Revelation

The revelation of Jesus Christ, which God
gave him to show his servants what must

and those who hear it and
keep in it, because

Grace and peace to you from him

DeSilva,2022-05-03 Amidst the fervor for popular apocalyptic books and unfounded end times theology New testament scholar David deSilva has written a book to help readers thoughtfully and properly approach Revelation as it was intended to be read A very helpful treatise deSilva s Unholy Allegiances Heeding Revelation s Warning explores the world of first century Roman Asia the context in which Revelation was written explaining why John wrote such a graphic and startling message to the people of God While many books today offer innovative decodings of Revelation deSilva reminds us that John s letter is in fact not a historical blueprint for prophecy and prognosticism but a letter about the dangers that the church faced under the rule of Rome following the resurrection of Jesus a warning that is apt today as it was almost two thousand years ago The true power of the book of Revelation is not in a mystical unfolding of the future but in its confrontation with the unholy allegiances already at work in the world It s time to pay attention without playing ender s games It s time to take Revelation seriously *How to Study and Interpret the Holy Bible* Ivan Lane,2023-05-12 Rather than telling you what to think author and expert Ivan Lane teaches you how to define biblical words and cross reference scripture to interpret biblical truth for yourself Mr Lane helps to make readable sense of the Bible by helping you learn how to understand biblical language and symbolic words He does this by using a very unique method of interpreting the Bible that he calls The Definitive Method You will learn what books to use and how to use them in order to interpret any verse in the Bible in the context in which it was written This book appeals to beginners and advanced students alike because it is written in laymen terms with basic and advanced techniques of interpreting the Bible Mr Lane takes you deep into symbolism so that you can understand the spiritual aspect of the Bible for your edification and spiritual growth Every technique is shown with easy step by step examples for your understanding *Revelation* Jeff Ferguson,2021-11-03 Social injustice social distancing and masks the coronavirus pandemic earthquakes wars and rumors of wars is this really the end times When thinking about the book of Revelation death and destruction lawlessness and chaos seem to be the focus of most people Humanity especially Hollywood seems to have an insatiable appetite for the sensational

devastation and death that is predicted in this biblical prophecy The problem with this is most media sources miss the main point for which these catastrophes occur the call of God for His creation to reunite with Him The book of Revelation is probably the most controversial book of the Bible Which piece of literature throughout history has had more written about it with such widely divided opinions and differing beliefs Yet through all of the existing material there is still widespread confusion and improbable comprehension regarding this prophecy However controversial it may seem Revelation is also one of the most important writings we have available concerning the Christian life today It is a compulsory read for anyone serious about living their life for Jesus Christ Revelation The Full Disclosure of Jesus Christ takes the reader verse by verse through the entire twenty two chapters of Revelation giving accurate but easy to understand explanations It is designed as a study guide for the children of God at every level of understanding The book of Revelation is both a continuation and ending of the story that began in the book of Genesis So come let us explore together the final chapter of the greatest story ever told
