mystical secrets of Judaism can offer reassuring guidance meaning and purpose to the lives of people of all faiths In the journey to discovering God's secret life you will Awaken to your life's deepest purpose Delight in a deeper connection to your true inner self God and others Learn to experience God's infinite love for you Rise to new heights cope with challenges and make courageous choices Achieve true peace of mind and freedom from anxiety Aaron shares these profound ancient teachings in simple everyday language with a touch of wit and humor Rich in personal stories and anecdotes his examples from daily life help us tap the transformational power hidden within and illuminate the surprising paradoxes of spiritual growth Awakened to finally experience a personal connection to God we are at last able to receive God's love unconditionally and discover our ultimate identity divine purpose and true happiness **Thou Kingdom Come Robert J Monk Is God's Secret Agent** Stephen John Lambourne,2012-01-18 In modern day France a Cambridge theologian Jacob Jenkins is secretly imprisoned in a mental institution Not because he is mad but because he knows the biblical Merchant's secrets the same Merchants mentioned and warned about in the Book of Revelation rather than killing Mr Jenkins the Merchant's are drawing out of him the decoded information he has uncovered in the Book of Revelation that foretells the Merchant's manipulation in the biblical End Times and Armageddon event which help bring about the fabled 2nd coming and rise of the Beast 666 But the Merchant's plans are found out by a secret Christian order and one of their agents Robert J Monk is charged to extract Mr Jenkins and bring him back to England where he can tell the world of the Merchant's evil plot and how they are planning their evil plot with the mighty Dragon and the fabled Beast all of these evil elements are shown to be controlling a state within a state and are using their combined Communist and old Soviet spy networks that were nurtured and developed within the west to collapse their combined enemy the West itself With the secret order's history of

protecting Christian pilgrims throughout time and with their blood spilt on many conflicts Robert J Monk's mission to bring Mr Jenkins back to England should on the face of it be a easy one with all the orders modern and ancient technology and weaponry at Monk's disposal but it quickly turns into a struggle between good and evil as the Merchant's evil empire is unleashed upon them Stephen Lambourne weaves together a modern day spy story with ancient medieval Christian history while encompassed simply code breaking formulas allowing biblical scripture to be cracked open like an oyster allowing the stories main characters to explain to the reader a compiling pictures of present day events happening in today's world with those written down in the Book of Revelation just under 2000 years ago The readers eyes will be opened to why events you had through was not linked are indeed planned and well under way Worst of all they are being planned and organized by the West's old enemies and the fabled Beast

*Moving in the Apostolic* John Eckhardt,1999-01-22 Why is God restoring apostles to His Church Because restoration of the apostolic ministry is necessary for the Church to complete its mission on earth We are now experiencing the greatest outpouring of the Holy Spirit the world has ever known and we should expect to see multitudes swept into the Kingdom as a result In this book John Eckhardt reveals how the apostolic demension affects the preaching teaching worship prayer and giving of the local church and how apostolic leadership will point the way toward fulfillment of the Great Commission

The Revealer Of Secrets Hank Kunneman,2011-11-14 We live in an age when events and circumstances fill us with questions and apprehension What is going on Why are these things happening What is going to happen next Like the commercial about E F Hutton the world is longing to eavesdrop on secret conversations that might reveal answers to our tough questions In the Bible God always had a prophetic voice that carried His secrets to kings and leaders of nations In the same way today God desires for us to see and hear what heaven is up to concerning us here on earth This book gives important principles for receiving the secrets of the Lord whether they concern things such as terrorism violence and natural disasters or the daily occurrences of people in everyday life
